Have you or one of your co-workers given notice recently?

Will there be a vacancy (a position or unfilled hours) created when you or a co-worker finishes up or reduces hours?

If the answer is Yes, then please fill out this notice, return a copy to VAHPA and post the original on your Union notice board.

We won many new rights for Allied Health Professionals during the most recent round of bargaining. *Clause 91 – Advertising Vacancies* now requires your employer to advertise all vacancies as soon as they become aware of them. That is, as soon as notice is given—typically weeks before the position is actually vacated. Your employer agreed to these changes. **Let's hold them to the deal.**
