(c) result in the Employee being better off overall than the Employee would be if no arrangement was made.

12.4 Where the Employee’s understanding of written English is limited, the Employer will take measures, including translation into an appropriate language, to ensure the Employee understands the proposed individual flexibility arrangement.

12.5 The Employer must ensure that the individual flexibility arrangement:

(b) Consultation requires the Employer to take reasonable steps to consult with Employees who are absent on leave including on workers compensation or parental leave.

(c) The Employer will take reasonable steps to ensure Employees, HSRs (where relevant) and the Union can participate effectively in the Consultation process.

(d) With respect to the process set out in this clause 13:

(i) a Major Change (including part of a Major Change) must not be implemented prior to the steps in subclauses 13.4 to 13.9 being completed, other than by agreement with the Affected Employee/s and Union; and

(ii) the process in this clause 13 will not be used to prevent or frustrate Major Change, save that a party raising a dispute alleging non-compliance with this clause 13 does not, of itself, indicate the party is trying to prevent or frustrate Major Change.

(e) An Employer shall complete each step prior to proceeding to the next step in this process save that nothing prevents an Employer from progressing where the Employer has complied with the relevant requirements of this clause 13 and the Affected Employee/s, the Union, and/or the Employee’s other chosen representative (where relevant) have chosen not to participate / respond, despite being given a reasonable opportunity to do so.

13.2 Definitions

(viii) removal of an existing amenity; and/or

(ix) the removal or reduction of job opportunities, promotion opportunities or job tenure.

(e) **Measures to mitigate or avert** may include but are not limited to:

(ii) retraining;

(iii) salary maintenance;

(iv) job sharing; and/or

(v) maintenance of accruals.

### 13.3 Consultation Steps and Timeframes

(a) Consultation includes the steps set out below.

(b) Timeframes for each step must allow a party to Consultation (including a representative) to genuinely participate in an informed way having regard for all the circumstances including the complexity of the change proposed, and the need for Employee/s and their representative to meet with each other and consider and discuss the Employer’s proposal. The timeframes in this subclause 13.3 are indicative.

(c) The following table makes clear the relevant steps and indicative timeframes for the Consultation process.

### 13.4 Change Impact Statement (CIS) (Step 1)

**(a)** Prior to Consultation required by this clause 13, the Employer will provide Affected Employee/s and Union with a written Change Impact Statement (CIS) setting out all relevant information including:

1. the details of proposed change;
2. the reasons for the proposed change;
3. where relevant, the current position descriptions of positions that may be affected by the proposed change;
4. any proposed new or revised position descriptions;
5. the possible effect of the proposed change on Affected Employee/s workload;
6. where there may be occupational health and safety impacts a risk assessment of the potential effects of the change on the health and safety of Affected Employee/s and any other occupational health and safety impacts, such as those set out in clause 99 (OHS Risk Management), which must be undertaken in Consultation with HSRs, and the proposed mitigating actions to be implemented to prevent such effects;
the expected benefit of the change;

measures the Employer is considering that may mitigate or avert the effects of the proposed change;

the right of an Affected Employee/s to have a representative including a Union representative at any time during the change process; and

other written material relevant to the reasons for the proposed change (such as consultant reports), excluding material that is commercial in confidence, relates directly to a performance/conduct issue or cannot be disclosed under the Health Services Act 1988 (Vic) or other legislation.

(b) Concerns as to whether the Change Impact Statement (CIS) complies with subclause 13.4 will be raised as soon as reasonably practicable, which may be at a time after step 2 has been completed.

(c) Where the Union requests a meeting prior to the step 2 to clarify the proposed change or to obtain any of the information required to be provided as part of step 1 or step 2, the Employer will meet with the Union in a reasonable timeframe.

13.5 Employee / Union response (step 2)

Following receipt of the Change Impact Statement (CIS), Affected Employee/s and/or the Union may respond in writing to any matter arising from the proposed change.

13.6 Meetings (step 3)

(a) As part of Consultation, the Employer will meet with the Affected Employee/s, the Union and other nominated representative/s (if any) to discuss:

(i) the proposed change;

(ii) proposals to mitigate or avert the impact of the proposed change; and

(iii) any matter identified in the written response from the Affected Employee/s and/or the Union.

(b) To avoid doubt, the ‘first meeting’ at step 3 does not limit the number of meetings for Consultation.

13.7 Employer response (step 4)

The Employer will give prompt and genuine consideration to matters arising from Consultation and will provide a written response to the matters raised by the Affected Employee/s, Union and (where relevant) other representative/s.

13.8 Alternative proposal (step 5)

The Affected Employee/s, the Union and other representative (where relevant) may submit alternative proposal/s which will take into account the intended objective and benefits of the proposal. Alternative proposals should be submitted in a timely manner so that unreasonable delay may be avoided.

13.9 Outcome of Consultation (step 6)

(a) The Employer will give prompt and genuine consideration to matters arising from Consultation, including an alternative proposal submitted under subclause 13.8,
and will advise the Affected Employee/s, the Union and other nominated representatives (if any) in writing of the outcome of Consultation including:

(i) whether the Employer intends to proceed with the change proposal and, if so, when, which shall not be less than seven (7) days from the date of the written advice;

(ii) any amendment to the change proposal arising from Consultation;

(iii) details of any measures to mitigate or avert the effect of the changes on Affected Employee/s; and

(iv) a summary of how matters that have been raised by Affected Employee/s, the Union and their representatives, including any alternative proposal, have been taken into account.

(b) Where a party notifies or escalates a dispute (including to the Commission) within seven (7) days of the written advice, subclause 13.10(b) applies.

13.10 Consultation disputes

(a) Any dispute regarding the obligations under this clause 13 will be dealt with under the Dispute Resolution Procedure at clause 14 of this Agreement.

(b) Where a consultation dispute is raised in accordance with clause 14 of the Agreement, the obligations at subclause 14.2 apply including:

(i) the parties to the dispute and their representatives must genuinely attempt to resolve the dispute through the processes set out in clause 14 and must cooperate to ensure that these processes are carried out expeditiously; and

(ii) while the dispute resolution procedure is being conducted work will continue normally according to the usual practice that existed before the dispute, until the dispute is resolved (meaning the Major Change is not to be implemented while the dispute is unresolved, subject to subclause 13.10(d)).

(c) Where an Employer has implemented a change and a dispute is notified alleging the Employer’s failure to consult in accordance with clause 13, the Employer will reverse the change and restore the status quo that existed before the change was implemented, except where:

(i) the Employer:

A. disputes the alleged failure to consult in accordance with clause 13; and

B. makes an application to the Commission in accordance with subclause 13.10(d) within seven (7) days of the dispute being notified;

(ii) in which case the requirement to reverse the change does not apply until the matter is dealt with under subclause 13.10(d); or

(iii) the Employer has completed step 6 of the consultation process and issued the written notification in subclause 13.9(a) and the Affected
Employee/s, the Union, and/or the Employee’s other chosen representative (where relevant) have not notified or escalated a dispute (including to the Commission) within seven (7) days of this written notification; or

(iv) the Affected Employee/s and the Union agree in writing the change is not required to be reversed.

(d) A party may seek an interim decision or, by agreement with the parties to the dispute, a recommendation of the Commission, in accordance with subclause 14.2(e), including where an Employer has made an application referred to in subclause 13.10(c)(i) regarding the reversal of an implemented Major Change (in whole or part) while the dispute is being resolved. The Commission may consider:

(i) the impact of reversing and not reversing the change on the Employer and Affected Employees;

(ii) whether the Employer has complied with the steps at subclauses 13.4 to 13.9 of this Agreement;

(iii) whether a party to the dispute has complied with subclause 14.2; and

(iv) any other matter the Commission considers relevant.

13A. Consultation about Changes to Rosters or Hours of Work

This clause 13A applies where a change to regular rosters or ordinary hours of work (which may impact upon an Employee, particularly in relation to their family and caring responsibilities) does not constitute a change that must be consulted upon in accordance with clause 13.

13A.1 Without limiting the provisions of clause 13, where an Employer proposes to change an Employee’s regular roster or ordinary hours of work, the Employer must consult with the Employee or Employees affected and their representatives, if any, about the proposed change.

13A.2 The Employer must:

(a) consider health and safety impacts including fatigue;

(b) provide to the Employee or Employees affected and their representatives, if any, information about the proposed change (for example, information about the nature of the change to the Employee’s regular roster or ordinary hours of work and when that change is proposed to commence);

(c) invite the Employee or Employees affected and their representatives, if any, to give their views about the impact of the proposed change (including any impact in relation to their family or caring responsibilities); and

(d) give consideration to any views about the impact of the proposed change that is given by the Employee or Employees concerned and/or their representatives.
13A.3 The requirement to consult under this clause 13A does not apply where an Employee has irregular, sporadic, or unpredictable working hours.

13A.4 These provisions are to be read in conjunction with the terms of the engagement between the Employer and Employee, other Agreement provisions concerning the scheduling of work and notice requirements and nothing in this clause 13A overrides the provisions of any other clauses in this Agreement, for example clause 50 (Rosters) or clause 47 (Hours of Work).

13A.5 Any dispute regarding the obligations under this clause 13A will be dealt with under the Dispute Resolution Procedure at clause 14 of this Agreement.

14. Dispute Resolution Procedure

14.1 Resolution of disputes and grievances

(a) For the purpose of this clause 14, a dispute includes a grievance.

(b) This dispute resolution procedure will apply to any dispute arising in relation to:

(i) this Agreement;
(ii) the 2020 Agreement;
(iii) the NES;
(iv) a request for an additional 12 months parental leave in accordance with section 76 of the Act; or
(v) a request for flexible working arrangements in accordance with section 65 of the Act.

(c) A party to the dispute may choose to be represented at any stage by a representative including a Union or employer organisation. A representative, including a Union or employer organisation on behalf of an Employer, may initiate a dispute.

14.2 Obligations

(a) The parties to the dispute and their representatives must genuinely attempt to resolve the dispute through the processes set out in this clause 14 and must cooperate to ensure that these processes are carried out expeditiously.

(b) While the dispute resolution procedure is being conducted work will continue normally according to the usual practice that existed before the dispute, until the dispute is resolved.

(c) This requirement does not apply where an Employee:

(i) has a reasonable concern about an imminent risk to their health or safety;
(ii) has advised the Employer of the concern; and
(iii) has not unreasonably failed to comply with a direction by the Employer to perform other available work that is safe and appropriate for the Employee to perform.
(d) No party to a dispute or person covered by the Agreement will be prejudiced with respect to the resolution of the dispute by continuing work under this subclause 14.2.

(e) Where an application to the Commission has been made in accordance with clause 14 about an alleged dispute (including a consultation dispute), a party (or representative) may seek an interim decision in accordance with section 589 of the Act about whether a party has complied with clause 14.2 of this Agreement.

14.3 Dispute settlement facilitation

(a) Where the chosen representative is another Employee of the Employer, that Employee will be released by the Employer from normal duties as is reasonably necessary to enable them to represent the Employee/s including:

(i) investigating the circumstances of the dispute; and

(ii) participating in the processes to resolve the dispute, including attending meetings, conciliation and arbitration.

(b) An Employee who is part of the dispute will be released by the Employer from normal duties as is reasonably necessary to enable them to participate in this dispute settling procedure so long as it does not unduly affect the operations of the Employer.

14.4 Discussion of dispute at workplace

(a) The parties will attempt to resolve the dispute at the workplace as follows:

(i) in the first instance by discussions between the:

   A. Employee/s, the Union and/or another representative; and

   B. the relevant supervisor/manager and/or other relevant representative of the Employer including a human resources (however described) representative, who is authorised to resolve the dispute; and

(ii) if the dispute is still unresolved, by discussions between the:

   A. Employee/s, the Union and/or another representative; and

   B. more senior levels of management (which may include a human resources (however described) representative);

(iii) save that where a person in subclause 14.4(a)(i)B does not have authorisation to resolve the dispute, the dispute will progress directly to subclause 14.4(a)(ii) without the need for the discussions at subclause 14.4(a)(i).

(b) The discussions at subclause 14.4(a) will take place within fourteen (14) days:

(i) or such longer period as is reasonable; or

(ii) in the case of a collective dispute under subclause 14.5, as soon as is practicable within the fourteen (14) day period.
(c) Where a party believes the requirements of this subclause 14.4 have not been complied with, they should notify the other party of their concern in writing as soon as practicable.

(d) If a dispute cannot be resolved at the workplace, including because:
   (i) the discussions at subclause 14.4(a) have not resolved the dispute;
   (ii) a party has not participated in discussions at the workplace;
   (iii) after the discussion at subclause 14.4(a)(i) and before a discussion at 14.4(a)(ii) a party to the dispute indicates that their position is unchanged; or
   (iv) a person at subclause 14.4(a)(i) has not met the requirements of subclause 14.2;

it may be referred by a party to the dispute or representative to the Commission for conciliation and, if the matter in dispute remains unresolved, arbitration.

(e) Discussions include, but are not limited to, discussion in person, discussion over the phone, discussion via a video conference, discussion via email and/or discussion in writing, save that a party will not unreasonably refuse to discuss the matter in person where practicable and having regard for the obligations at subclause 14.2.

14.5 Disputes of a collective character

(a) Disputes of a collective character may be dealt with more expeditiously by an early reference to the Commission. However, no dispute of a collective character may be referred to the Commission directly without a genuine attempt to resolve the dispute at the workplace level through the discussions referred to at subclause 14.4(a)(ii). Specifically, through discussions between the:
   (i) Employee/s, the Union and/or another representative; and
   (ii) senior levels of management (which may include a human resources (however described) representative).

(b) The discussions will take place as soon as is practicable, subject to it being within fourteen days of the dispute being notified (see subclause 14.4(b)(ii) above).

(c) A party to a dispute of a collective character is entitled to bypass the step at subclause 14.4(a)(i).

14.6 Conciliation

(a) Where a dispute is referred for conciliation, the Commission member will do everything the member deems right and proper to assist the parties to settle the dispute.

(b) Conciliation before the Commission is complete when:
   (i) the parties to the dispute agree that it is settled;
   (ii) the Commission member conducting the conciliation, either on their own motion or after an application by a party, is satisfied there is no likelihood
that further conciliation will result in settlement within a reasonable period; or

(iii) the parties to the dispute inform the Commission member there is no likelihood the dispute will be settled and the member does not have a substantial reason to refuse to regard conciliation as complete.

14.7 Arbitration

(a) If, when conciliation is complete, the dispute is not settled, either party may request the Commission proceed to determine the dispute by arbitration.

(b) The Commission member that conciliated the dispute will not arbitrate the dispute if a party objects to the member doing so.

(c) Subject to subclause 14.7(d) below, a decision of the Commission is binding upon the persons covered by this Agreement.

(d) An appeal lies to a Full Bench of the Commission, with the leave of the Full Bench, against a determination of a single member of the Commission made pursuant to this clause 14.

14.8 Conduct of matters before the Commission

(a) Subject to any agreement between the parties to the dispute in relation to a particular dispute or grievance and the provisions of this clause 14, in dealing with a dispute or grievance through conciliation or arbitration, the Commission will conduct the matter in accordance with sections 577, 578 and Subdivision B of Division 3 of Part 5-1 of the Act.

(b) For the avoidance of doubt, nothing in this clause 14 affects the operation of section 596 of the Act.

14A. Independent Dispute Resolution Panel

(e) The Panel shall act independently of the Union, the VHIA and the Victorian Government.

(f) The parties to an application to the Panel bear their own costs (save for the Chair).

(g) The Panel shall be responsible for determining its own procedure, provided that it applies the rules of natural justice and procedural fairness and be consistent with the requirements of clause 14 Dispute Resolution Procedure.

(h) The Panel shall apply an inquisitorial procedure, rather than an adversarial one.

(i) The Panel may decide to hear a matter in the workplace. In such cases the Employer shall provide a suitable meeting room and other relevant facilities for any date requested by the Panel. The Employer will allow the Panel to inspect any work site if the Panel believes this will assist it in determining a matter, subject to any health, safety and privacy considerations. A party to a dispute may request that the Panel hear a matter in a workplace. The Panel will consider such a request and determine for itself the best location for hearing a matter.

(j) Lawyers and paid agents, who are not direct employees of the Unions, VHIA, Department or an Employer may only appear before the Panel where it gives them permission to do so.

(k) Nothing in this clause 14A prevents an application to the Commission to deal with a matter that has been dealt with by the Panel.

14A.3 Functions of the Panel Chair

(a) The Chair shall perform the following functions:

(i) notify all parties to the matter and the Department of the hearing dates;

14A.1 only where the Parties have attempted to resolve the dispute at the workplace as described at subclause 14.4 of the Agreement.

(b) If the provisions of subclause 14.4 (Discussion of dispute at workplace) have not been complied with prior to the application, the Chair will refer the parties back to the workplace to attempt resolution through discussion at the workplace level in the first instance.

(c) Applications to the Panel to deal with a dispute will be in the following or similar form:

(c) The Panel may inform itself in any manner it sees fit including by seeking the views of an expert advisor (who is not an employee of the Employer subject of the application) agreed by the Panel to provide clinical expertise in an area of clinical practice relevant to the matter under consideration.

(d) The Panel is not bound by the rules of evidence and procedure. The Panel will determine the manner in which an Employee/s providing evidence to the Panel will be questioned, save that where possible they will ensure that any questioning is not adversarial in nature.

(e) The:
   (i) Employer and/or VHIA; and
   (ii) the Employee/s and/or Unions;

(a) The Union and the VHIA recognise that the Victorian Government, represented by the Department, has a right to have its funding interests heard and considered in decisions of the Panel.

(b) The interests of the Victorian Government represented by the Department include significant funding, policy and service delivery considerations and implications.

(a) An Employee/s who is involved in a dispute before the Panel, including a Union representative, will be released by the Employer with pay from normal duties as is reasonably necessary to enable them to participate in this dispute settling procedure under this clause 14A so long as it does not unduly affect the operations of the Employer.

15. Performance Management

15.1 Application of this clause
(a) Where an Employer wishes to deal with performance issues of an Employee, they will be dealt with in accordance with this clause 15 and must be dealt with as soon as practicable following the Employer becoming aware of the performance issue.

(b) Where an Employer has concerns about a performance issue that may constitute misconduct (as defined in subclause 16.2(b)), they will be dealt with in accordance with clause 15. A performance issue can be considered misconduct where despite all reasonably practicable interventions by the Employer (which includes following the process in this clause 15) the Employee is unable to fulfil all or part of their job requirements to a satisfactory level. Where this occurs, the performance management process in subclauses 15.3(c)(iv), (d) and (e) will still apply where appropriate.

15.2 Informal

Where the Employer has concerns about an Employee’s performance, the Employer will, wherever appropriate, deal with these concerns through informal discussions with the Employee when these concerns first arise. The Employer will provide a written record of the discussions to the Employee, including a clear outline of the concerns with the Employee’s performance, and support the Employee in rectifying the concerns. The Employee will be given a reasonable opportunity to address the performance concerns.

15.3 Formal

(a) Where the Employee’s work performance is not at an acceptable standard following the process in subclause 15.2 or it was not appropriate to deal with the concerns informally, the Employer may initiate a formal performance management process.

(b) The Employer will provide to the Employee in writing:

(i) details of the performance concerns including, where relevant, material that supports those concerns; and

(ii) notice of the Employee’s right to be represented by a Union or other representative.

(c) The Employer will:

(i) meet with the Employee and, where relevant, the Employee’s representative, to discuss the concerns;

(ii) ensure the Employee is provided with a reasonable opportunity to answer any concerns including a reasonable time to respond;

(iii) give genuine consideration to any response or matters raised by an Employee’s response; and

(iv) if a performance management plan is proposed, consult with the Employee and the Employee’s representative on the content of the plan.

(d) Where, having considered the Employee’s response, the Employer reasonably believes, based on the Employee’s performance, that a performance management plan is appropriate, the Employer will:
(i) provide the performance management plan to the Employee in writing following the consultation referred to at subclause 15.3(c)(iv) above, identifying which aspects of the Employee’s performance are unsatisfactory and the required level of performance which must be reasonable; and

(ii) provide the Employee with a reasonable opportunity to address any concerns over a reasonable time.

