

## YOUR VAHPA MEMBERSHIP INCLUDES:

### An Industry Voice

VAHPA is a democratic association representing the professional interests of members. We engage in lobbying, activism and advocacy across all levels of government and in the broader community.

### Advice & Representation

All workers, irrespective of sector, need to be vigilant around their wages and conditions. VAHPA will help you navigate these treacherous and shifting waters. We provide expert advice and advocacy on issues including underpayment, return to work, redundancy, leave entitlements, bullying and other workplace issues.

### Professional Indemnity Insurance

VAHPA provides the best PII package available. In the event of a claim, our specialist Member Assist Team will work with you during this trying time. We can talk you through the process, give you invaluable advice based on years of experience, help you prepare evidence, draft letters and more.

Our policy gives you \$10 million of insurance—this is more than enough. Don't be fooled by the lure of a \$20 million package with a provider who, should things go wrong, will provide you with no assistance during a time of incredible stress.

### Collective Bargaining

VAHPA is committed to ensuring that Allied Health jobs are good jobs and that the care we deliver is the best it can be. Only by working together can we negotiate fair and reasonable wages and conditions.

VAHPA does not bargain behind closed doors; the members guide our industrial campaigns and play an active role in bargaining. VAHPA members stand united, strive for common goals and have genuine respect for each other. This approach is critical in ensuring good bargaining outcomes.

### Free Legal Advice

Members are eligible, upon VAHPA referral, to receive free legal advice on industrial matters and additional services from leading industrial and personal injury law firm Maurice Blackburn.

### Continuing Professional Development

VAHPA provides all members with access to an online smartphone enabled CPD tracker. This makes it a breeze for all members to track and record all CPD activity.