(e) The Employer will provide ongoing feedback on the Employee’s performance during this period, including if the Employee’s performance is not improving to a satisfactory standard, and will provide the Employee with all reasonable support, counselling and training.

15.4 Preceding Performance issue

Where a period of 12 months elapses without the Employee repeating the performance issue, the Employer cannot rely on the preceding performance issue for the purposes of this clause 15 or 16.

15.5 Disputes

A dispute over this clause 15 is to be dealt with in accordance with the Dispute Resolution Procedure of this Agreement (clause 14).

16. Managing Conduct and Performance

16.1 Application

(a) Except as provided at subclause 16.1(e), where an Employer has concerns about:

(i) the Conduct of an Employee; or

(ii) a Performance issue that may constitute Misconduct;

the following procedure must apply for the Employer to be able to take disciplinary action.

(b) There are two (2) steps in a disciplinary process under this clause 16 as follows:

(i) investigative procedure; and

(ii) disciplinary procedure.

(c) An Employee will be provided a reasonable opportunity to be represented at any time (including by a Union) with respect to all matters set out in this clause 16.

(d) The Employer will deal with and notify the Employee in accordance with subclause 16.3(b) as soon as practicable following the Employer becoming aware of the alleged concerns at subclause 16.1(a).

(e) Exception - Employees who have not completed a minimum period of employment with their Employer

Where an Employee has not completed a period of employment with their Employer of at least the minimum employment period defined at section 383 of
the Act, and the Employer is considering the termination of the Employee’s employment, the Employer will:

(i) provide the concerns in writing to the Employee as soon as practicable following the Employer becoming aware of the alleged concerns;

(ii) advise the Employee of their right to have a representative, including a Union representative, represent them;

(iii) other than in the case of Serious Misconduct, provide the Employee an opportunity to improve their Performance or Conduct;

(iv) meet with the Employee (and, where relevant, their representative); and

(v) consider any explanation by the Employee including any matters raised in mitigation before making a decision to terminate the employment.

The terms of subclauses 16.3 to 16.5 inclusive do not apply to Employees within the scope of the exception in this subclause 16.1(e).

16.2 Definitions

(a) **Conduct** means the manner in which the Employee behaviour impacts on their work.

(b) **Misconduct** means an Employee’s intentional or negligent failure to abide by or adhere to the standards of conduct reasonably expected by the Employer. A performance issue can be considered misconduct where, despite all reasonably practicable interventions by the Employer (including the Employer following the process in clause 15), the Employee is unable to fulfil all or part of their job requirements to a satisfactory level.

(c) **Performance** means the manner in which the Employee fulfils their job requirements. The level of performance is determined by an Employee’s knowledge, skills, qualifications, abilities and the requirements of the role.

(d) **Serious Misconduct** is as defined under the Act and that is both wilful and deliberate. Currently the Act defines serious misconduct, in part, as:

(i) wilful or deliberate behaviour by an Employee that is inconsistent with the continuation of the contract of employment;

(ii) conduct that causes serious and imminent risk to:

   A. the health or safety of a person; or

   B. the reputation, viability or profitability of the Employer’s business.

Conduct that is serious misconduct includes each of the following:

(iii) the Employee, in the course of the Employee’s employment, engaging in:

   A. theft;

   B. fraud;

   C. assault; or

   D. sexual harassment;
(iv) the Employee being intoxicated at work;
(v) the Employee refusing to carry out a lawful and reasonable instruction that is consistent with the Employee's contract of employment.

Subclauses 16.2(d)(iii) to 16.2(d)(v) do not apply if the Employee is able to show that, in the circumstances, the conduct engaged in by the Employee was not conduct that made employment in the period of notice unreasonable.

16.3 Investigative procedure

(a) Principles and the investigator

(i) The purpose of an investigative procedure is to conclude whether, on balance, concerns regarding Conduct or Performance are well-founded and supported by evidence. An investigation procedure must be fair including proper regard to procedural fairness and natural justice.

(ii) The investigator must act in good faith and without bias. Where a conflict of interest is identified, a different investigator may need to be appointed where it could be interpreted as prejudicing an investigation.

(iii) Where the Employee or their representative reasonably believe that it is appropriate for a different investigator to be appointed because the investigator cannot act in good faith and without bias because of a conflict of interest or other reason, the Employer will not unreasonably refuse to appoint a different investigator.

(iv) The investigator being an employee of the Employer is not, of itself, a conflict of interest that would exclude them from investigating.

(b) Process

The Employer will:

(i) inform the Employee in writing who will be conducting the investigation for the Employer and, in the event of a conflict of interest, how that conflict will be managed;

(ii) advise the Employee of the concerns and allegations in writing;

(iii) provide the Employee with any material which forms the basis of the concerns before seeking a response;

(iv) ensure the Employee is provided a reasonable opportunity to answer any concerns including a reasonable time to respond;

(v) advise the Employee of their right to have a representative, including a Union representative;

(vi) ensure that the reason for any interview is explained; and

(vii) take reasonable steps to investigate the Employee’s response.

(c) Where the Employer has complied with subclause 16.3(b)(i) to (vi) and the Employee does not dispute the concerns, the Employee may opt to decline in writing the opportunity to be interviewed.
(d) Where the Employee opts to decline the opportunity to be interviewed, subclause 16.4 still applies (including that an Employee may still raise matters under subclause 16.4(c) including matters in mitigation if a disciplinary procedure is proposed).

16.4 Procedure to address misconduct or serious misconduct

(a) This procedure applies if, following the investigation, the Employer reasonably considers that the Employee’s Conduct or Performance may warrant disciplinary steps being taken.

(b) The Employer will:

(i) notify the Employee and their representative in writing of the outcome of the investigation process, including the basis of any conclusion and details of the evidence the investigator relied upon to come to their conclusion;

(ii) meet with the Employee, except where the Employee declines; and

(iii) provide the Employee with a reasonable opportunity to provide information about the matters in subclause 16.4(c) including a reasonable time to respond.

(c) In considering whether to take disciplinary action, the Employer will consider:

(i) whether there is a valid reason related to the Conduct or Performance of the Employee arising from the investigation justifying disciplinary action;

(ii) whether the Employee knew or ought to have known that the Conduct or Performance was below acceptable standards; and

(iii) any explanation by the Employee relating to Conduct including any matters raised in mitigation.

16.5 Possible outcomes

(a) Where, after following the procedure in this clause 16, it is determined based on evidence that the Employee has engaged in Misconduct or Serious Misconduct and that disciplinary action is warranted, the Employer may take disciplinary action, which shall be recorded on the Employee’s personnel file, as follows:

(i) where the Performance or Conduct issue constitutes Misconduct but does not constitute Serious Misconduct, disciplinary action will be taken in accordance with the following steps:

A. counsel the Employee;

B. give the Employee a first written warning in the event that the Employee has been counselled within the previous 12 months for that course of Conduct or Performance issue. The Employer may also give the Employee a first written warning where the seriousness of the conduct is such that counselling the Employee under subclause 16.5(a)(i)A is not appropriate;

C. give the Employee a second written warning in the event that the Employee has previously been given a first warning within
the previous 12 months for that course of Conduct or Performance issue;

D. give the Employee a final written warning in the event that the Employee has previously been given a second written warning within the preceding 18 month period for that course of Conduct or Performance issue; and

E. terminate the Employee's employment with notice in the case of an Employee who repeats a course of Conduct or Performance issue for which a final warning was given in the preceding 18 months;

(ii) where the Performance or Conduct issue constitutes Serious Misconduct:

A. terminate the Employee’s employment without notice; or

B. alternatively, issue the Employee with a final warning without following the steps in subclauses 16.5(a)(i) above.

(b) The Employer's decision and a summary of its reasons will be notified to the Employee and their representative in writing.

(c) If after any warning or counselling, a period of 12 or 18 months elapses (as relevant) without the Employee repeating a course of Conduct or Performance issue for which the preceding warning or counselling was given, the Employer cannot rely on the preceding warning or counselling for the purpose of issuing a further warning, and all adverse reports relating to the warning or counselling must be removed from the Employee's personnel file.

16.6 Disputes

A dispute over the clause 16 (including subclause 16.5) is to be dealt with in accordance with the Dispute Resolution Procedure of this Agreement.
17. Types of Employment

17.1 Employees under this Agreement may be employed in any one (1) of the following categories:

(a) full-time employment (clause 18);
(b) part-time employment (clause 19);
(c) fixed term employment (clause 22); or
(d) casual employment (clause 20).

17.2 At the time of engagement the Employer will inform each Employee of the terms of their engagement, and in particular, whether they are to be full-time, part-time, fixed term or casual Employees.

17.3 The Employer will give preference to ongoing forms of employment over casual and fixed term employment wherever possible.

17.4 Where an Employee holds more than one (1) position covered by this Agreement with an Employer:

(a) the Employee (or representative) may, where they believe that having regard for the circumstances, the positions could be consolidated into a single position, request that this occur and the Employer can only refuse on reasonable business grounds;

(b) the Employer will ensure that the EFT of all the positions combined is no more than 1.0;

(c) the terms of:
   (i) Clause 47 – Hours of Work;
   (ii) Clause 48 – Accrued Days Off;
   (iii) Clause 52 – Overtime;

shall apply to the Employee’s employment with the Employer as though the positions were one (1) position. This includes the limits for ordinary hours as provided by subclauses 47.1 and 47.2 (a maximum of eight (8) ordinary hours, or by agreement up to ten (10) ordinary hours, per shift).

(d) the positions will be considered one (1) position for the purposes of accrual and access to leave under this Agreement and the NES, and the following:
   (i) Clause 32 – Accident Pay;
   (ii) Clause 36.1 – Meal Allowance;
   (iii) Clause 34 – Sole Allowance;
   (iv) Clause 35 - Higher Qualifications Allowance.
17.5 The Employer shall not engage an Employee in more than one (1) position for the purpose of avoiding entitlements under this Agreement.

17.6 Where an Employee holds more than one (1) position under more than one (1) enterprise agreement but the positions can fall within the scope of the Agreement the Employee (or representative) may, where they believe that the positions could be consolidated into a single position, request that this occur. The Employer can only refuse the request on reasonable business grounds.

17.7 Where an Employee holds more than one (1) position, including a position under another enterprise agreement, nothing in this clause 17 limits the ability of the Employee to dispute whether that position should be covered by this Agreement.

18. **Full-Time Employment**

An Employee who is required by the Employer to work full-time and is ready, willing and available to work the full number of hours as required by the Employer, will be paid the full weekly wage as prescribed by the Agreement irrespective of the number of hours worked not exceeding 38. Clause 47 (Hours of Work) and clause 48 (Accrued Days Off) also deal with the manner in which a full-time Employee works their hours.

19. **Part-Time Employment**

19.1 A part-time Employee is an Employee who:

(a) works less than full-time hours of 38 per week (or less than 76 hours in a fortnight) and;

(b) has reasonably predictable hours of work.

19.2 **Minimum Engagement**

The minimum period of engagement of a part-time Employee is three (3) hours per ordinary shift.

19.3 **Pattern of work**

(a) Before a person commences part-time employment, the Employer and the future part-time Employee will agree in writing on the following matters:

(i) a regular pattern of work, specifying at least the hours worked each day;

(ii) which days of the week the Employee will work; and

(iii) the actual starting and finishing times each day.

(b) The Employer will ensure that the Employee’s letter of offer required to be provided in accordance with clause 23 and Appendix 5 includes the agreed information in subclauses 19.3(a)(i) to (iii).

(c) Any variation to the regular pattern of work must be by agreement between the Employer and the Employee and will be recorded in writing.

19.4 **Additional Ordinary Hours for Part Time Employees by agreement only**

(a) A part time Employee cannot be required to work additional ordinary hours except by agreement.
(b) An offer of additional hours to a part time Employee at the applicable ordinary time rates for the time worked, must be within the limits prescribed by this Agreement.

(c) A part-time Employee is entitled to decline an offer of additional ordinary hours.

(d) Where a part-time Employee is directed by the Employer to work reasonable additional hours or works hours in excess of 38 in a week, an average of 38 hours a week or the limits prescribed by the Agreement, overtime rates will apply.

(e) In the event of a dispute as to whether a part time Employee agreed to work additional ordinary hours, evidence of that agreement must be in writing, such as an email, text or other electronic message, otherwise the additional hours must be paid as overtime.

19.5 Part-Time Review of Hours

(a) Where over a period of 26 weeks or more a part-time Employee regularly and systematically works more than their contracted hours, the Employer or the Employee may request in writing a contract variation reflecting that the Employee’s hours have increased on a permanent basis (including conversion to a full-time Employee). Such a request will not be unreasonably refused by the Employer.

(b) Where the Employer makes the request under subclause 19.5(a), at the time of making the request the Employer will also notify the Employee in writing of their obligations under this subclause 19.5.

(c) An Employee will not be considered to be regularly and systematically rostered if the shifts the Employee has been working are replacing an absent Employee (for example parental leave, long service leave, workers’ compensation or personal leave) or a temporary flexible work arrangement.

(d) A written response will be provided no later than 21 days from the date of a request (by either an Employee or Employer) If the Employee fails to give the Employer a written response in accordance with this subclause 19.5(d), the Employee is deemed to have provided a response declining the offer.

(e) Where the request is refused by the Employer:

   (i) the written response will include reasons for the refusal;
   (ii) an Employee may request that the Employer provides any evidence relied upon in making a determination under this subclause 19.5; and
   (iii) where a dispute arises in relation to the response by the Employer it will be dealt with in accordance with Clause 14 (Dispute Resolution Procedure).

(f) Where the request is granted the Employee will be provided with a variation by the Employer setting out the revised employment arrangements reflecting those hours worked on a regular and systematic basis as described in subclauses 19.5(a) and (c) above or as otherwise agreed.

19.6 Entitlements
The terms of this Agreement apply to part-time Employees (except where a clause explicitly states that it does not apply to part-time Employees), on the basis that the ordinary weekly hours for full-time Employees are 38, including:

(a) payment at an hourly rate equal to 1/38th of the weekly rate appropriate for the Employee’s classification; and

(b) accrued paid leave, Family Violence Leave and Professional Development Leave on a pro rata basis, including on any additional ordinary hours.

20. Casual Employment

20.1 A casual Employee is one who is engaged in relieving work or work of a casual nature and whose engagement is terminable by the Employer in accordance with the Employer’s requirements, without the requirement of prior notice by either the Employer or the Employee, but does not include an Employee who could properly be classified under clause 18 - Full-time employment, clause 19 - Part-time employment or clause 22 - Fixed term employment.

20.2 Conversion to permanent employment

(a) Where an Employee has been engaged as a casual Employee but is not engaged in relieving work or work of a casual nature, where requested by the Employee, the Employer will convert the Employee to part time or full time employment (whichever is applicable), and the Employee’s period of service as a casual Employee counts as part time or full time service for the purpose of:

(i) transfer of business under clause 11;

(ii) termination of employment under clause 24 (see subclause 24.2);

(iii) calculating a severance payment upon redundancy under clause 25;

(iv) the rate of personal leave accrual at subclause 62.1 save that the Employer is not required to credit the Employee with leave for the period they were engaged as a casual;

(v) parental leave under clause 70;

(vi) long service leave under clause 72; and

(vii) eligibility to request flexible working arrangements under clause 96.

(b) Where there is a dispute about:

(i) whether the Employee is engaged in relieving work or work of a casual nature or not; and/or

(ii) when the Employee ceased to be engaged in relieving work or work of a casual nature;

the Dispute Resolution Procedure at clause 14 will be utilised.

20.3 Minimum engagement

The minimum period of engagement of a casual Employee is three (3) hours per ordinary shift.
20.4 Payments
A casual Employee will be paid for all work, other than for overtime (see subclause 52.7 for casual overtime provisions), performed on a:

(a) weekday an amount equal to 1/38th of the weekly wage appropriate to the Employee’s classification per hour plus 25%;

(b) Saturday or Sunday an amount equal to 1/38th of the weekly wage appropriate to the Employee’s classification per hour plus 75%; and

(c) public holiday an amount equal to 1/38th of the weekly wage appropriate to the Employee’s classification per hour plus 175%.

20.5 In addition a casual Employee will be entitled to receive the appropriate uniform and other allowances contained in this Agreement.

20.6 The provisions of clause 24 (Termination of Employment), clause 59 (Annual Leave), and clause 62 (Personal/Carer’s Leave) except in so far as it expressly applies to casual Employees, will not apply in the case of a casual Employee.

20.7 The list in subclause 20.4 is not intended to be exhaustive and relevant clauses should be referred to in order to determine any casual entitlement.

21. Casual Conversion

21.1 Employer offers
(a) Subject to subclause 21.2, an Employer must make an offer to a casual Employee under this clause 21 if:

(i) the casual Employee has been employed by the Employer for a period of 12 months beginning the day the employment started; and

(ii) during at least the last six (6) months of that period, the Employee has worked a regular pattern of hours on an ongoing basis which, without significant adjustment, the Employee could continue to work as a full-time Employee or a part-time Employee (as the case may be).

(b) The Employer’s offer under subclause 21.1(a) must:

(i) be in writing; and

(ii) be an offer for the Employee to convert:

A. for an Employee that has worked the equivalent of full-time hours during the period referred to in subclause 21.1(a)(ii) – to full-time employment; or

B. for an Employee that has worked less than the equivalent of full-time hours during the period referred to in subclause 21.1(a)(ii) – to part-time employment that is consistent with the regular pattern of hours worked during that period;

(iii) be given to the Employee within 21 days after the end of the 12-month period referred to in subclause 21.1(a)(i).

21.2 When Employer offers not required
(a) Despite subclause 21.1, an Employer is not required to make an offer under subclause 21.1 to a casual Employee if:

(i) there are reasonable grounds not to make that offer; and

(ii) the reasonable grounds are based on facts that are known, or reasonably foreseeable, at the time of deciding not to make the offer.

(b) Without limiting subclause 21.2(a)(i), reasonable grounds for deciding not to make an offer include the following:

(i) the Employee's position will cease to exist in the period of 12 months after the time of deciding not to make the offer;

(ii) the hours of work which the Employee is required to perform will be significantly reduced in that period;

(iii) there will be a significant change in either or both of the following in that period:

   A. the days on which the Employee's hours of work are required to be performed;

   B. the times at which the Employee's hours of work are required to be performed;

   which cannot be accommodated within the days or times the Employee is available to work during that period;

(iv) making the offer would not comply with a recruitment or selection process required by or under a law of the Commonwealth or a State or a Territory.

(c) The Employer must give written notice to a casual Employee in accordance with subclause 21.2(d) if:

(i) the Employer decides under subclause 21.2(a) not to make an offer to the Employee; or

(ii) the Employee has been employed by the Employer for the 12-month period referred to in subclause 21.1(a)(i) but does not meet the requirement referred to in subclause 21.1(a)(ii).

(d) The notice must:

(i) advise the Employee that the Employer is not making an offer under subclause 21.1;

(ii) include the details of the reasons for not making the offer (including any grounds on which the Employer has decided to not make the offer); and

(iii) be given to the Employee within 21 days after the end of the 12-month period referred to in subclause 21.1(a)(i).

21.3 Employee response

(a) The Employee must give the Employer a written response to the offer made under subclause 21.1(a) within 21 days after the offer is given to the Employee, stating whether the Employee accepts or declines the offer.
(b) If the Employee fails to give the Employer a written response in accordance with subclause 21.3(a), the Employee is taken to have declined the offer.

21.4 Acceptances of offers

(a) If the Employee accepts the offer, the Employer must, within 21 days after the day the acceptance is given to the Employer, give written notice to the Employee of the following:

(i) whether the Employee is converting to full-time employment of part-time employment;

(ii) the Employee’s hours of work after the conversion takes effect; and

(iii) the day the Employee’s conversion to full-time or part-time employment takes effect.

(b) However, the Employer must discuss with the Employee the matters the Employer intends to specify for the purposes of subclause 21.4(a)(i)-(iii) before giving the notice.

(c) The day specified for the purposes of subclause 21.4(a)(iii) must be the first day of the Employee’s first full pay period that starts after the day the notice is given, unless the Employee and Employer agree to another day.

21.5 Employee requests

(a) A Casual Employee may make a request of an Employer under this subclause 21.5 if:

(i) the Employee has been employed by the Employer for a period of at least 6 months beginning the day the employment started;

(ii) the Employee has, in the period of 6 months ending the day the request is given, worked a regular pattern of hours on an ongoing basis which, without significant adjustment, the Employee could continue to work as a full-time Employee or part-time Employee (as the case may be); and

(iii) all of the following apply:

A. the Employee has not, at any time during the period referred to in subclause 21.5(a)(ii), refused an offer made to the Employee under subclause 21.1;

B. the Employer has not, at any time during that period, given the Employee a notice in accordance with sub-clause 21.2(c)(i);

C. the Employer has not, at any time during that period, given a response to the Employee under subclause 21.6 refusing a previous request made under this subclause 21.5;

D. the request is not made during the period of 21 days after the period referred to in subclause 21.1(a)(i).

(b) The request must:

(i) be in writing;

(ii) be a request for the Employee to convert:
A. for an Employee that has worked the equivalent of full-time hours during the period referred to in subclause 21.5(a)(ii) – to full-time employment; or

B. for an Employee that has worked less than the equivalent of full-time hours during the period referred to in subclause 21.5(a)(ii) – to part-time employment that is consistent with the regular pattern of hours or shifts worked during that period; and

(iii) be given to the Employer.

21.6 Employer must give a response

The Employer must give the Employee a written response to the request made under subclause 21.5 within 21 days after the request is given to the Employer, stating whether the Employer grants or refuses the request.

21.7 Refusals of requests

(a) The Employer must not refuse the request unless:

(i) the Employer has consulted the Employee;

(ii) there are reasonable grounds the refuse the request; and

(iii) the reasonable grounds are based on facts that are known, or reasonably foreseeable, at the time of refusing the request.

(b) Without limiting subclause 21.7(a)(ii), reasonable grounds for refusing a request include the following:

(i) it would require a significant adjustment to the Employee’s hours of work in order for the Employee to be employed as a full-time Employee or part-time Employee;

(ii) the Employee’s position will cease to exist in the period of 12 months after giving the request;

(iii) the hours of work which the Employee is required to perform will be significantly reduced in the period of 12 months after giving the request;

(iv) there will be a significant change in either or both of the following in the period of 12 months after giving the request:

A. the days on which the Employee’s hours of work are required to be performed;

B. the times at which the Employee’s hours of work are required to be performed;

which cannot be accommodated within the days or times the Employee is available to work during that period;

(v) granting the request would not comply with a recruitment or selection process required by or under a law of the Commonwealth or a State or a Territory.

(c) If the Employer refuses the request, the written response under subclause 21.6 must include details of the reasons for the refusal.
21.8 Grants of requests

(a) If the Employer grants the request made under subclause 21.5, the Employer must, within 21 days after the day the request is given to the Employer, give written notice to the Employee of the following:

(i) whether the Employee is converting to full-time employment or part-time employment;

(ii) the Employee’s hours of work after the conversion takes effect; and

(iii) the day the Employee’s conversion to full-time or part-time employment takes effect.

(b) However, the Employer must discuss with the Employee the matters the Employer intends to specify for the purposes of subclause 21.8(a)(i)-(iii) before giving the notice.

(c) The day specified for the purposes of subclause 21.8(a)(iii) must be the first day of the Employee’s first full pay period that starts after the day the notice is given, unless the Employee and Employer agree to another day.

(d) To avoid doubt, the notice may be included in the written response under subclause 21.6

21.9 Effect of conversion

(a) An Employee is taken, on and after the day specified in a notice for the purposes of subclauses 21.4(a)(iii) or 21.8(a)(iii) to be a full-time Employee or a part-time Employee of the Employer for the purposes of the following:

(i) the Act and any other law of the Commonwealth;

(ii) a law of a state or territory;

(iii) the Agreement; and

(iv) the Employee’s contract of employment.

21.10 Other rights and obligations

(a) The Employer must not reduce or vary an Employee’s hours of work, or terminate an Employee’s employment, in order to avoid any right or obligation under this clause 21.

(b) Nothing in this clause 21:

(i) requires an Employee to convert to full-time employment or part-time employment;

(ii) permits an Employer to require an Employee to convert to full-time employment or part-time employment;

(iii) requires an Employer to increase the hours of work of an Employee who requests conversion to full-time employment or part-time employment under this clause 21.
22. **Fixed Term Employment**

22.1 An Employee may only be employed on a fixed term basis where it is genuine fixed term employment as defined in subclauses 22.2 and 22.3.

22.2 Genuine fixed term employment is:

(a) where the role is for a specific period or purpose and for one of the reasons set out at subclause 22.3; and

(b) is not where recurrent funding for the role may end or for a reason other than one specified at subclause 22.3 below.

22.3 Genuine fixed term employment can only be offered for the following purposes:

(a) research projects which, for the purpose of this clause 22 means:

(i) there is a definable work activity which has a starting time and which is expected to be completed within an anticipated timeframe;

(ii) the funding for the research project does not come from recurrent funding; and

(iii) there is no pattern of additional funding being provided or made available to extend the research project;

(b) special projects. Indicative examples of special projects are:

(i) Specific, Timely Assessment and Triage project (the STAT project), a National Health and Medical Research Council (NHMRC) funded project looking at reducing waiting times;

(ii) Language and Literacy project;

(iii) Organisational Compliance projects such as those arising from findings of the Royal Commission into Family Violence where Employers must comply with several recommendations within a time specified time frame;

(c) backfilling an on-going Employee who has been temporarily seconded to another role;

(d) graduate year positions;

(e) replacing other Employees who are absent:

(i) on leave (including parental, long service or sick leave);

(ii) on WorkCover; or

(iii) by a flexible work arrangement;

(f) any other genuine fixed term arrangement agreed to by the Union at its discretion.

22.4 Nothing in this clause 22 requires an Employer to use fixed term employment for the purposes listed in subclause 22.3.

22.5 Appointment
In the letter of offer, the Employer will advise the Employee in writing of the reason the role is genuine fixed term employment, the duration of the fixed term and the rights of an incumbent Employee (if relevant).

### 22.6 Duration of a fixed term contract

A contract for genuine fixed term employment cannot be for a period greater than two (2) years unless:

(a) otherwise agreed to by the Union at its discretion; or

(b) in the case of Peter MacCallum Cancer Institute, the genuine fixed term employment is for a research project as described at subclause 22.3(a), the funding for the project comes from the NHMRC and is for a period of at least 3 years, in which case the contract cannot be for a period greater than three (3) years.

### 22.7 Further contract where role continues

Where the role that is subject to the genuine fixed term employment will continue beyond the end of the contract, the Employer may offer to extend the fixed term employment for that role by a further contract where it:

(a) is still genuine fixed term employment as described at subclause 22.2 and is appropriate in all the circumstances;

(b) is still for a purpose listed at subclause 22.3; and

(c) does not exceed two (2) years (or three (3) years in accordance with subclause 22.6(b)) or, when any preceding contract is also taken into account, does not result in the appointment exceeding 5 years in total as described at subclause 22.11(a)(ii).

**Example 1**

An Employee is engaged on a fixed term basis of 12 months as a parental leave replacement. Just prior to the end of the 12 month period, the incumbent Employee resigns. That is, the Employee on a fixed term contract is no longer replacing another Employee. Under these circumstances, the Employee engaged on a fixed term basis will not have the fixed term extended for a further period other than on a short term basis to allow the Employer to recruit to the role.

**Example 2**

An Employee is engaged on a fixed term basis of 2 years as a parental leave replacement. The incumbent applies for a further period of parental leave for another child. Under these circumstances, the Employer may offer to extend the fixed term appointment by a further contract.

### 22.8 Where an Employer proposes to offer an additional contract to extend employment in a role in accordance with subclause 22.7 which, if accepted, would result in an Employee being engaged in that role on a fixed term basis for more than two (2) years (or three (3) years in accordance with subclause 22.6(b))
in total, the Employer will, not less than one (1) month prior to the scheduled expiration of the fixed term contract, write to the Employee stating:

(a) that the role will continue beyond the fixed term and the Employer proposes to extend the fixed term appointment by offering a further contract;

(b) the period of the proposed further contract;

(c) why the Employer considers the further fixed term appointment is genuine fixed term employment (within the meaning of this clause 22) and is appropriate in all the circumstances;

(d) that:
   (i) the Employee is entitled to discuss the offer of a further contract with their representative which may be the Union; and
   (ii) the Union covered by this Agreement will be notified of the proposed extension of the fixed term appointment but that personal information will not be disclosed; and

(e) that if the Employee or their representative (including the Union) disputes that the proposed contract is for genuine fixed term employment, either is entitled to notify a dispute under clause 14 (Dispute Resolution Procedure) of this Agreement.

22.9 Where an Employer proposes to offer an additional contract to extend employment in a role in accordance with subclause 22.7 which, if accepted, would result in an Employee being engaged in that role on a fixed term basis for more than 2 years (or three (3) years in accordance with subclause 22.6(b)) in total, not less than one (1) month prior to the scheduled expiration of the fixed term, the Employer will write to the Union stating:

(a) the information described at subclause 22.8(a), (b) and (c); and

(b) the classification, grade and Department/area of the genuine fixed term employment and the length of the fixed term appointment in total;

but will not disclose the personal information of the Employee without the Employee’s consent.

22.10 Where the Employer proposes a further contract to extend a fixed term employment in accordance with subclause 22.7 the Employer will, where requested by the Employee or the Union, meet to discuss the proposed extension of the fixed term employment by a further contract and provide the Employee and/or the Union with any relevant information relating to why the proposed extended fixed term employment is genuine fixed term employment.

22.11 Conversion to permanent employment

(a) If:
   (i) the period of fixed term contract exceeds two (2) years (or three (3) years in accordance with subclause 22.6(b)) unless otherwise agreed to by the Union in accordance with subclause 22.6;

   (ii) an Employee’s total period of fixed term employment (where there has been more than one fixed term contract) exceeds five (5) years;
(iii) the Employee engaged pursuant to this clause 22 is re-engaged within thirteen weeks (including the total period of accrued annual leave paid on termination);

(iv) in engaging a fixed term Employee or extending the fixed term engagement the Employer does not comply with this clause 22 or, in the case of the timeframes at subclauses 22.8 and 22.9, does not substantially comply with those timeframes; or

(v) the Employer has employed the Employee on more than five (5) fixed term contracts;

the Employee will be deemed to have been originally employed under clause 18 - Full-time employment, or clause 19 - Part-time employment.

(b) For the purpose of this subclause 22.11, does not substantially comply means that the Employer’s failure to adhere to the prescribed timeframes is such that either or both the Employee and the Union cannot:

(i) give proper consideration to;

(ii) consult with the other on; and

(iii) seek advice on;

the proposed extension of fixed term employment and be satisfied that the fixed term employment offered is genuine fixed term employment within the meaning of this Agreement.

22.12 Separate fixed term positions

The provisions of subclauses 22.8 and 22.9 do not apply where an Employee applies for separate fixed term positions.

22.13 Anti-avoidance

Separate fixed term positions means positions that are genuine fixed term employment within the meaning of subclause 22.3 and which are genuinely separate and distinct, and does not include a single position that has been amended from one contract to the next.

22.14 Consideration of Fixed Term employment

The Employer will consider whether it could utilise a permanent reliever rather than a fixed term Employee for long term leave relief.

22.15 Graduates

Employees will be provided with ongoing employment following completion of their graduate year positions, where it is appropriate in all the circumstances and a suitable vacancy exists.

22.16 Entitlements for fixed term employment

Employees engaged on a fixed term basis pursuant to this clause 22 will receive the pay, entitlements and other conditions a full-time Employee receives where their work accords with clause 18 (Full-Time Employment), otherwise they will
receive the pay, entitlements and other conditions provided for a part-time Employee under clause 19.

23. **Letter of Offer**

23.1 Before each new Employee commences employment, the Employer will provide each Employee with a letter of offer including the information set out in Appendix 5.

23.2 Before an existing Employee commences employment in a new role or an appointment is varied, the Employer will provide the Employee with a new letter of offer/contract of employment, or variation to their letter of offer/contract of employment, in writing.

24. **Termination of Employment**

*NOTE: this clause 24 only applies to full-time and part-time Employees unless otherwise indicated.*

24.1 In the event of termination of employment, four (4) weeks’ written notice must be given by the Employer.

24.2 The notice required by subclause 24.1 will be increased by one (1) week if the Employee is over 45 years of age and has completed at least two (2) years of continuous service.

24.3 An Employer may make payment in lieu of notice for part or all of the notice period. The payment in lieu of notice must equal or exceed the total of all amounts that the Employer would have paid had the Employee’s employment continued until the end of the required notice period, including superannuation. That payment must be calculated on the basis of:

(a) the Employee’s ordinary hours of work (even if not standard hours);

(b) the amounts ordinarily payable to the Employee in respect of those hours, including (for example) allowances, loading and penalties; and

(c) any other amounts payable under the Employee’s contract of employment.

24.4 An Employee (including a fixed term Employee) may terminate their employment by providing four (4) weeks’ notice to the Employer in writing. Subject to financial obligations imposed on the Employer by any legislation, if an Employee fails to give notice the Employer will have the right to withhold monies due to the Employee with a maximum amount equal to the ordinary time rate of pay for the period of notice not provided by the Employee.

24.5 Subclauses 24.1 to 24.3 do not affect an Employer’s right to terminate an Employee’s employment without notice for serious misconduct (as defined for the purposes of the Act).

24.6 Subclause 48.4 deals with payments or deductions related to ADOs upon termination.
24.7 Where the Employer has given notice of termination to an Employee, an Employee will be allowed:

(a) if the termination is a result of redundancy, up to one (1) day off without loss of pay during each week of notice for the purpose of seeking other employment; or

(b) if the notice of termination is for any reason other than redundancy, up to one (1) day off without loss of pay for the purpose of seeking other employment at times that are convenient to the Employee after consultation with the Employer.

redeployment during the Redeployment Period.

(a) Employee to be advised in writing
The Affected Employee must be advised in writing of:

(i) the date the Affected Employee’s role is to be redundant;

Example

Due to a change in services offered, the Employer is reducing the number of Physiotherapists it employs from 10 to five (5). In a ‘spill and fill’, the Employer will consider the Affected Employees for the new roles and will only consider other applicants if the Affected Employees do not fill the five (5) vacant positions.

(c) Employee obligations

The Affected Employee must actively participate in the redeployment process including:

(i) identifying appropriate retraining needs;

(ii) developing a resume/CV to assist in securing redeployment; and

(i) theory training relevant to the clinical area or environment of the role into which the Affected Employee is to be redeployed;

(ii) a defined period of up to 12 weeks in which the Affected Employee works in a supernumerary capacity;

(iii) support from educational staff in the clinical environment; and

(iv) a review at 12 weeks or earlier to determine what, if any, further training is required.

(h) Where no redeployment available

If at any time during the Redeployment Period it is agreed that it is unlikely that the Affected Employee will be successfully redeployed, the Affected Employee may accept a redundancy package. Where this occurs, the Affected Employee will be entitled to an additional payment of the lesser of 13 weeks or the remaining Redeployment Period.

(i) Non-Comparable Role

An Affected Employee may agree to be redeployed to a role that is not a Comparable Role.

25.4 Support to Affected Employees

(iii) removes eligibility for penalties, loadings and the like.

(b) **Period of Salary Maintenance**

Salary Maintenance will be for a period of 52 weeks from the date the Affected Employee is redeployed except where the Affected Employee:

(i) accepts another position within the Salary Maintenance period; and
(ii) is paid in the other position an amount equal to or greater than the role that was made redundant.

25.6 **Preservation of accrued leave**

An Affected Employee entitled to Salary Maintenance will have:

(a) the long service leave and annual leave they have accrued prior to the redeployment preserved. Specifically, the value of the leave and the number of hours accrued immediately prior to redeployment will not be reduced as a result of redeployment; and

(b) the number of hours of personal leave they have accrued prior to redeployment preserved.

25.7 **Relocation**

(a) **Employer to advise in writing of Relocation**

As soon as practicable but no less than seven (7) days after a decision is made by the Employer to temporarily or permanently relocate an Affected Employee, the Employer will advise the Affected Employee in writing of the decision, the proposed timing of the Relocation and any other alternatives available to the Affected Employee. In addition, the Employer will:

(i) ensure the Relocation is a Reasonable Distance, unless otherwise agreed;

(ii) ensure that the Affected Employee is provided with information on the new location’s amenities, layout and local operations prior to the Relocation; and

(iii) consult with the Union or other nominated Employee representative regarding the content of such information.

(b) **Entitlement to relocation allowance**

An Affected Employee is entitled to a relocation allowance where permanent or temporary Relocation results in additional cost to the Affected Employee for travel and/or other expenses.

(c) **Employee to provide written estimate**
The Affected Employee must make written application to the Employer with a written estimate of the additional travelling cost and other expenses for the period of redeployment up to a maximum of 12 months.

(d) Payment

(i) The Employer will pay the Affected Employee a relocation allowance of up to $1900.00 based on the written estimate of the Affected Employee referred to at subclause 25.7(c) where the Employer accepts the estimate represents the additional cost to the Affected Employee. The Employer will only refuse to accept the estimate represents the additional cost to the Affected Employee where the Employer has evidence that the estimate does not represent the additional cost to the Affected Employee. The allowance shall be paid as a lump sum.

Example 1

The Employee provides the Employer with a written estimate of the additional travelling cost and other expenses for the period of redeployment up to a maximum of 12 months of $3,000. The Employer does not have evidence that the estimate does not represent the additional cost to the Affected Employee. The Employer will pay a relocation allowance of $1,900 to the Employee as a lump sum.

Example 2

The Employee provides the Employer with a written estimate of the additional travelling cost and other expenses for the period of redeployment up to a maximum of 12 months of $1,000. The Employer does not have evidence that the estimate does not represent the additional cost to the Affected Employee. The Employer will pay a relocation allowance of $1,000 to the Employee as a lump sum.

(ii) When considering the Affected Employee’s estimate, the Employer may have regard to the Reasonable Distance.

(iii) In the event of a dispute about the Affected Employee’s estimate it will be resolved under clause 14 (Dispute Resolution Procedure).

(e) Exceptions

(f) Fixed term Employees not excluded

An Affected Employee on a fixed term contract who is relocated will be covered by the terms of this clause 25 for the duration of the fixed term contract.

25.8 Employment terminates due to Redundancy

The Victorian Government’s policy with respect to public sector redundancy and the entitlements upon termination of employment as a result of Redundancy are
set out in the *Public Sector Workplace Relations Policies 2015*. The policy as at the time this Agreement comes into operation applies to Employees but does not form part of this Agreement.

25.9 **Exception to application of Victorian Government’s policy with respect to severance pay**

Where the Affected Employee’s Employer secures for them a Comparable Role (as defined) with another Employer covered by this Agreement, which:

(a) is within a Reasonable Distance of the work site of the redundant position;

(b) provides Continuity of Service;

(c) where the Comparable Role results in a loss of income, the salary maintenance at subclause 25.5 will be applied; and

(d) where relevant, is consistent with the financial and other support provided to an internal redeployee;

the Employee will be considered successfully redeployed as though the employment was with the same Employer and no severance pay will apply.

26. **Ending Employment During Parental Leave**

26.1 **Communication during parental leave – organisational change**

(a) **Organisational Change - consultation**

Where an Eligible Employee (as defined in subclause 70.2) is on parental leave and the Employer proposes a change that will have a Significant Effect within the meaning of clause 13 (Consultation) of this Agreement on the Eligible Employee, including their pre-parental leave position, the Employer will comply with the requirements of clause 13 (Consultation) which include but are not limited to providing:

(i) information in accordance with subclause 13.4; and

(ii) an opportunity for discussions with the Eligible Employee and, where relevant, the Eligible Employee’s representative in accordance with subclause 13.6.

Where the organisational change may result in the Eligible Employee’s position being made redundant, the provisions in subclause 26.2 will also apply.

(b) **Other significant matters**

The Eligible Employee will endeavour to take reasonable steps as soon as practicable to inform the Employer about any significant matter that arises whilst the Eligible Employee is on parental leave that will affect the Eligible Employee’s decision regarding:

(i) the duration of parental leave to be taken;

(ii) whether the Eligible Employee intends to return to work; and

(iii) whether the Eligible Employee intends to request to return to work on a part-time basis.
(c) **Change of address**

The Eligible Employee will also notify the Employer of changes of address or other contact details which might affect the Employer’s capacity to comply with subclause 26.1.

### 26.2 Redundancy – proposed termination of Employment

**(a) Employer to write to Employee**

Where, following the consultation in clause 13, an Eligible Employee is on parental leave when the Eligible Employee’s role is declared redundant, the Employer will inform the Eligible Employee in writing of the following:

(i) that the Eligible Employee is entitled to return to an available position for which the Eligible Employee is qualified and suited nearest in status and pay to the pre-parental leave position;

(ii) any available position/s for which the Employer believes the Eligible Employee may be qualified and suited, including those nearest in status and pay to the pre-parental leave position; and

(iii) In the event that:

   A. the available position for which the Employee is qualified and suited nearest in status and pay to the pre-parental leave position is not a Comparable Role within the meaning of subclause 25.2(b); or

   B. there is no available position as described at subclause 26.2(a)(iii)A;

   the Eligible Employee may:

   (1) continue the employment by electing to defer the commencement of the redeployment period in subclause 25.3 for the period of parental leave, including any extension agreed under subclause 70.14 (although nothing in this clause 26 stops a Comparable Role from being identified during parental leave, before the redeployment period); or

   (2) consent to the termination of employment when the position is made redundant and receive the redundancy entitlements in accordance with subclause 25.8;

(iv) in the event that the Eligible Employee is informed by the Employer of a Comparable Role, the consequences under subclause 25.3(d)(Rejecting a Comparable Role) of not accepting a Comparable Role; and

(v) that the Eligible Employee is entitled to a representative which may be a Union representative.

**(b) Eligible Employee to advise Employer in writing**

(i) The Eligible Employee will advise the Employer in writing whether:
A. the Eligible Employee consents to the proposed termination of employment during the period of parental leave due to redundancy;

B. where applicable, the Eligible Employee accepts redeployment into the available position for which the Eligible Employee is qualified and suited nearest in status and pay to the pre-parental leave position; or

C. the Eligible Employee elects to defer the commencement of the redeployment period in subclause 25.3 (Redeployment) for the duration of parental leave;

(ii) within fourteen days of receiving the Employer’s written advice outlined at subclause 26.2(a) or if that is not practicable, as soon as practicable.

(iii) The Employee will not be in breach of subclause 26.2(b)(i) if a failure to respond is reasonable in the circumstances.

(iv) At any time during the parental leave the Eligible Employee may advise the Employer in writing that they consent to the proposed termination of employment during the period of parental leave due to redundancy.

(c) Eligible Employee elects to remain employed
Where the Eligible Employee does not consent to the proposed termination of employment during the period of parental leave due to redundancy, the parties (or representatives, which may be the Union) will discuss and agree how the Employer will communicate with the Employee during parental leave to maximise the likelihood of the Employee being offered a Comparable Role.

(d) Comparable Role does not affect length of parental leave
Where a Comparable Role or other position is accepted by the Employee the Employer will redeploy them to that role or position. In such a circumstance, the Employer will not require the Eligible Employee to vary the length of the parental leave and the Employee’s right to request an extension to parental leave under subclause 70.14 is not affected.

Example:
An Eligible Employee’s role is made redundant six (6) months through a 12-month period of parental leave. The Eligible Employee elects to defer the commencement of the redeployment period. A Comparable Role is accepted by the Eligible Employee. The Eligible Employee is entitled to return to the Comparable Role at the end of the 12-month parental leave period or a longer or shorter period as agreed. The Employer may fill the Comparable role on a temporary basis (such as fixed term) until the end of the Eligible Employee’s parental leave.

(e) No Comparable Role by the end of parental leave
(i) Where the Eligible Employee has not accepted a Comparable Role or other position before the conclusion of parental leave:

A. the Employer will advise the Eligible Employee in writing of any
available positions for which the Employee is qualified and suited, including those nearest in status and pay to the pre-parental leave position even if it is not a Comparable Role; and

B. the Employer will state whether, in its view, the available position is a Comparable Role.

(ii) Where the Eligible Employee does not wish to exercise the right to return to the available position, the Eligible Employee may elect to commence the redeployment period in subclause 25.3 or terminate the employment on the basis of redundancy.

(f) Calculation of payments

(i) Where an Eligible Employee’s employment is terminated, in accordance with this clause 26, prior to returning to work from parental leave, any severance pay (including notice) and any other amount owing to the Employee will be based on the higher of:

A. the position the Eligible Employee held immediately before proceeding on parental leave; or

B. in the case of an Eligible Employee who transferred to a safe job pursuant to subclause 70.16, the position they held immediately before such transfer;

calculated at the hourly rate at the time the termination takes effect.

Example:
An Eligible Employee works 30 hours a week (Job A) prior to transferring to a safe job which is at a lower pay rate and is for only 25 hours a week (Job B). A wage increase occurs during the parental leave. Redundancy is calculated on the basis of Job A’s rate of pay as increased during the period of parental leave and its greater number of hours per week.

(ii) In the event that the Eligible Employee consents to the termination of employment due to redundancy during paid parental leave, the Eligible Employee will receive the full amount of paid parental leave and superannuation under subclauses 70.7 and 30.5.

(g) Resignation does not affect redundancy payment

Resignation by the Eligible Employee prior to returning to work does not affect the Employee’s entitlement to a redundancy payment under subclause 25.8.

(h) Redeployment period

Where an Eligible Employee’s role is made redundant during parental leave, and:

(i) the Employee has not consented to the proposed termination of their employment during the period of parental leave due to redundancy; and/or
(ii) the Eligible Employee has not accepted a Comparable Role or an available position for which the Eligible Employee is qualified and suited nearest in status and pay to the pre-parental leave position;

the redeployment period of 13 weeks in subclause 25.3 commences on the day after the Employee’s parental leave ends.

27. Transition to Retirement

27.1 Employees may advise their Employer in writing of their intention to retire within the next five (5) years from their Employer and may participate in a transition to retirement arrangement.

27.2 Transition to retirement arrangements may be proposed and, where agreed, implemented through:

(a) a flexible working arrangement (see clause 96);
(b) an individual flexibility agreement (see clause 12);
(c) an agreement in writing between the parties; or
(d) any combination of the above.

27.3 A transition to retirement arrangement may include but is not limited to:

(a) a reduction of working hours, i.e. part time employment;
(b) a job share arrangement; and/or
(c) working in a position at a lower status or rate of pay.

27.4 The Employer will consider, and not unreasonably withhold its approval of a request by an Employee to transition to retirement through:

(a) using accrued Long Service Leave (LSL) or Annual Leave for the purpose of reducing the number of days worked or their working hours but retaining their previous employment status.

Example:

1. A full-time Employee may work three (3) days per week and have two (2) days of accrued long service leave per week, retaining their full-time status.
2. A part-time Employee employed for 24 hours per week may work 20 hours per week and take four (4) hours of accrued annual leave per week, retaining their status as a part-time Employee employed for 24 hours per week.

and/or;

(b) accepting appointment to a role that has a lower hourly rate of pay and/or reduced hours (Post Transition Role), in which case:

(i) the Employee will retain the accrual of LSL they had immediately prior to the reduction in their rate of pay and/or hours (Preserved LSL). Where LSL is taken, the Employee will be paid LSL hours at the wage rate and/or their hours of work prior to the Post Transition Role until the Preserved LSL hours are exhausted;
Examples:

1. An Employee’s hourly rate of pay is reduced under this subclause 27.4(b) from $35 to $30. When the Employee takes LSL it will be paid at the rate of $35 per hour until the Preserved LSL is exhausted.
2. An Employee’s hours of work are reduced under this subclause 27.4(b) from 32 hours per week to 24 hours per week. When the Employee takes LSL they will be paid for 32 hours of LSL per week until the Preserved LSL is exhausted.
3. An Employee’s hourly rate of pay is reduced under this subclause 27.4(b) from $40 to $35 and their hours of work from 38 to 30 hours per week. When the Employee takes LSL it will be paid at the rate of $40 per hour and they will be paid for 38 hours of LSL per week until the Preserved LSL is exhausted.

(ii) however, if the Employee’s hourly wage rate in the Post-Transition Role over time exceeds the wage rate of the pre-transition role, the higher wage rate will be used to calculate LSL.
28. Wages and Wage Increases

28.1 Weekly rates of pay prescribed by the 2020 Agreement will be increased by the amounts set out below:

(a) 2% backdated to FFPPOA 1 March 2022;
(b) 2% effective from FFPPOA 1 March 2023;
(c) 2% effective from FFPPOA 1 March 2024; and
(d) 2% effective from FFPPOA 1 March 2025.

28.2 The rates as amended by this Agreement are set out at Appendix 2 of this Agreement.

28.3 The above rates of pay will only come into operation on the approval of this Agreement by the Commission in accordance with the Act.

28.4 To reduce the likelihood of undertakings required to be given to the Commission, some rates of pay have had additional minor increases applied to them above the Award wage. These are identified in Appendix 2 of the Agreement with an asterisk symbol.

28.5 Translation of some Chief and Deputy Chief rates

An Employee who, immediately prior to the commencement of this Agreement, held a position that subclause 28.4 of the 2020 Agreement applied to because they were classified under the 2011 Agreement at:

30. **Superannuation**

*The subject of superannuation is dealt with extensively by federal legislation which prescribes the obligations and entitlements regarding superannuation. This clause 30 is ancillary to and supplements those provisions.*

30.1 **Definitions**

In this clause 30:

(a) **Default Fund** means the Aware Super (or any successor) while it provides a “MySuper product” as defined by the Act.
(b) **Preferred Superannuation Fund** means a fund that meets the definition of a superannuation fund in the *Superannuation Guarantee (Administration) Act 1992* (Cth).

(c) **Industry Superannuation Fund** means a complying superannuation fund, as defined in the *Superannuation Industry (Supervision) Act 1993*, that:
   (i) has twenty or more participating employers;
   (ii) excluding any independent directors, provides for half of the trustee board to be comprised of employee representatives and/or nominated by one or more trade unions and half of the trustee board to be comprised of representatives of participating employers; and
   (iii) operates on a “not for profit” basis.

30.2 **Superannuation contributions**

The Employer will make superannuation contributions on behalf of an Employee to any of the following superannuation funds nominated by an Employee:

- (a) **HESTA** (Health Employees Superannuation Trust of Australia) or successor;
- (b) **Aware Super** (Aware Super Pty Ltd), or successor;
- (c) the Employee’s preferred superannuation fund where it is an Industry Superannuation Fund; or
- (d) where relevant superannuation legislation requires choice of superannuation fund in an enterprise agreement, any other Preferred Superannuation Fund nominated by the Employee.

30.3 **New Employee does not nominate fund**

If the Employee does not nominate a fund, the Employer will pay the Employee’s superannuation contributions to the Default Fund, or where required by superannuation legislation to the Employee’s stapled superannuation fund.

30.4 **Calculation of superannuation contributions**

- (a) Superannuation contributions paid by the Employer will be calculated and paid on:
  (i) ordinary time earnings as defined in the *Superannuation Guarantee (Administration) Act 1992* (Cth), calculated on the Employee’s pre salary packaging earnings;
  (ii) any additional amounts consistent with the trust deed of the superannuation fund; and
  (iii) a period of paid parental leave until 6 July 2022 in accordance with subclause 30.5(b) of the 2020 Agreement, after which superannuation shall be paid on parental leave (paid and unpaid) in accordance with subclause 30.6.

30.5 **Employee Contributions**

Subject to the terms of the relevant trust deed of the superannuation fund, an Employee may make additional contributions to their chosen superannuation
fund and upon receiving written authorisation from the Employee, the Employer will deduct such contributions from an Employee's salary and will forward such contributions to the chosen fund.

30.6  **Superannuation during parental leave – from 7 July 2022**

From 7 July 2022, the Employer will make superannuation contributions throughout any period of parental leave, paid or unpaid. Such contributions will be calculated as follows:

(a) the Employee's ordinary time earnings as defined in the *Superannuation Guarantee (Administration) Act 1992* (Cth) calculated on the Employee's pre-salary packaging earnings and any additional amounts consistent with the trust deed of the superannuation fund over 26 full pay periods (that is over 52 weeks) immediately prior to commencing parental leave and divided by 52 *(Weekly Parental Leave Super Contribution)*;

(b) the Weekly Parental Leave Super Contribution will be paid during each week of Parental Leave (both paid and unpaid) save that:

(i) the Employee will receive a pro rata payment for a period less than one (1) week; and

(ii) where, during the period of parental leave (either paid or unpaid), the Employee's rate of pay increases under subclause 28.1, the Employee's pre-salary packaging earnings as calculated above will be increased accordingly from the relevant date and superannuation paid on the increased amount.

31.  **Salary Packaging**

31.1 An Employee is entitled to salary package the current salary specified in Appendix 2 in accordance with the Employer’s policy. The Employer will maintain a salary packaging policy (which may be through an external provider).

31.2 The Employee will compensate the Employer from within their salary for any Fringe Benefits Tax *(FBT)* incurred as a consequence of the Employee’s requested salary packaging arrangement. Where the Employee chooses not to pay any of the costs associated with their salary packaging, the Employer may cease the Employee's salary packaging arrangements.

31.3 The Employee may elect to convert the amount packaged (or part) to salary for any reason, including where salary packaging ceases to be an advantage to the Employee because of subsequent changes to FBT legislation. Any costs associated with the conversion to salary will be borne by the Employee and the Employer will not be liable to make up any benefit lost as a consequence of an Employee's decision to convert to salary.

31.4 The Employee will be responsible for all costs associated with the administration of their salary packaging arrangements, provided that such costs will be confined to reasonable commercial charges as levied directly by the external salary packaging provider and/or in-house payroll service (as applicable), as varied
from time to time. The Employer will notify the Employee where the charges levied are varied.

31.5 Employees who are considering salary packaging should seek independent financial advice. The Employer will not be responsible for the cost or outcome of any such advice.

31.6 Superannuation contributions paid by the Employer into an approved Fund will be calculated on the Employee’s pre-packaged rate of pay.

32. Accident Pay

32.1 Subject to this clause 32, where an Employee is receiving a weekly payment of compensation in respect of an incapacity under the WIRC Act, the Employee will receive accident make up pay equal to the ordinary time earnings they would ordinarily receive, less the amount of weekly compensation.

32.2 Accident make up pay will only be payable to an eligible Employee whilst that Employee remains in the employment of the Employer.

32.3 An Employer is not liable to pay accident make up pay:

(a) in relation to an incapacity which occurred during the first two (2) weeks of the employment unless such incapacity continues beyond the first two (2) weeks of employment in which case the maximum period of payment of accident make up pay will apply only to the period of incapacity after the first two (2) weeks;

(b) in relation to any injury, during the first five (5) normal working days of incapacity. However, an Employee who contracts an infectious disease in the course of duty is entitled to receive workers’ compensation therefore will receive accident pay from the first day of incapacity;

(c) for any period that weekly payments under the WIRC Act cease;

(d) whilst the Employee is on any other paid leave provided for in this Agreement;

(e) unless the Employee has given notice in writing to the Employer of an injury as soon as practicable after the occurrence of the injury;

(f) upon the death of the Employee.

32.4 The maximum period or aggregate periods of accident make up pay for which the Employer is liable under this clause 32 is 39 weeks for any one injury.

(c) For the avoidance of doubt, additional post graduate qualification in subclause 35.1 means a post graduate qualification held by the Employee that is in addition to the minimum qualification that is required to enable them entry into the relevant profession under the Agreement. It is not a post graduate qualification held by an Employee that is the only qualification they hold that allows them entry into the profession under the Agreement.

36. Allowances Related to Overtime and On-call

36.1 Meal Allowance

36.1.1 Meals Allowance Where Overtime Worked

(i) Except as provided at subclause 36.1(b), an Employee who works overtime (including re-call) will be paid the meal allowance specified at Appendix 3 where the Employee works:

A. more than one (1) hour of overtime after the end of a rostered shift; or

B. more than two (2) hours overtime when they have been recalled to duty; and/or

(b) **Meal Allowance Where Overtime Worked – Exception**

The meal allowance provisions in subclause 36.1(a) above will not apply where a meal suitable to the Employee’s dietary requirements (for example, any allergy, religious or other dietary requirements) is supplied to the Employee at the Employer’s expense.

36.2 **On-call Allowance**

(a) An on-call allowance of 2.5% of the AHP1 Grade 1, Year 1 rate will be paid to an Employee in respect of any 12 hour period or part thereof during which the Employee is on-call during the period commencing from the time of finishing ordinary duty on Monday and finishing at the termination of ordinary duty on Friday.

(b) The allowance will be 5% of the AHP1, Grade 1, Year 1 rate in respect of any 12 hour period or part thereof during which the Employee is on-call during the period commencing from the time of termination of ordinary duty on Friday and finishing at the commencement of ordinary duty on Monday, or any public holiday or part thereof.

36.3 **Telephone Allowance**

(a) Where the Employer requires an Employee to purchase, install and/or maintain a telephone, whether it be a land-line or a mobile phone, for the purposes of:

(i) being on-call; and/or

(ii) undertaking home visits (as described at subclause 105.9);

the Employer will reimburse the purchase or installation costs and the subsequent rental charges or mobile phone charges on production of receipted accounts.

(b) In lieu of paying an Employee the telephone allowance, an Employer may provide an Employee with a mobile phone for the purposes of being on-call and pay any costs and charges associated with it.

### 37. Higher Duties Allowance

*Note: An individual Employee does not need to perform the duties of the Absent Employee/Vacant Position for the entire period of the absence/vacancy in order to access the higher duties allowance.*

37.1 An Employee (**Relieving Employee**) who is engaged in performing the duties of:

(a) another employee (**Absent Employee**) on a higher classification who is absent for five (5) days or more; or

(b) a position that is vacant (**Vacant Position**) that is at a higher classification that is vacant for five (5) days or more;

will receive the higher duties allowance in accordance with this clause 37.
37.2 The higher duties allowance will be paid as follows:

(a) where the Absent Employee / Vacant Position is classified under this Agreement;
   (i) not less than the minimum rate prescribed for the classification applying to the Absent Employee/ Vacant Position; or
   (ii) for those classifications listed in subclause 37.5, where the Relieving Employee is at the top increment of their Grade/Level/Class, the rate set out in that subclause;

(b) where the Absent Employee / Vacant Position is not classified under this Agreement but there is a classification under this Agreement which would apply to the work performed if the Absent Employee / Vacant Position was covered by this Agreement:
   (i) not less than the minimum rate prescribed for that equivalent classification under this Agreement; or
   (ii) for those classifications listed in subclause 37.5, where the Relieving Employee is at the top increment of their Grade/Level/Class, the rate set out in that subclause;

(c) where the Absent Employee / Vacant Position is not classified under this Agreement and subclause 37.2(b) above does not apply, 10% of the Relieving Employee’s base rate;

   even where the period the Relieving Employee is required to assume the duties of the Absent Employee/Vacant Position is less than five (5) days.

Example 1
A Grade 3 Employee is absent for five (5) days. Two (2) Grade 2 Employees are engaged in performing the duties of the absent Grade 3 Employee, one for three (3) days and one for two (2) days. Each Grade 2 Employee would be entitled to the higher duties allowance.

Example 2
A Grade 2 Employee has ceased their employment with the Employer. Until the position is filled, three (3) Grade 1 Employees are engaged in performing the duties of the vacant Grade 2 position, one for two (2) days, one for two (2) days and one for one (1) day. Each Grade 1 Employee would be entitled to the higher duties allowance.

37.3 The Relieving Employee is entitled to have the higher duties allowance in this clause 37 paid whilst they are on any period of paid leave if:

(a) they will be engaged in performing the duties of the Absent Employee/Vacant Position when they return to work from the paid leave; and

(b) the Employer is not paying another employee a higher duties allowance as a result of the Relieving Employee’s absence.

37.4 An Employee may refuse to be engaged to perform higher duties.
### 37.5 Different Payment to that in subclause 37.2

(a) Where a Relieving Employee is in a profession at the top increment of their Grade/Level/Class outlined in Column A & B, instead of the minimum rate specified in subclause 37.2(a)(i) or (b)(i), they will be paid not less than the rate applying to the classification outlined in Column C.

Note: the information in the above table is to give effect to the principle that an Employee engaged in performing higher duties is paid at a rate immediately above the rate of pay for their substantive position when engaged in performing higher duties in the above scenarios.

### 38. Shift Work Allowance

**38.1** In addition to any other rates prescribed elsewhere in the Agreement, an Employee whose rostered hours of ordinary duty finish between 6.00 p.m. and 8.00 a.m. or commence between 6.00 p.m. and 6.30 a.m. will be paid the amount specified in Appendix 3 per rostered period of duty.

*Note: The current shift work allowance rates in Appendix 3, before any increases were applied, were calculated as 2.5% of the weekly wage of the rate applicable to first year of experience after qualifications in the 2020 Agreement, save that some shift allowances as per subclauses 38.1(a)-(g) of the 2020 Agreement were higher.*

**38.2** Provided that in the case of an Employee working on any rostered hours of ordinary duty finishing on the day after commencing duty or commencing after midnight and before 5.00 a.m. they will be paid for any such period of duty the amount specified in Appendix 3 for ‘night shift’.

**38.3** The allowances payable pursuant to this clause 38 will be calculated to the nearest five (5) cents, portions of a cent being disregarded.
39. **Change of Shift Allowance**

39.1 An Employee who changes from working on one shift (first shift) to working on another shift (second shift) and the time of commencement of the second shift differs by four (4) hours or more from the first shift, will be paid a change of shift allowance of the amount specified in Appendix 3 of this Agreement for each such change except as provided at subclauses 39.2 and 39.3 below.

39.2 **Exception – two contracted positions**

The change of shift allowance is not payable where an Employee holds two (2) contemporaneous, contracted, different positions with the same Employer and moving between those positions results in a change of shift pattern that would ordinarily invoke a change of shift allowance payment.

39.3 **Exceptions – Employee requests change and 2 weeks off duty**

The change of shift allowance is not payable where:

(a) the Employee requests a change to the roster which creates a change of shift as described in subclause 39.1; or

(b) there is at least two (2) weeks of continuous approved leave between the relevant shifts which creates a change of shift as described in subclause 39.1.

39.4 The allowances payable pursuant to this clause 39 will be calculated to the nearest five (5) cents, portions of a cent being disregarded.

40. **Sleepover Allowance**

40.1 The sleepover allowance provisions under the 2020 Agreement have ceased to apply.

40.2 Where an Employer requires an Employee to sleepover on the Employer’s premises, see subclause 47.7 for the applicable payment.

41. **Travelling Allowance**

41.1 **Rates**

The travelling allowance rates are as follows:

41.2 **Travel - Recall**

(a) An Employee required to use their vehicle for transport from home to place of work and return outside of normal hours will receive the allowance at subclause 41.1 for each kilometre travelled.

(b) At the Employee’s request, an Employee who is recalled to the Employer's premises for any purpose will be provided with transport (i.e. taxi or hire car) for the outward and return journeys and the Employer will be responsible for the cost.

41.3 **Travel during normal working hours**

An Employee required to travel during normal working hours on Employer business will be:

(a) provided with transport by the Employer and the Employer will be responsible for the cost; or

(b) where the Employee agrees to use their own vehicle, receive the allowance at subclause 41.1 for each kilometre travelled on Employer business.

41.4 **Reimbursement**

(a) Approved fares incurred by an Employee in the performance of their duty will be reimbursed by the Employer.

(b) Any road tolls reasonably incurred by an Employee when using the Employee’s own vehicle under subclause 41.2 or 41.3, will be reimbursed by the Employer upon the production of appropriate evidence.

41.5 **Parking**

An Employee undertaking travel under this clause 41 will be reimbursed for the cost of parking if that cost is incurred as a result of that travel.

42. **Travel – Payment**

42.1 Where an Employee is required to travel on Employer business, or undertake travel that attracts the working away from home allowance in clause 43 (Working Away From Home), the time spent travelling will be treated as time worked and paid as:

(a) ordinary time (where travel is during ordinary hours); and/or

(b) overtime (where travel is outside ordinary hours);

in accordance with this Agreement.

---

**Example 1:**

An Employee works from 9am to 5pm at work site A. Just before 5pm the Employee is directed to travel to site B to perform overtime until 7pm and such a direction is reasonable. The Employee arrives at site B at 5:30pm to commence work. The Employee will be entitled to payment at the applicable overtime rates for 30 minutes of travel.
Example 2:

An Employee is required to work at a location that requires an overnight stay and will be paid the working away from home allowance. The Employee travels to the location during the Employee’s ordinary hours. The time spent travelling is paid at ordinary rates.

42A. Travelling and Relocation

This clause concerns payment only and is not intended to exclude the requirements of clause 13 (Consultation) or 25 (Redundancy and Related Entitlements) or create a new right to be directed to work at another location.

42A.1 In this clause 42A Base Employment Campus means a Campus of the Employer at which the Employee ordinarily starts and finishes work.

42A.2 Where an Employee is required by the Employer to temporarily relocate from their Base Employment Campus to another Campus during a shift, the Employee will be paid the travel allowance at subclause 41.1.

For the avoidance of doubt, the travel will occur within paid time.

42A.3 Where an Employee is required by the Employer to temporarily relocate from their Base Employment Campus to another Campus prior to a shift, the Employee will:

(a) be reimbursed for any additional travelling cost to the Employee (where applicable) excluding time spent travelling (which is addressed at subclause 42A.6 below); and

(b) where travel time increases by 15 minutes or greater (to and return) be paid an allowance equal to the Employee’s ordinary rate for the additional time spent when compared to the Employee’s travel time to the Base Employment Campus.

Nothing in this subclause 42A.6 prevents an Employer requiring the travel to occur within the rostered shift.

42A.4 Where an Employee is required by the Employer to permanently relocate from their Base Employment Campus to another Campus as a result of redundancy, the Employee will be reimbursed for additional travel costs (where applicable) in accordance with subclause 25.7 of this Agreement (Relocation).

42A.5 For the avoidance of doubt, nothing in this clause 42A limits the obligations regarding redundancy contained at clause 25 of this Agreement.

42A.6 Where an Employee’s position is required by the Employer to permanently relocate from their Base Employment Campus to another Campus and the Employee’s position is not redundant, the Employee will be reimbursed for additional travel costs (where applicable) in accordance with subclauses 25.7(b) to (f) of this Agreement.

42A.7 For the avoidance of doubt, where this is a result of a Major Change, the terms of clause 13 will apply, save that the Employer will not be required to take additional steps to mitigate or avert the cost of the relocation.
42A.8 This clause 42A does not apply to:

(a) an Employee whose role goes across campuses;

(b) Employees who genuinely choose to work across different campuses and it is not a requirement of the Employer, such as where an Employee elects to pick up an additional shift/s on another Campus on a permanent or ad hoc basis; or

(c) Casual Employees.

43. Working Away from Home

43.1 For each night an Employee is required by the Employer to be absent overnight from their usual place of residence, for example where an Employee cannot reasonably travel from or back to their usual place of residence on the day on which they are required to work by the Employer, the Employer will:

(a) pay the Employee the higher of the following:

(i) 2.5% of the AHP1 Grade 1, Year 1 rate per overnight period between Monday and Friday; or

(ii) 5% of the AHP1 Grade 1, Year 1 rate per overnight period that includes a Saturday, Sunday or Public Holiday; and

(b) pay for all reasonably incurred expenses in respect to fares, meals and accommodation.

43.2 Exception

Subject to subclause 43.1, this clause 43 does not apply where an Employee voluntarily chooses for personal reasons to stay in the location prior to or after the day on which the Employee is required to work by the Employer.

44. Uniform and Laundry Allowance

44.1 Where the Employer requires an Employee to wear any special clothing or uniform, the Employer must reimburse the Employee for the cost of purchasing such special clothing or uniform. The provisions of this subclause 44.1 do not apply where the special clothing or uniform is paid for by the Employer.

44.2 Notwithstanding subclause 44.1 above, the Employer may, by agreement with the Employee, pay a uniform allowance at the daily or weekly rate set out in Appendix 3 (whichever is the lesser amount in total) when the Employee is expected to provide their own uniforms or coats. When such Employee's uniforms or coats are not laundered by or at the expense of the Employer, the Employee will be paid a laundry allowance at the daily or weekly rate set out in Appendix 3 (whichever is the lesser amount in total).

44A. Lead Apron Allowance

44A.1 From the 7 July 2022, an Employee who is required as part of their usual duties to wear a lead apron, even where they do not wear a lead apron regularly or only
wear it periodically, is to be paid the Lead Apron Allowance in Appendix 3 for each shift or part thereof on which the lead apron is worn.

**Example**

A Speech Pathologist is required as part of their usual duties to perform video fluoroscopy when the need arises and as such wears a lead apron when performing this. Even if the Speech Pathologist does not regularly perform video fluoroscopy and thus does not regularly wear a lead apron, or only does this periodically, they would still be entitled to the lead apron allowance on the days they perform video fluoroscopy and wear a lead apron.

45. **Damaged Clothing Allowance**

45.1 Where an Employee, in the course of their employment, suffers any damage to or soiling of clothing or other personal effects, (excluding female hosiery), the Employer will be liable for the replacement, repair or cleaning of such clothing or personal effects provided immediate notification is given of such damage or soiling.

45.2 This clause 45 will not apply in a case where the damage or soiling is occasioned by the negligence of the Employee.

46. **Supervisor Allowance – Medical Technician and Renal Dialysis Technician (Clinical Renal Physiologist) Only**

46.1 A Medical Technician appointed to be responsible for supervising the work of other Medical Technicians will be paid at the rate of 7.5% of the rate of a Medical Technician at the fourth year of experience.

46.2 A Renal Dialysis Technician (Clinical Renal Physiologist) appointed to be responsible for supervising the work of other Renal Dialysis Technicians (Clinical Renal Physiologists) and/or in charge of a section or annexe of the service will be paid at the rate of 7.5% of the rate of a Renal Dialysis Technician (Clinical Renal Physiologist) at the fourth year of experience.
47. Hours of Work

47.1 The hours for an ordinary week’s work will be:

(a) 38;

(b) an average of 38 per week in a two (2) or four (4) week period; or

(c) by mutual agreement, an average of 38 per week in a five (5) week period in the case of an Employee working ten hour shifts.

47.2 The hours for an ordinary week’s work will be worked either:

(a) subject to clause 48 (Accrued Days Off), in 152 hours per four (4) week period worked as nineteen shifts each of eight (8) hours; or

(b) by mutual agreement:

(i) in four (4) days in shifts of not more than ten hours each; or

(ii) otherwise, provided that the length of any ordinary shift will not exceed ten hours.

47.3 Subject to the roster provisions, 80 ordinary hours may be worked in any two (2) consecutive weeks, but not more than 50 ordinary hours may be worked in any one such week.

47.4 For all purposes the hourly rate is deemed to be the weekly rate prescribed by clause 28 (Wages and Wage Increases) and set out in Appendix 2 divided by 38. See subclause 48.1 for how this operates where an averaging system is used.

47.5 A paid leave day will be identical to a worked day. Nothing in this subclause 47.5 prevents an Employee from cashing out annual leave in accordance with subclause 60.4 (Part-time Employees – cashing out of annual leave where contracted EFT fraction has reduced).

47.6 Employees will be rostered so as to provide for four (4) days free from ordinary duty per fortnight including not less than two (2) consecutive days, unless otherwise mutually agreed between the Employer and the Employee. Any ADO (where relevant) is in addition to the days free from ordinary duty referred to in this subclause 47.6.

47.7 Where the Employer requires an Employee to sleepover on the Employer’s premises, this sleepover will be counted as time worked and paid:

(a) at the Employee’s ordinary rate of pay plus the applicable shift work allowance (per clause 38) where this is part of the Employee’s ordinary hours of work; or

(b) at overtime rates where this is not part of the Employee’s ordinary hours of work.

47.8 10-hour break between ordinary shifts

(a) Subject to subclause 47.8(b), the Employer will provide an Employee with at least ten consecutive (10) hours off duty between successive ordinary shifts, which will
be reflected in any rosters that apply to the Employee. See also clause 55 for the periods off duty involving overtime.

(b) Where for urgent operational issues there is not at least (10) ten consecutive hours off duty between successive ordinary shifts as required at subclause 47.8(a), the Employee shall either:

(i) be released from duty without loss of pay until the Employee has had 10 consecutive hours off duty; or

(ii) be paid at the rate of double time until released from duty for such rest period, where the employee is required to work without a 10 hour break on the instructions of the Employer.

47.9 Broken Shifts
An Employee will not work broken shifts (that is, their work is to be continuous excluding meal and other breaks), unless the Employee:

(a) agrees to work broken shifts under a flexible working arrangement (clause 96 and section 65 of the Act); or

(b) agrees to work broken shifts under an individual flexibility agreement (clause 12).

47A. Right to Disconnect

47A.1 The Employer will respect an Employee’s periods of leave and rest days.

47A.2 Other than where reasonably necessary:

(a) in emergency situations;

(b) for genuine welfare matters;

(c) to offer Employees additional hours;

(d) in relation to a process under this Agreement; or

(e) for any non-clinical matter that requires urgent attention;

an Employee will not be contacted outside the Employee’s hours of work by the Employer or other employees for work purposes.

47A.3 The Employer will make other employees aware of the requirements of the Right to Disconnect clause 47A, and indicate to them that they are not to contact an Employee outside the Employee’s hours of work in circumstances other than those in subclause 47A.2

47A.4 Employees are:

(a) entitled to disengage from forms of technology that have a connection to the workplace such as work phones, emails, chat groups and social media; and

(b) not required to respond to emails, phone calls or any other form of communication (including chat groups and social media); outside of their hours of work, subject to subclause 47A.2.
47A.5 This clause 47A does not apply to any period where the Employee is in receipt of the on-call allowance in subclause 36.2.

47A.6 Raising Concerns
(a) Where an Employee believes they are not able to disconnect, including where they are being contacted in circumstances other than those in subclause 47A.2, they should raise this with the Employer. Where this clause 47A is not being complied with, the Employer will rectify this.
(b) Notwithstanding the above, the Employee may raise a dispute or grievance at any time.

48. Accrued Days Off

48.1 Meaning of ‘accrued day off’
An accrued day off (ADO) results from hours of work under subclause 47.1 whereby a full-time Employee:
(a) is rostered to work more than 38 hours per week;
(b) is paid 38 ordinary hours;
(c) the difference between the hours worked and hours paid accrues towards a paid day off; and
(d) an Employee’s ordinary wage for ordinary hours is deemed to be the weekly rate prescribed in clause 28 (Wages and Wage Increases) and set out in Appendix 2, and will be paid each week even though more or less than 38 ordinary hours are worked in that week.

48.2 Accrual of ADOs
(a) All full-time Employees are entitled to an ADO. The Employer will not refuse a new full-time Employee an ADO.
(b) The Employer will inform a new full-time Employee of the relevant department’s work arrangements and provisions regarding hours of work and taking of ADOs.
(c) A full-time Employee will work an average of 38 hours per week over a four (4) week period as 19 shifts of eight (8) hours over four (4) weeks. The Employee will be paid for 38 hours for each week (that is seven (7) hours and 36 minutes per day), and will work:
(i) five (5) shifts of eight (8) hours each (40 hours per week) during three (3) of the four (4) weeks; and
(ii) four (4) shifts of eight (8) hours each (32 hours in total) in one (1) of the four (4) weeks.
(d) For the avoidance of doubt an Employee’s ADO arrangement may provide for an Employee to take an ADO before the ADO has accrued in full.
(e) An Employer and a full-time Employee may agree in writing to a different ADO arrangement to that in subclause 48.2(c).

Example:
A full-time Employee works 19 shifts of 10 hours over five (5) weeks. The Employee is paid 38 hours for each week, even though the Employee works four (4) shifts of 10 hours each (40 hours per week) during four (4) of the five (5) weeks. In one (1) of the five (5) weeks, the Employee works three (3) shifts of 10 hours each (30 hours only) but is paid for 38 hours.

(f) A full-time Employee may request to work their ordinary hours in a manner that does not accrue ADOs and the Employer will not unreasonably refuse the request.

(g) **Deductions where leave is taken**

(i) Where a full-time Employee takes paid leave, the leave that will be deducted from the Employee’s leave entitlement or accrual will be equal to the Employee’s ordinary hours of work for the period of leave so that the Employee will accrue credit towards their ADO.

**Example:**
A full-time Employee’s ordinary hours are worked as 19 shifts of eight (8) hours over four (4) weeks. During a four (4) week cycle the Employee takes annual leave for one (1) week, with the Employee’s ordinary hours of work for that week being 40. The Employee is paid for 38 hours for that week of annual leave (seven (7) hours and 36 minutes per day for five (5) days), however 40 hours of leave is deducted from the Employee’s annual leave accrual for that week. The Employee will be entitled to a paid ADO of seven (7) hours and 36 minutes for the four (4) week period that included the week of annual leave, with:

- five (5) hours and 36 minutes of the ADO accrued from the three (3) weeks the Employee worked; and
- two (2) hours of the ADO accrued from the week of annual leave the Employee took (the two (2) hour difference between the Employee’s annual leave deduction and pay for that week.)

(ii) Where a full-time Employee takes unpaid leave they will accrue the appropriate credit without pay for the ADO.

**Example:**
A full-time Employee’s ordinary hours are worked as 19 shifts of eight (8) hours over four (4) weeks. During a four (4) week cycle an Employee works 18 shifts of eight (8) hours and is on unpaid leave for one (1) shift. The Employee will be entitled to an ADO of seven (7) hours and 36 minutes for the four (4) week period that included the shift where the Employee was on unpaid leave, with:

- seven (7) hours and 12 minutes of the ADO being paid, accrued from the 18 shifts the Employee worked; and
- 24 minutes of the ADO being unpaid, accrued from the one (1) shift the Employee was on unpaid leave.

---

48.3 **Taking of ADOs and interaction with other periods**
(a) Unless otherwise agreed, ADOs are to be taken during the normal four (4) week or other cycle agreed to under subclause 48.2(c) in which the ADO is accrued (including leave periods).

(b) Where an Employee would otherwise take their ADO in the four (4) week period in which it accrues, either the Employer or the Employee may request that the ADO not be taken in that four (4) week period, and the other party must not unreasonably refuse to agree to the request.

(c) ADOs on public holidays

See clause 58 (Public Holidays).

48.4 ADOs and termination of employment

Upon termination of employment, if a full-time Employee has:

(a) taken an ADO (in part or whole) in advance of accruing the necessary hours, the amount payable to the Employee will be reduced by the total ADOs or portion taken in advance; and

(b) untaken ADOs (in part or whole) at the time of termination, the Employee will be paid the untaken ADOs.

Examples:

1. A full-time Employee has accrued six (6) hours towards an ADO at the time of termination. The Employer will, in addition to any other outstanding entitlements, make payment to the Employee for an amount equal to six (6) hours pay.

2. A full-time Employee has taken a full ADO of 7.6 hours, but has only accrued three (3) hours towards this ADO at the time of termination. The Employer will reduce the amount payable to the Employee upon termination by an amount equal to 4.6 hours pay.

49. Breaks

49.1 Meal Breaks

(a) Entitlement to a Meal Break

(i) Employees other than those working Shift duty

An unpaid meal break of at least 30 minutes but not more than 60 minutes will be allowed during each rostered period of duty (Monday to Friday inclusive) to Employees, other than those working shift duty.

(ii) Employees rostered for shift duty

A meal break of 30 minutes per shift will be allowed for Employees rostered for shift duty and will be counted as time worked.

(b) Timing of a meal break

A meal break will, where reasonably practicable, commence no earlier than three (3) hours after the commencement of the Employee’s period of duty, and must
conclude no later than six (6) hours after the commencement of the Employee’s period of duty, unless otherwise agreed by the Employer and Employee.

(c) Meal break not taken

(i) The Employer will ensure that, wherever reasonably practicable, an Employee is able to take their meal break and is not required to perform any work during their meal break.

(ii) Escalation process

The Employer will describe, in writing, the steps to be taken where an Employee does not take their meal break to ensure that:

A. wherever possible, the meal break is rescheduled and taken during the shift; and

B. consideration is given to what caused the Employee to miss the scheduled meal break and whether any additional action is required to address those causes to reduce the likelihood of recurrence.

(iii) Payment for meal break not taken

Where an Employee is unable to take a meal break (including where an Employee is not free from duty as described at subclause 49.3(b)) the Employee will be paid for the meal break as time worked at their ordinary rate plus 50%.

(d) Review of meal breaks for Employees rostered for shift duty

The BPECC will review the provisions of this clause 49 relating to meal breaks for Employees rostered for shift duty during the life of this Agreement with a view to members of BPECC trying to identify potential changes that more closely align their entitlement to that of other Employees in a way that does not cause a detriment to them.

49.2 Rest/Tea breaks

(a) An Employee will be entitled to a paid ten (10) minute tea break for each four (4) hours of ordinary duty or part thereof which will be counted as time worked.

(b) Nothing in this subclause 49.2 prevents an Employee requesting and Employer agreeing for a Rest/Tea break to be at a specific time.

Examples:

1. An Employee working a six and a half (6.5) hour shift is entitled to two (2) ten minute tea breaks.

2. An Employee working a four (4) hour shift will be entitled to one (1) ten minute tea break.

49.3 Allocating Meal and Rest/Tea Breaks

(a) The Employer will ensure that time is allocated consistent with this clause 49 so that the Employee can take their meal breaks and rest/tea breaks.
(b) An Employee must be free from duty during their meal break and tea/rest break, and can use the time as they wish, including leaving the work area or the Employer’s premises.

(c) An Employee must be given and cannot be required to work during their tea/rest break.

49.4 **Staff meetings, in-house training and in-house professional development**

(a) Except where it is not reasonably practicable, staff meetings, in-house training and/or in-house professional development will not be conducted during an Employee’s meal break or tea/rest break.

(b) Where staff meetings, in-house training and/or in-house professional development are conducted:

(i) during an Employee’s meal break, the Employee will wherever possible be allocated an alternative meal break during the shift. Where it is not possible for the Employee to be allocated an alternative meal break during the shift, subclause 49.1(c)(iii) applies;

(ii) during an Employee’s tea/rest break, the Employee will be allocated an alternative tea/rest break during the shift.

49.5 **Clothing and PPE change**

Where an Employee performs a role that requires changing into or out of specific clothes and/or personal protective equipment (PPE) that are necessary to perform work, the Employer will ensure the Employee is provided with time to do this during their working hours.

50. **Roster**

50.1 **Posting a Roster**

(a) A roster of at least a fortnight setting out:

(i) hours of duty;

(ii) on-call requirements;

(iii) meal times;

(iv) start and finish times;

(v) weekend duty;

(vi) night duty; and

(vii) other such duty as in accordance with this Agreement;

will be posted in a place or places to allow an Employee covered by this Agreement to have ready access to the roster while at work, which may include ready electronic access.

(b) The roster will be posted at least two (2) weeks prior to becoming effective.

50.2 **Altering a roster**
(a) A roster set in accordance with subclause 50.1 will only be altered by the Employer to enable the functions of the Employer to be carried on where another Employee is absent from duty pursuant to:

(i) the reasons specified at subclause 62.3(a)(i) and (ii) (Personal Leave (including Carer’s Leave));
(ii) Clause 67 – compassionate leave;
(iii) Clause 75 – ceremonial leave;
(iv) Clause 66 – family violence leave; or
(v) resignation of an Employee where the Employee has not provided notice to the Employer;

or due to any pressing emergency.

(b) Where the Employer changes an Employee’s roster once set in accordance with subclause 50.1 without at least seven (7) days’ notice, other than as excepted at subclause 50.2(c) below, the Employee will be paid the Change of Roster Allowance as follows in relation to each change:

(i) 2.5% of the AHP1 Grade 1, Year 2 rate.

(c) The Change of Roster Allowance at subclause 50.2(b) is not payable where:

(i) the change to the roster was the result of an emergency situation external to the Employer;
(ii) a part time employee is offered and accepts an additional shift / shifts;
(iii) the change to the roster was the result of a request of the Employee (which includes Employees agreeing to swap shifts).

50A. Biometric Timekeeping

50A.1 It is acknowledged that biometric timekeeping is one way to provide accurate data for payroll purposes.

50A.2 For Employers others than those referred to at subclauses 50A.4 and 50A.5 below, where an Employee has a genuine difficulty in complying with biometric timekeeping requirements, including where the Employee holds privacy concerns, the Employer can only refuse an alternative timekeeping method for the reasons set out in subclause 50A.3.

50A.3 In the circumstances in subclause 50A.2, the Employer can only refuse an alternative timekeeping method if it:

(a) will result in an unreasonable additional cost to the Employer; and
(b) does not provide reasonably reliable data for payroll purposes.

50A.4 Employers who, at the date this Agreement comes into operation have biometric timekeeping (in whole or part of their organisation) and have an alternative timekeeping method will maintain an alternative timekeeping method.
50A.5 Employers who, at the date this Agreement comes into operation do not have biometric timekeeping will, in the event that it is introduced, have an alternative timekeeping method.

50A.6 In the event of any unforeseeable event that disrupts an Employer’s ability to offer an alternative (including on a temporary basis), the Employer will notify the Union for the purpose of discussions.

51. Rates for Saturdays and Sundays

51.1 All rostered time of ordinary duty performed on Saturday and Sunday will be paid for at the rate of time and a half.

51.2 All overtime performed on a Saturday and Sunday will be paid for at the appropriate rate specified in clause 52.

51.3 Any recall to duty on a Saturday or Sunday will be paid in accordance with clause 52 (Overtime), clause 53 (Recall – Return to Workplace) and/or clause 54 (Recall – No Return to Workplace) as applicable.

51.4 Time off in lieu of overtime may be taken in accordance with subclause 52.9 of this Agreement.

52. Overtime

This clause concerns overtime. Obligations regarding overtime are also contained in clause 90 (Workload Allocation and Safe Staffing).

52.1 General

The Employer must not request or require an Employee to work overtime hours unless the overtime hours is reasonable.

52.2 Employee may refuse to work unreasonable overtime

(a) An Employee may refuse to work overtime hours where they are unreasonable. In determining whether the overtime hours are reasonable or unreasonable, the following must be taken into account:

(i) any risk to Employee health and safety from working the additional hours;
(ii) the Employee’s personal circumstances, including family responsibilities;
(iii) the needs of the workplace or enterprise in which the Employee is employed;
(iv) whether the Employee is entitled to receive overtime payments, penalty rates or other compensation for, or a level of remuneration that reflects an expectation of, working additional hours;
(v) any notice given by the Employer of any request or requirement to work the additional hours;
(vi) any notice given by the Employee of their intention to refuse to work the additional hours;
(vii) the usual patterns of work in the industry, or the part of an industry, in which the Employee works;
(viii) the nature of the Employee’s role, and the Employee’s level of responsibility;
(ix) how frequently an Employee is required to perform overtime; and
(x) any other relevant matter;
subject to subclause 52.2(b).

(b) The relevance of the factors at subclause 52.2(a) and the weight to be given to each of them will vary according to the particular circumstances, namely:

(i) in some cases it will require a balancing exercise between the factors;
(ii) in some cases, a single factor will be of great importance and outweigh all others. One specific circumstance where this is the case is where an Employee’s personal circumstances (subclause 52.2(a)(ii)) require them to provide care for or look after a member of their immediate family or household during the time the Employer wants them to perform overtime. A request to perform overtime in this circumstance will be unreasonable and the Employee may refuse to work it.

52.3 **Overtime - meaning**

Overtime, other than for casual Employees (see subclause 52.7), means work that is performed:

(a) in excess of ordinary hours of work on any one shift;
(b) in excess of the full-time ordinary hours described at clause 47 (Hours of Work), save for the exception at clause 56 relating to time worked during the daylight savings change over period; and/or
(c) where a part-time Employee is directed to work additional hours but excluding an offer of additional ordinary hours as described at subclause 19.4 (Additional Ordinary Hours for Part Time Employees by Agreement only).

52.4 **Overtime – Submitting Timesheets (or Equivalent) Where Required**

(a) Where required by the Employer, Employees will submit timesheets (or equivalent) with any overtime within the timeframe required by the Employer or, where that is not practicable, as soon as practicable.

(b) Where overtime is worked but not submitted within the time required by subclause 52.4(a) and was not authorised in accordance with subclause 52.5(a) or (b), the Employee will be paid overtime subject to providing reasonable evidence of the hours worked to the Employer.

(c) Where overtime is worked but not submitted within the time required at subclause 52.4(a) above, the Employer may seek an explanation and take reasonable steps to ensure an Employee is able to submit within the time required at subclause 52.4(a) above.

52.5 **Meaning of ‘Authorised’**
(a) Overtime is authorised where:
(i) the Employee is required or requested by the Employer (including the Employee’s manager or supervisor) to perform overtime;
(ii) it is approved, usually in advance, either verbally or in writing by the Employer (including the Employee’s manager or supervisor);
(iii) the Employer (including the Employee’s manager or supervisor) requires the Employee to complete allocated work that cannot reasonably be completed in ordinary time;
(iv) the Employee has performed the overtime due to a demonstrable clinical need that could not have been met by some other means and authorisation could not reasonably have been obtained in advance; or
(v) the Employee completes seeing a patient where this commenced during ordinary hours and continues beyond the Employee’s ordinary hours.

(b) To ensure certainty as to when overtime is authorised, the Employer will develop and publish written protocols consistent with subclause 52.5 and clause 90 describing:
(i) work that, because of its nature, is overtime authorised in advance if it cannot be completed within ordinary hours and is completed in overtime; and
(ii) for matters that are not authorised in advance through a protocol or not authorised in accordance with subclause 52.5(a):
   A. how and from whom authorisation can be obtained; and / or
   B. when an Employee should not undertake the work.

(c) Matters the protocols referred to at subclause 52.5(b) will address include but may not be limited to:
(i) time spent completing work allocated to an Employee that cannot be completed during their ordinary hours being authorised overtime, except in the circumstances indicated in the protocols where the Employee should not complete the allocated work;
(ii) non-patient/client facing work, including patient/client notes and administrative work;
(iii) dealing with patients that other staff have not been able to deal with outside the Employee’s ordinary hours;
(iv) mandatory reporting requirements; and
(v) work required to be performed to comply with registration or professional association obligations.

(d) Where overtime is worked it will be paid, including when it is not authorised:
(i) under subclause 52.5(a); or
(ii) in accordance with the protocols in subclause 52.5(b);
save that the Employer may take reasonable action to limit the need for future overtime by addressing the Employee’s workload issues or through other appropriate measures including but not limited to steps required to satisfy clause 90 of this Agreement.

(e) An Employer may create policies and/or procedures, consistent with the provisions of this Agreement, regarding the process the manager or supervisor is required to undertake prior to approving overtime. If a manager / supervisor approves an Employee’s overtime and it is inconsistent with the Employer’s polices / procedures, the Employee will still be paid for the overtime worked.

52.6 Payment of Authorised Overtime and Recall to Duty

Authorised overtime and recall to duty for Employees, other than for casual Employees (see subclause 52.7), are to be paid at the rate of time and a half (150%) for the first two (2) hours and double time (200%) thereafter, save that authorised overtime and recall to duty:

(a) outside the spread of twelve hours from the commencement of the last period of ordinary duty will be paid at the rate of double time (200%);
(b) on a Saturday or Sunday will be paid at the rate of double time (200%);
(c) on a public holiday will be paid at the rate of double time and a half (250%);
(d) outside the spread of twelve hours from the commencement of work by an Employee rostered to work broken shifts will be paid at the rate of double time (200%).

Only one penalty rate in this subclause 52.6 applies to a period of overtime or recall an Employee performs, that being the highest penalty rate that is applicable to that overtime or recall.

See also subclause 47.8.

52.7 Casual Overtime

(a) Overtime for casual Employees means work that is performed:

(i) in excess of 10 hours on any one (1) shift; and/or
(ii) in excess of 38 hours per week.

(b) Authorised overtime for casual Employees is to be paid at the rate of time and seven eighths (187.5%) for the first two (2) hours and double time and a half (250%) thereafter, save that authorised overtime:

(i) outside the spread of twelve hours from the commencement of the last period of ordinary duty will be paid at the rate of double time and a half (250%);
(ii) on a Saturday or Sunday will be paid at the rate of double time and a half (250%);
(iii) on a public holiday will be paid at the rate of triple time and one eighth (312.5%);
(iv) outside the spread of twelve hours from the commencement of work by an Employee rostered to work broken shifts will be paid at the rate of double time and a half (250%).

Only one penalty rate in this subclause 52.7(b) applies to a period of overtime a casual Employee performs, that being the highest penalty rate that is applicable to that overtime.

See also subclause 47.8.

52.8 Minimum payment in certain circumstances

Note: Minimum payment for recall is dealt with in clause 53.

Where an Employee performs overtime, including rostered overtime, on a day that they do not otherwise perform work, such an Employee will be paid by the Employer a minimum of three (3) hours’ pay at the applicable overtime rates.

52.9 Time in Lieu

(a) An Employee may, with the consent of the Employer which the Employer will not unreasonably withhold, elect to take time off in lieu of payment for overtime worked (including where recalled to duty) for a period equivalent to the overtime worked, plus a period equivalent to the overtime penalty incurred or a combination of time off and payment to the same value.

Examples:

1. An Employee performs three (3) hours of overtime outside the spread of twelve hours from the commencement of their last period of ordinary duty on a Monday. Under the Agreement these three (3) hours would be paid at double time for a total payment of six (6) ordinary hours. With the consent of the Employer, the Employee elects to take six (6) hours of time off in lieu.

2. An Employee performs two (2) hours of overtime in excess of their ordinary hours of work on a Wednesday. Under the Agreement these two (2) hours would be paid at time and a half for a total payment of three (3) ordinary hours. The Employee may, with the consent of the Employer, elect to take two (2) hours of time off in lieu and receive payment for one (1) hour.

(b) Time off in lieu of overtime will be taken at a time mutually agreed between the Employer and the Employee, provided the Employer will not unreasonably refuse to agree to a request by an Employee to take time off in lieu at a specific time and that the accrual of such time off will not extend beyond a 28 day period, unless otherwise agreed.

(c) Where the time off in lieu of overtime is not taken within 28 days, the overtime worked will be paid in the next pay period, unless agreement has been reached under subclause 52.9(b).

(d) The Employer will record time off in lieu arrangements.

(e) If, on the termination of the Employee’s employment, time off for overtime worked by the Employee to which subclause 52.9 applies has not been taken, the
Employer must pay the Employee for the overtime at the overtime rate applicable to the overtime when worked.

52.10 Transport

In the event of any Employee finishing any period of overtime at a time when reasonable means of transport are not available for the Employee to return to their place of residence the Employer will provide adequate transport free of cost to the Employee.

52.11 Rest Break during overtime

An Employee working overtime (including recall) will take a paid rest break of 20 minutes after each four (4) hours of overtime worked if required to continue work after the break.

52.12 Trainee Supervision

Notwithstanding anything contained in clause 88 (Trainee Supervision), but subject to section 62 of the Act, any trainee may, due to medical emergency, be required to work reasonable overtime or shift duty at the discretion of the Employer. Such overtime or shift duty will be subject to the rates and/or allowances provided elsewhere in the Agreement.

53. Recall – Return to Workplace

53.1 The relevant rate for recall is at subclause 52.6 (Payment of Authorised Overtime and Recall to Duty) above.

53.2 An Employee who is recalled to duty, (whether on-call or not) where the work is not continuous with the Employee’s next succeeding rostered period of ordinary duty will be paid:

(a) from the time of receiving the recall until the time of returning to the place from which the Employee was recalled; and

(b) a minimum of three (3) hours’ pay at the applicable overtime rates for each recall.

54. Recall – No Return to Workplace

54.1 Non CATT areas

(a) Where recall to duty can be managed without the Employee returning to the workplace (for example by telephone), clause 53 will not apply and such Employee will be paid a minimum of one (1) hour of overtime for such recall work.

(b) For subsequent recalls beyond the first hour, the Employee will be paid a minimum of one (1) hour of overtime, but multiple recalls within a discrete hour will not attract additional overtime.

54.2 Telephone recall CATT only

(a) Employees engaged in on-call/recall for the provision of a crisis response (CATT type function) will be paid an allowance which is set out at Appendix 3, for each on-call period of twelve (12) hours or part thereof.
(b) The allowance includes payment of work performed of up to one (1) hour’s aggregate duration for each on-call period.

(c) For work performed in excess of an aggregate of one (1) hour during an on-call period, payment will be made at the normal overtime rate paid at the Employee’s substantive classification and increment level.

(d) Telephone attendance is to be regarded as recall to duty.

(e) Only one (1) Employee per team each night will be rostered on-call and in receipt of the allowance. No other team member (other than a psychiatrist) will be required or requested to provide out of hours service for that particular night.

(f) Employees are to receive an uninterrupted break of at least eight (8) hours between the end of the recall and the next shift. If the eight (8) hour break is not observed double time will be paid until such break is observed.

(g) The maximum period of on-call for CATT is to be 12 hours, with existing arrangements below the 12 hours not to be disturbed.

(h) The Union and the VHIA acknowledge the unique nature of the on-call requirements for crisis response (CATT type functions) and that it is not comparable to any other health care arrangement or setting.

55. Rest Period After Overtime/Recall – Ten Hour Break

55.1 When overtime, including recall, is necessary the Employee will have at least 10 consecutive hours off duty between all bodies of work, subject to subclauses 55.3 and 55.4 below.

55.2 Release from duty

An Employee who works so much overtime or recall between the end of the Employee’s previous ordinary hours and the start of the next period of ordinary hours, that the Employee would not have at least 10 consecutive hours off duty between the end of the overtime or recall and the start of the next rostered period of ordinary hours will, subject to this clause 55, be released after completion of such overtime or recall worked until the Employee has had 10 consecutive hours off duty without loss of pay for rostered ordinary hours occurring during such absence.

55.3 Work without release from duty

(a) If, on the instructions of the Employer, an Employee resumes or continues work without 10 successive hours off duty the Employee will be paid at the rate of double time until the Employee is released from duty for such rest period and the Employee will then be entitled to be absent until the Employee has had 10 consecutive hours off duty without loss of pay for rostered hours occurring during such absence.

(b) If an Employee resumes work of the Employee’s own volition, overtime will be calculated in accordance with clause 52 (Overtime). An Employee who resumes work voluntarily will be entitled without loss of pay to attend to ablution and
The Employee will not resume work of their own volition where doing so will cause a significant occupational health and safety risk.

55.4 Exception – recall work continuous with next rostered shift

(a) Subclauses 55.1 to 55.3 do not apply where:
   (i) despite the recall, the Employee has had at least 10 consecutive hours off duty between their rostered periods of ordinary duty;
   (ii) the period of recall is continuous with the next period of ordinary hours; and
   (iii) the Employee does not work more than two (2) hours recall.

(b) Where subclause 55.4(a) applies, even though the recall is continuous with the next period of ordinary hours, an Employee will be entitled to a minimum three (3) hour payment for the recall at the applicable overtime rates, and payment for the full period of ordinary hours. The Employee will also be entitled without loss of pay to attend to ablution and sustenance matters.

56. Daylight Savings

See also clauses 52 (Overtime) and 48 (Accrued Days Off).

56.1 Despite the overtime provisions of this Agreement, if an Employee works on a shift during which time changes because of the introduction of, or cessation to, daylight saving, that Employee will be paid for the actual hours worked at the applicable ordinary time rate of pay (including any applicable shift allowances, allowances ordinarily payable in respect of the shift and special rates for Saturdays and Sundays).

Examples:

1. An Employee is rostered to work an eight (8) hour night shift from 11pm through to 7am (including a paid 30 minute meal break). During the course of this shift, the clock is wound forward one (1) hour due to the commencement of daylight saving.

   The Employee therefore works seven (7) hours. The Employee is paid seven (7) hours at the applicable ordinary time rate of pay (including any shift allowances, allowances ordinarily payable in respect of this shift and special rates for Saturdays and Sundays).

2. An Employee is rostered to work a ten hour night shift from 9pm through to 7am (including a paid 30 minute meal break). During the course of this shift, the clock is wound back one (1) hour due to the cessation of daylight saving.

   The Employee therefore works 11 hours. The Employee is paid 11 hours at the applicable ordinary time rate of pay (including any shift allowances, allowances ordinarily payable in respect of this shift and special rates for Saturdays and Sundays).
56.2 For the purpose of calculating accrued days off, Employees who work on a shift during which time changes because of the introduction of, or cessation to, daylight saving, will be taken to have worked the standard hours for a night shift in accordance with the roster.

57. Make-up Time

57.1 Notwithstanding provisions elsewhere in this Agreement an Employee may elect, with the consent of the Employer, to work make-up time under which the Employee takes time off during ordinary hours, and works those hours at a later time, during the spread of ordinary hours provided in this Agreement.

57.2 An Employee on shift work may elect, with the consent of the Employer, to work make-up time under which the Employee takes time off ordinary hours and works those hours at a later time, at the shift work rate which would have been applicable to the hours taken off.
PART G – PUBLIC HOLIDAYS, LEAVE AND RELATED MATTERS

58. Public Holidays

58.1 For the purposes of this clause 58 Weekend Worker means any Employee who in any one (1) year of employment works a portion of their ordinary hours on a weekend.

58.2 Entitlement to be absent from employment on a public holiday under the NES

(a) Employee entitled to be absent on public holiday

An Employee is entitled to be absent from their employment on a day or part-day that is a public holiday in the place where the Employee is based for work purposes.

(b) Reasonable requests to work on public holidays

(i) However, the Employer may request an Employee to work on a public holiday if the request is reasonable.

(ii) If the Employer requests an Employee to work on a public holiday, the Employee may refuse the request if:

A. the request is not reasonable; or
B. the refusal is reasonable.

(iii) In determining whether a request, or a refusal of a request to work on a public holiday is reasonable, the following must be taken into account:

A. the nature of the Employer’s workplace or enterprise (including its operational requirements), and the nature of the work performed by the Employee;
B. the Employee’s personal circumstances, including family responsibilities;
C. whether the Employee could reasonably expect that the Employer might request work on the public holiday;
D. whether the Employee is entitled to receive overtime payments, penalty rates or other compensation for, or a level of remuneration that reflects an expectation of, work on the public holiday;
E. the type of employment of the Employee (for example, whether full-time, part-time, casual or shiftwork);
F. the amount of notice in advance of the public holiday given by the Employer when making the request;
G. in relation to the refusal of a request - the amount of notice in advance of the public holiday given by the Employee when
refusing the request;

H. any other relevant matter.

(c) Payment for absence on public holiday

(i) If, in accordance with the NES, an Employee is absent from their employment on a day or part-day that is a public holiday the Employer must:

A. pay the Employee at the Employee’s ordinary time rate of pay for the Employee’s ordinary hours of work on the day or part-day that the Employee is absent from their employment;

B. continue to accrue leave on the ordinary hours of work on the day or part day that the Employee is absent from their employment;

Note: If the Employee does not have ordinary hours of work on the public holiday, the employee is not entitled to payment under the NES. For example, the Employee is not entitled to payment if the Employee is a casual employee who is not rostered on for the public holiday, or is a part-time employee whose part-time hours do not include the day of the week on which the public holiday occurs.

(ii) The provisions of subclause 58.2(c)(i) apply where the Employee is absent from their employment for part of their ordinary hours on the day or part-day that is a public holiday.

Example 1

A part-time Employee is requested to work four (4) ordinary hours on the public holiday. If it was not for the public holiday, the Employee’s ordinary hours would have been eight (8) on the day. The Employee is still entitled to their ordinary time rate of pay for the four (4) ordinary hours the Employee was not requested to work by the Employer. They will also accrue leave on what would have been their eight (8) ordinary hours on the day.

Example 2

A full-time Employee is required to be on-call on the public holiday. If it was not for the public holiday, the Employee’s ordinary hours would have been eight (8) on the day. The Employee is called in to work three (3) hours of overtime during what would have been part of their ordinary hours. The Employee is still entitled to their ordinary time rate of pay for the five (5) ordinary hours the Employee was not recalled to work by the Employer. They will also accrue leave on what would have been their eight (8) ordinary hours on the day.

58.3 Entitlement

(a) An Employee will be entitled to holidays on the following days:
(i) New Year’s Day, Good Friday, Easter Saturday, Easter Monday, Christmas Day and Boxing Day; and

(ii) the following days, as prescribed in the relevant States, Territories and localities: Australia Day, Easter Sunday, Anzac Day, Queen’s Birthday, the Friday before the Australian Football League Grand Final, Eight Hour Day or Labour Day; and

(iii) Melbourne Cup Day or in lieu of Melbourne Cup Day, some other day as determined in a particular locality.

58.4 Holidays in lieu

(a) When Christmas Day is a Saturday or a Sunday, a holiday in lieu thereof will be observed on 27 December.

(b) When Boxing Day is a Saturday or a Sunday, a holiday in lieu thereof will be observed on 28 December.

(c) When New Year’s Day or Australia Day is a Saturday or a Sunday, a holiday in lieu thereof will be observed on the next Monday.

58.5 Additional days

Where public holidays are declared or prescribed on days other than those set out in subclause 58.3 and subclause 58.4 above in Victoria or a locality thereof, those days will, as applicable, constitute additional holidays for the purpose of this Agreement.

58.6 Substitution of public holidays by agreement

(a) An Employer and Employee may agree to substitute another day for a day that would otherwise be a public holiday under the NES or this Agreement.

(b) An Employer and Employee may agree to substitute another part-day for a part-day that would otherwise be a part-day public holiday under the NES or this Agreement.

(c) Where an Employee requests the substitution of a public holiday under subclause 58.6(a) or (b), the Employer will not unreasonably refuse such a request.

(d) Any agreement under subclause 58.6 that is reached will be recorded in writing and a copy given to the Employee.

58.7 If an Employee works on any of such holidays or such holiday occurs on their rostered day off they will be paid at the ordinary time rate of pay for the time so worked, in addition to which they will be entitled to receive:

(a) within four (4) weeks following the date on which such holiday occurred;

(i) one and a half (1.5) extra day’s pay;

(ii) one and a half (1.5) days off in lieu thereof of which at least seven (7) days’ notice will be given;

(iii) one and a half days (1.5) will be added to their annual leave;
(b) in the case of an Employee not qualifying for annual leave and where none of the provisions of subclause 58.7(a) above have been applied the one and a half (1.5) days' pay will be added to the payment in lieu of annual leave; and

(c) one and a half times (1.5) the ordinary time rate of pay for any work done in excess of eight (8) hours.

58.8 In respect of Easter Saturday, an Employee who ordinarily works Monday to Friday only and who does not work on Easter Saturday, will be entitled to one (1) day's pay in respect of Easter Saturday or where there is mutual consent, within four (4) weeks following the date on which such holiday occurred the Employee may take one (1) day off in lieu or have one (1) day added to their annual leave.

58.9 Notwithstanding the earlier provisions of this clause 58 a Weekend Worker who works on any of the holidays set out in subclause 58.3, will be entitled (in lieu of any entitlement under subclause 58.4) to one and a half (1.5) extra days' pay on the first pay day following the end of the pay period during which the holiday falls.

58.10 If, at the end of the yearly period in respect of which their annual leave accrues such Weekend Worker does not become entitled to additional leave under subclause 59.2(a)(i) they will, at the option of the Employer, be entitled to one and a half (1.5) extra days' pay or one and a half extra days' annual leave for each such holiday on which they were rostered off.

58.11 Where an Employee's ADO falls on any such public holiday, a substitute day will be determined by the Employer to be taken in lieu thereof, such day to be within the same four (4) week cycle where practical.

58.12 Notwithstanding the provisions of subclause 58.4, with the exception of Easter Saturday, an Employee who is ordinarily not required to work on a Sunday or Saturday will not be entitled to any benefit for any public holidays which may fall on or are observed on a Saturday or a Sunday unless they are required to work on any such public holiday.

59. Annual Leave

59.1 Period of leave

(a) From 7 July 2022, an Employee will be entitled to 190 hours annual leave on ordinary pay per year of continuous service with the Employer.

(b) Annual leave accrues progressively during a year of continuous service according to the Employee's ordinary hours of work and accumulates from year to year.

59.2 Additional leave

(a) Weekend worker

(i) An Employee who is a Weekend Worker (as defined in subclause 58.1) who works for more than four (4) ordinary hours on 10 or more weekends per year of continuous service is entitled to an additional 38 hours' annual leave on the same terms and conditions.
(ii) The provisions of this subclause 59.2(a) have the same effect and give an Employee an entitlement to annual leave that is the same as the Employee’s entitlement under the NES relating to shiftworkers under section 87(1)(b)(ii) of the Act.

For the purpose of the NES only a **shiftworker** is an Employee who is regularly rostered to work Sundays and public holidays.

(iii) An Employee’s entitlement to annual leave under this subclause 59.2(a) operates in parallel with the Employee’s NES entitlement, but not so as to give the Employee a double benefit.

(iv) A Weekend Worker whose employment is terminated at the end of a period of employment which is less than one (1) year from the date of commencement of the employment, or the date upon which the Employee last became entitled to annual leave, will be paid an amount equal to 1/48th of their ordinary pay in respect of that period of employment.

(v) The entitlement in subclause 59.2(a) is additional to the On-Call and Rostered Overtime entitlement provided by subclause 59.2(b), but both entitlements cannot be claimed for the same bodies of work.

(b) **On Call and Rostered Overtime**

(i) An Employee who is rostered on-call or who performs rostered overtime for more than four (4) hours on 10 or more weekends per annum will be entitled to an additional 38 hours annual leave.

(ii) This entitlement is in addition to the Weekend Worker entitlement provided by subclause 59.2(a), but both entitlements cannot be claimed for the same bodies of work.

(iii) Leave loading does not apply to leave accrued under this subclause 59.2(b).

59.3 **Time of taking leave**

(a) Annual leave will be taken for a period agreed between the Employee and the Employer. An Employee may access accrued annual leave prior to the completion of a year of service.

(b) The Employer will not unreasonably refuse to agree to a request by the Employee to take paid annual leave, including a request to take single day or part day periods of annual leave.

(c) Once leave has been granted by the Employer, it will only be revoked by mutual agreement, which may be at the request of the Employee, save that the Employer will not unreasonably refuse a request by an Employee to revoke the granting of leave.

(d) Where an Employee applies for annual leave the Employer will respond to such an application as soon as possible, but no later than four (4) weeks after the application has been made.
(e) Where it is likely the leave request will be rejected, the Employer and Employee will consult on alternative leave days within the four (4) week period in subclause 59.3(d).

(f) **High Demand Holiday Periods**

(i) The Employer will develop and publish to affected Employees (which may be a specific department or work area) requirements for a high demand holiday period. Where this occurs, the requirement must identify:

A. the high demand holiday period;

B. the date by which a written request for annual leave should be submitted, save that subclause 59.3(b) still applies to a request made after this date; and

C. subject to subclause 59.3(d), the date by which the Employer will notify the Employee in writing that their annual leave request is approved or, if not approved, the reasons for the leave not being approved.

(ii) In determining applications for high-demand periods, the Employer will consider all the circumstances including but not limited to:

A. the Employer's operational needs;

B. the Employee's family responsibilities; and

C. whether previous annual leave applications by the Employee for the same high demand period were successful or not.

**Example**

A department generally receives more applications for annual leave over school term breaks than it can accommodate. This means that school term breaks are ‘high demand periods’ for that department within the meaning of this sub clause 59.3(f) and the Employer must publish the information specified above at subclause 59.3(f)(i) and, when determining the applications, apply the considerations at subclause 59.3(f)(ii).

59.4 **Leave in advance**

(a) The Employer may allow an Employee to take annual leave in advance of accrual.

(b) Where an Employee remains in annual leave debt upon termination, such amount (including any leave loading paid) may be deducted from any amounts otherwise payable to the Employee upon termination of the employment.

59.5 **Payment on termination**

If, when the employment of an Employee ends, the Employee has a period of untaken accrued annual leave (including under subclauses 59.2(a) and (b)), the Employer must pay to the Employee the amount that would have been payable to the Employee had the Employee taken that period of annual leave, including any annual leave loading.
59.6 Payment for Leave

(a) Employees will receive their ordinary pay and any amount required by subclause 59.6(b) (Annual leave loading or penalties) for the Employee’s ordinary hours of work in the period of annual leave.

(b) Annual Leave loading or penalties

In addition to ordinary pay an Employee will receive the higher of:

(i) leave loading of 17.5% calculated on the relevant wage rate prescribed in Appendix 2, subject to the cap at subclause 59.6(c); or

(ii) the payments listed below which the Employee would have received had the Employee not been on leave:

   A. shift allowances (clause 38); and
   B. rates for Saturday and/or Sunday (clause 51).

(c) Calculating leave loading or penalties

(i) Leave loading under subclause 59.6(b)(i) is payable on:

   A. the annual leave accrued and accumulated under subclause 59.1; and
   B. the Employee’s weekly ordinary pay during periods of annual leave, subject to the cap (as defined in subclause 59.6(c)(ii)).

(ii) The cap under subclause 59.6(c)(i)B above is the weekly rate prescribed by this Agreement for AHP1 Grade 3, Year 1.

(iii) To determine which payments the Employee would have received had the Employee not been on leave for the purpose of subclause 59.6(b)(ii), this will be done either by using:

   A. the projected roster, being the roster the Employee would have worked had they not been on leave; or
   B. where there is no projected roster, the rosters for the three (3) months immediately preceding the leave excluding any period during which the Employee was not on the roster (for example, because of attendance at approved professional development or another form of paid leave).

59.7 Excess Annual leave

Notwithstanding subclause 59.3 above, the Employer may, upon the provision of 10 weeks’ notice, direct the Employee to take up to one quarter of the Employee’s accrued annual leave entitlement, provided that the Employee has in excess of 304 hours’ annual leave accrued (pro rata for part-time Employees).

59.8 Employee not taken to be on paid annual leave at certain times

(a) Public Holidays

See also clause 58 (Public Holidays).
If an Employee takes paid annual leave during a period that includes a public holiday, the Employee is taken not to be on paid annual leave on that day and annual leave will not be deducted from an Employee’s accrual for that day.

(b) Other Periods of Leave

See also clause 62 (Personal Leave (including Carers Leave)) and 67 (Compassionate Leave)

(i) An Employee may take other types of leave, such as personal leave or compassionate leave whilst on annual leave. An Employee is taken not to be on paid annual leave whilst on other leave and the Employee’s paid annual leave accrual will be amended to reflect this. That is, annual leave will not be deducted from an Employee’s annual leave accrual for the time the Employee is on the other leave. These provisions do not apply to unpaid parental leave.

(ii) An Employee taking personal leave whilst on annual leave will provide the Employer with evidence in accordance with clause 62 (Personal Leave (including Carers Leave)).

(iii) An Employee taking compassionate leave whilst on annual leave will provide the Employer with evidence in accordance with clause 67 (Compassionate Leave).

(iv) Where an Employee takes other leave during annual leave, any annual leave loading received for a period that is no longer annual leave is taken to have been paid in advance as required in subclause 59.6 (Payment for Leave). Where the Employee’s employment with the Employer ends prior to the Employee taking the annual leave for the period for which the Employee has been paid an amount as annual leave loading in advance, that amount is not payable under subclause 59.5 (Payment on termination).

60. Cashing Out of Annual Leave

60.1 An Employee may, with the consent of the Employer, choose to cash out paid annual leave in accordance with this clause 60.

60.2 Written request and written agreement

An Employee wishing to cash out annual leave must make a written request to the Employer, save that the Employer will not unreasonably refuse such a request. Where the Employer agrees to that request, the Employee and the Employer will record the agreement in writing.

60.3 Terms of agreement must comply with terms

(a) A written agreement must comply with the following terms:

(i) paid annual leave must not be cashed out if the cashing out would result in the Employee having less than four (4) weeks of accrued annual leave;
(ii) each cashing out of a particular amount of paid annual leave must be by a separate agreement in writing between the Employer and the Employee;

(iii) the Employee must be paid at least the full amount that would have been payable to the Employee had the Employee taken the leave that the Employee has forgone, including annual leave loading and superannuation to the Employee’s nominated fund; and

(iv) an Employee cannot cash out more than four (4) weeks paid annual leave in any 12-month period.

(b) An Employee’s accrued annual leave entitlement will be reduced by the amount of annual leave paid out.

60.4 Part-time Employees – cashing out of annual leave where contracted EFT fraction has reduced

A part-time Employee who has reduced their EFT fraction, may request to cash out accrued annual leave in conjunction with taking a period of annual leave so that the total payment for the period is equivalent to the previous EFT fraction. The request and any agreement must comply with the requirements of subclause 60.3 above save that:

(a) paid annual leave must not be cashed out if the cashing out would result in the Employee's remaining accrued entitlement to paid annual leave being less than four (4) weeks calculated using the new EFT fraction; and

(b) the limit on cashing out no more than four (4) weeks annual leave will not apply.

Example

A part-time Employee recently reduced their contracted EFT from 32 hours per week to 16 hours per week. The Employee wishes to take two (2) weeks annual leave. The Employee's payment for annual leave taken would be 32 hours' pay (16 hours per week multiplied by two (2)), plus annual leave loading.

The Employee has 160 hours of accrued annual leave (i.e. five (5) weeks leave at their previous EFT, or 10 weeks' leave at their new EFT), before taking or cashing out any annual leave.

Subject to the Employee complying with this clause 60, the Employee may elect to cash out an additional 32 hours annual leave (plus annual leave loading), at the same time as taking annual leave, so that the total paid to the Employee during the period of leave is:

• 32 hours' pay (16 hours per week multiplied by two (2)), plus annual leave loading, for annual leave taken; plus

• 32 hours' pay, plus annual leave loading, for annual leave cashed out.

At the end of the annual leave period, the Employee retains six (6) weeks' annual leave, at the Employee's part time hours. That is, the Employee will have:
61. Purchased Leave

This clause 61 does not apply to casual Employees.

61.1 An Employee may apply to purchase up to 20 working days (pro-rated for part-time Employees) additional paid leave in a twelve-month period at ordinary pay. The Employer will not unreasonably withhold approval of an application to purchase leave by an Employee. The additional paid leave is purchased through salary deductions made over the whole year. The amount deducted will correspond with the amount of leave purchased.

**Examples:**

1. An Employee who purchases an additional four (4) weeks leave will be paid 48/52 or 92.31% of their ordinary pay throughout the relevant 12 month period.

2. An Employee who purchases an additional two (2) weeks leave will be paid 50/52 or 96.15% of their ordinary pay throughout the relevant 12 month period.

61.2 Purchased Leave may be taken in conjunction with other types of leave.

61.3 Purchased Leave must be used in the twelve-month period in which it is purchased. Purchased leave will be taken at a time that is mutually agreed between the Employer and the Employee, save that the Employer will not unreasonably refuse to agree to a request by the Employee to:

(a) take purchased leave at a particular time; and/or

(b) change when they take their purchased leave.

61.4 Once approval has been granted, the Employee may only vary or cancel the arrangement in extraordinary circumstances.

61.5 Where the:

(a) arrangement has been varied or cancelled because of extraordinary circumstances;

(b) Employee’s employment terminates; or

(c) purchased leave has not been taken in the relevant 12-month period;

the Employer will refund the amount of salary deducted in respect of any unused purchased leave as a lump sum. In the case of variation or cancellation, payment will be made no later than two (2) pay periods following notification of the variation or cancellation.

61.6 Where the Employee’s employment terminates and the amount of purchased leave taken exceeds the amount deducted, the Employer may deduct a sum equal to the negative balance from any remuneration payable to the Employee upon termination of employment.

61.7 Purchased leave:
(a) counts as service for all purposes; and  
(b) is not annual leave.

62. **Personal Leave (including Carer’s Leave)**

*This clause 62 does not apply to casual Employees. The entitlements of casual Employees are set out in clause 63 (Casual Employment – Caring Responsibilities).*

62.1 **Amount of Paid Personal Leave**

(a) An Employee is entitled to the following amount of paid personal leave:

(i) 91 hours and 12 minutes (12 days) in the first year of service;

(ii) 106 hours and 24 minutes (14 days) in each year in the second, third and fourth years of service; and

(iii) 159 hours 36 minutes (21 days) in each year in the fifth and following years of service.

A ‘day’ equals 7 hours and 36 minutes in this subclause 62.1(a).

(b) Paid personal leave accrues progressively during a year of service according to the Employee’s ordinary hours of work (excluding overtime) and accumulates from year to year.

(c) The Employer may, at its discretion, credit personal leave in advance of accrual to an Employee.

(d) **Service**

In subclause 62.1(a), *service* includes service with an employer referred to in subclauses 62.7(b)(i) or (ii), including an Employer covered by this Agreement and a registered community health centre, subject to the Employee meeting the evidence requirements of subclause 62.7(c).

62.2 **Payment for leave**

(a) Payment will be made based on the Employee’s ordinary pay for the ordinary hours the Employee would have worked on the day or days on which the leave was taken.

(b) An Employee utilising personal leave may take leave for part of a single day. Leave will be deducted from the Employee’s accrued personal leave including, where relevant, for a part day.

62.3 **Access to paid personal leave**

(a) Employers recognise the right of Employees to utilise personal/carer’s leave in accordance with this clause 62 and will not adopt systems or practices intended to discourage the legitimate exercise of that right by Employees, such as unreasonably questioning Employee’s about their use of personal/carer’s leave.

(b) Subject to the conditions set out in this clause 62, an Employee may take paid personal leave if the leave is taken:

(i) due to personal illness or injury (sick leave); or
to care for or support a member of the Employee’s Immediate Family or household because of:

A. a personal illness or injury affecting them; or
B. an unexpected emergency affecting them (carer’s leave)

62.4 Sick leave

(a) General
An Employee may take personal leave for the reasons described at subclause 62.3(a) above and 62.4(b) below.

(b) Personal Leave to Attend Appointments
An Employee may use up to one (1) week (38 hours) of personal leave (pro rata for part-time Employees), in aggregate, in any year of service for reasons other than those described at subclause 62.3(b) on account of a disability or where the Employee is required in the circumstances to attend a Registered Health Practitioner.

**Example**
An Employee may use their personal leave to attend a Registered Health Practitioner on ten occasions of half a day each in any year of service provided that the total period will not exceed one week (38 hours).

(c) Evidence requirements
An Employee taking sick leave will give the Employer evidence that would satisfy a reasonable person the Employee is absent due to personal illness or injury or, in the case of leave taken to attend an appointment (see subclause 62.4(b)) evidence of attendance. Evidence that would satisfy a reasonable person that the Employee is absent due to personal illness or injury includes:

(i) a medical certificate from a Registered Health Practitioner; or
(ii) a Commonwealth or Victorian Statutory Declaration signed by the Employee.

The evidence will be given to the Employer within 48 hours of the start of the absence or as soon as is reasonably practicable.

(d) Exception to evidence requirement – single day absences
An Employee may be absent for a single day or part thereof without evidence of personal illness or injury as required at subclause 62.4(c) above, on not more than three (3) occasions per year of service.

(e) Exception – Additional shifts
Where an Employee is absent due to illness or injury for an additional ordinary time shift, the Employee will provide a certificate from a Registered Health Practitioner. For the purpose of this subclause 62.4(e), an ‘additional shift’ is an ordinary time shift in addition to a part-time Employee’s ordinary shifts in accordance with subclause 19.4 (Additional Ordinary Hours for Part Time Employees by Agreement only).
(f) **Notice requirements**

An Employee should inform the Employer of their absence at least two (2) hours prior to the commencement of duty on the first day of absence, or otherwise as soon as is reasonably practicable, and of the estimated duration of the absence. Employees rostered for duty prior to 10:00am on the first day of absence will not be required to give notice before 8:00am.

(g) **Failure to provide notice of absence**

Personal leave will not be withheld by an Employer until all reasonable steps have been taken to investigate the Employee’s lack of advice as required by subclause 62.4(f) regarding the absence from duty. Such an investigation must provide the Employee with an opportunity to give reasons as to why notification was not given.

62.5 **Carer’s leave**

(a) **Evidence requirements**

The Employee must, if required by the Employer, establish by production of a Commonwealth or Victorian statutory declaration, a medical certificate from a Registered Health Practitioner or other evidence that would satisfy a reasonable person that a member of the Employee’s Immediate Family or household has either:

(i) an illness or injury; or

(ii) an unexpected emergency;

that requires their care or support. In the case of an unexpected emergency, the Employee will identify the nature of the emergency. An ‘unexpected emergency’ includes providing care or support to a member experiencing family violence as described at subclause 66.5(b).

(b) **Notice requirements**

(i) The Employee must, where practicable, give the Employer notice of the intention to take leave prior to the absence that includes:

A. the relationship to the Employee of the person requiring care or support;

B. the reasons for taking such leave; and

C. the estimated length of absence.

(ii) If it is not reasonably practicable for the Employee to give prior notice of absence, the Employee must notify the Employer of the absence as soon as practicable.

(c) **Unpaid leave where accruals exhausted**

An Employee who has exhausted paid personal leave entitlements is entitled to take unpaid carer’s leave. The Employer and the Employee will agree on the period. In the absence of agreement, the Employee is entitled to take up to two (2) days per occasion, provided the evidence requirements are met.
(d) **Failure to provide notice of absence**

Personal leave will not be withheld by an Employer until all reasonable steps have been taken to investigate the Employee’s lack of advice as required by subclause 62.5(b) regarding the absence from duty. Such an investigation must provide the Employee with an opportunity to give reasons as to why notification was not given.

62.6 **Personal leave on a public holiday**

*See also clause 58 (Public Holidays)*

If the period during which an Employee takes paid personal leave includes a day or part-day that is a public holiday in the place where the Employee is based for work purposes, the Employee is taken not to be on paid personal leave on that public holiday.

62.7 **Portability of Personal Leave**

(a) For the purposes of this subclause 62.7 allowable period of absence means 13 weeks in addition to the total period of paid annual, long service and/or personal leave which the Employee actually receives on termination or for which they are paid in lieu.

(b) Where an Employee is or has been in the service of:

(i) any hospital, health service, benevolent home, community health centre, Society or Association registered under the *Health Services Act 1988* (Vic) (or the former *Hospitals and Charities Act 1958* (Vic)) or any successor legislation; or

(ii) the Cancer Institute (constituted under the *Cancer Act 1958* (Vic));

and commences employment with an (or another) Employer before the end of the allowable period of absence, the Employer will credit the Employee’s accumulated personal leave from the previous employer to the Employee in their new employment provided that the Employee complies with the requirements of subclause 62.7(c).

(c) The Employee will, within two (2) weeks of commencing with the new Employer, provide the new Employer with:

(i) a written statement from the previous employer specifying the personal leave credits at termination, such as a certificate of service;

(ii) a statutory declaration specifying what personal leave credits the Employee had at termination from their previous period of employment; or

(iii) a written statement acceptable to the Employer as to what personal leave credits the Employee had at termination from their previous period of employment.

(d) Where an Employee resigns from their permanent or fixed-term employment with an Employer covered by this Agreement *(the previous Employer)* but continues to remain engaged as a casual Employee with the previous Employer, and
commences permanent or fixed-term employment with another Employer covered by this Agreement (the new Employer), at the Employee’s request they will have their personal leave with the previous Employer transferred to them at the new Employer.

62.8 Infectious disease

(a) An Employee who contracts an infectious disease in the course of their employment with the Employer and who is entitled to receive workers compensation will have any difference between workers compensation and the Employee’s ordinary salary made up by the Employer for up to three (3) months.

(b) An Employee who contracts an infectious disease in the course of their employment with the Employer, who is not is not entitled to receive workers compensation and is certified by a Medical Practitioner approved by the Employer as having an infectious disease, will be paid their full pay during the necessary period off duty for up to three (3) months.

(c) Pay granted under this subclause 62.8 will not be deducted from the Employee’s personal leave accrual.

63. Casual Employment – Caring Responsibilities

63.1 Subject to the evidence and notice requirements that apply to carer’s leave under clause 62, a casual Employee is entitled to be unavailable to attend work, or to leave work, if they need to provide care or support to a member of the Employee’s Immediate Family or household because of:

(a) a personal illness, or personal injury, affecting them;

(b) an unexpected emergency affecting them; or

(c) the birth of a child.

63.2 The Employer and the Employee will agree on the period for which the Employee will be entitled to be unavailable to attend work. In the absence of agreement, the Employee is entitled to be unavailable to attend work for up to three (3) days per occasion, which may be taken as a single continuous period of up to three (3) days or any separate periods to which the Employer and Employee agree.

63.3 A casual Employee is not entitled to any payment for the period of non-attendance.

63.4 An Employer must not fail to re-engage a casual Employee because the Employee accessed the entitlements provided for in this clause 63. The rights of the Employer to engage or not to engage a casual Employee are otherwise not affected.

64. Fitness for Work

64.1 Fit for Work

(a) The Employer is responsible for providing a workplace that is safe and without risk to health for Employees, so far as is reasonably practicable. This

64.2 Addressing concerns about Fitness for Work

(a) In the event an Employee’s manager forms a Reasonable Belief as defined at subclause 64.2(b) below that an Employee is unfit to perform their duties, the Employer will discuss their concerns with the Employee in a timely manner to promote physical, mental and emotional health so that Employees can safely undertake and sustain work.

(b) In this clause 64 Reasonable Belief means a belief a reasonable person would hold based on sufficient evidence that supports a conclusion on the balance of probabilities. Nothing in this clause 64 permits an Employer to act contrary to the Health Records Act 2001 (Vic).

(d) The Employer will:

(i) take all reasonable steps to give the Employee an opportunity to address any concerns which are the subject of the Reasonable Belief;

Where the Employee consents, the Employee will advise the Employer of the Employee’s Treating Medical Practitioner, and the Employer will provide to the Employee, in writing, the concerns that form the basis of the Reasonable Belief and a copy of all correspondence the Employee can provide to their Employee’s Treating Medical Practitioner requesting a report to address the concerns.
(b) The Employee will provide a copy of the relevant report to the Employer.

(c) The Employer and Employee will meet to discuss the relevant report.

(a) Where:

(i) the Employer continues to have a Reasonable Belief that the Employee is unfit for duty; or

(ii) Employee does not consent to or provide a report from their Treating Medical Practitioner;

the Employer may require the Employee to attend an IME who is not employed by the Employer.

(b) Before the Employee attends an IME the Employer will provide the Employee with the name of the proposed IME.

(e) The Employee may:

64.7 The Employer will respect an Employee’s privacy and ensure that any personal information provided by the Employee or a medical practitioner under this clause 64 is kept confidential.

64.8 The Employer must only seek information regarding the Employee’s capacity to work related to the concerns at subclause 64.2(a), including from any medical practitioner an Employee attends under subclause 64.3 or 64.4, and will not request confidential medical information under subclause 64.2, 64.3 and 64.4.

64.9 This clause 64. does not apply to an injury that is the subject of an active WorkCover claim. Matters regarding an Employee’s Fitness for Work regarding an injury that is the subject of a WorkCover claim shall be managed in accordance with the WIRC Act including the Employer’s obligation to provide a safe work environment.

67. Compassionate Leave

67.1 When compassionate leave is available

Compassionate leave is available under this clause 67 to an Employee for each occasion (a “permissible occasion”) when:

(a) a member of the Employee’s Immediate Family or household:
(i) contracts or develops a personal illness or sustains a personal injury that poses a serious threat to their life; or

(ii) dies;

(b) the Employee or the Employee's Spouse has a Miscarriage; or

(c) a child is a Stillborn Child, where the child would have been a member of the Employee’s Immediate Family, or a member of the Employee’s household, if the child had been born alive.

Note: An Employee may be entitled to a period of paid special leave if their pregnancy terminates at or after the completion of 20 weeks’ gestation or if the Employee gives birth but the baby subsequently dies – see subclause 70.12(b).

67.2 If the permissible occasion is the contraction or development of a personal illness, or the sustaining of a personal injury, the Employee may take the compassionate leave for that occasion at any time while the illness or injury persists.

67.3 Employees other than casual Employees

The provisions of subclauses 67.4 to 67.6 apply to all Employees other than casual Employees. The entitlements of casual Employees are set out in subclause 67.7.

67.4 Subject to the evidence requirements described at subclause 67.8, an Employee is entitled to up to four (4) ordinary days’ paid leave, on each permissible occasion.

67.5 An Employee may take compassionate leave for a particular permissible occasion as:

(a) a single continuous four (4) day period;

(b) two (2) separate periods that include at least one (1) single day; or

(c) any separate periods to which the Employee and Employer agree (which may include single days).

67.6 An Employee is additionally entitled to take unpaid leave of up to four (4) days on each permissible occasion. An Employee may take additional unpaid compassionate leave by agreement with the Employer.

67.7 Casual Employees

Subject to the evidence requirements described at subclause 67.8, a casual Employee is entitled to four (4) days unpaid compassionate leave on each permissible occasion. Unpaid compassionate leave under this subclause 67.7 may be taken as:

(a) a single continuous period;

(b) two (2) separate periods that include at least one (1) single day; or

(c) any separate periods to which the Employee and Employer agree (which may include single days).

67.8 Evidence
Proof of the injury, illness or death must be provided that would satisfy a reasonable person, if requested.

68. **Pre-Natal Leave**

If an Employee is required to attend pre-natal appointments or parenting classes and such appointments or classes are only available or can only be attended during the ordinary rostered shift of an Employee, then on production of satisfactory evidence of attendance at such appointment or class, the Employee may access their carer’s leave credit under this Agreement. The Employee must give the Employer prior notice of the Employee’s intention to take such leave.

69. **Pre-Adoption Leave**

An Employee seeking to adopt a child is entitled to take unpaid leave for the purpose of attending any compulsory interviews or examinations as are necessary as part of the adoption procedure. The Employee and the Employer should agree on the length of the unpaid leave. Where agreement cannot be reached, the Employee is entitled to take up to two (2) days’ unpaid leave. Where paid leave is available to the Employee, the Employer may require the Employee to take such leave instead.

For the purposes of this clause 70:

(a) Child means:
   (i) in relation to birth-related leave, a child (or children from a multiple birth) of the Eligible Employee or the Eligible Employee’s Spouse;
   (ii) in relation to adoption-related leave, a child (or children) under sixteen 16 (as at the day of placement or expected day of placement) who is placed or who is to be placed with the Eligible Employee for the purposes of adoption, other than a child or step-child of the Eligible Employee or of the Spouse of the Eligible Employee or a child who has previously lived continuously with the Eligible Employee for a period of six (6) months or more (Adopted Child); or
   (iii) as the case requires, includes a Stillborn Child.

(b) Continuous Service includes continuous service with one and the same Employer or continuous service with more than one employer including Institutions or Statutory Bodies (as defined at subclauses 72.2(b) and (h) and includes any period of employment that would count as service under the Act.

(c) Eligible Casual Employee means an Employee employed by the Employer in casual employment on a regular and systematic basis for a sequence of periods of employment during a period of at least 12 months and who has, but for the birth or expected birth of a Child or the decision to adopt a Child, a reasonable expectation of continuing engagement by the Employer on a regular and systematic basis.

(d) Eligible Employee for the purposes of this clause 70 means an Employee who has at least six (6) months’ Continuous Service or an Eligible Casual Employee as defined above.
(e) **Employee Couple** has the same meaning as under the Act.

(f) **Flexible Parental Leave** means the 30 days’ unpaid parental leave an Eligible Employee may take under subclause 70.6 as part of their 52 weeks’ entitlement of Parental Leave.

(g) **Long Parental Leave** means the 52 weeks’ parental leave an Eligible Employee may take under subclause 70.3.

(h) **Notional Flexible Period** is the period during which the Eligible Employee would be on Flexible Parental Leave if the Eligible Employee took leave for all of the Eligible Employee’s notified flexible days in a single continuous period.

(i) **Short Parental Leave** means the up to eight (8) weeks’ concurrent parental leave an Eligible Employee may take under subclause 70.4 (Short Parental Leave – Unpaid).

(j) **Stillbirth** means the delivery of a Stillborn Child (as defined in subclause 4.22).

### 70.3 Long Parental Leave – Unpaid

(a) An Eligible Employee is entitled to 12 months’ unpaid Long Parental Leave if:
   
   (i) the leave is associated with:
      
      A. the birth of a Child (including a Stillbirth) of the Eligible Employee or the Eligible Employee’s Spouse; or
      
      B. the placement of a Child with the Eligible Employee for adoption; and

   (ii) the Eligible Employee has or will have a responsibility for the care of the Child, or in the case of a Stillbirth, the Eligible Employee would have had a responsibility for the care of the Child if the Child had been born alive.

(b) Except as provided at subclause 70.6 (Flexible Parental Leave - Unpaid) and subclause 70.20 (Keeping in Touch Days), the Eligible Employee must take the leave in a single continuous period.

(c) Where an Eligible Employee is a member of an Employee Couple, except as provided at subclauses 70.6 (Flexible Parental leave - Unpaid) and 70.4 (Short Parental Leave – Unpaid), parental leave must be taken by only one (1) parent of an Employee Couple at a time in a single continuous period.

(d) Each member of an Employee Couple may take a separate period of up to 12 months of Long Parental Leave. The period of Long Parental Leave will be reduced by any period of Short Parental Leave taken by the Eligible Employee.

(e) Subject to subclause 70.3(f), an Eligible Employee may be able to extend a period of unpaid parental leave in accordance with subclause 70.13 (Variation of period of unpaid parental leave – up to 12 months).

(f) An Eligible Employee’s entitlement to Long Parental Leave (other than Flexible Parental Leave) will end on the first day that the Eligible Employee takes Flexible Parental Leave. This means that if an Eligible Employee intends on taking a period of continuous unpaid parental leave they must do so before they take any Flexible Parental Leave.
70.4 **Short Parental Leave – Unpaid**

(a) This subclause 70.4 applies to an Eligible Employee who is a member of an Employee Couple.

(b) An Eligible Employee who is not at that point taking Long Parental Leave, may take up to eight (8) weeks’ leave concurrently with any parental leave taken by the other member of the Employee Couple. Short Parental Leave may be taken in separate periods but, unless the Employer agrees, each period must not be shorter than two (2) weeks.

(c) The period of Short Parental Leave will be deducted from the period of Long Parental Leave to which the Eligible Employee is entitled under subclause 70.3 (if applicable).

70.5 **Hospitalised children – agreement to not take unpaid Parental Leave**

(a) If:

(i) a Child is required to remain in hospital after the Child's birth, or is hospitalised immediately after the Child's birth, including because:

   A. the Child was born prematurely;
   
   B. the Child developed a complication or contracted an illness during the child's period of gestation or at birth; or
   
   C. the Child developed a complication or contracted an illness following the Child's birth; and

(ii) an Employee, whether before or after the birth of the Child, gives notice in accordance with subclause 70.8 of the taking of a period of unpaid parental leave (the **original leave period**) in relation to the Child;

then the Employee may agree with their Employer that the Employee will not take unpaid parental leave for a period (**the permitted work period**) while the Child remains in hospital.

(b) If the Employee and Employer so agree, then the following rules have effect:

(i) the Employee is taken to not be taking unpaid parental leave during the permitted work period;

(ii) the permitted work period does not break the continuity of the original leave period; and

(iii) the Employee is taken to have advised the Employer, for the purposes of subclause 70.8(b), of an end date for the original leave period that is the date on which that period would end if it were extended by a period equal to the permitted work period.

(c) The permitted work period must start after the birth of the Child.

(d) The permitted work period ends at the earliest of the following:

(i) the time agreed by the Employer and Employee;

(ii) the end of the day of the Child's first discharge from hospital after birth; or
(iii) if the Child dies before being discharged, the end of the day the Child dies.

(e) Only one period may be agreed to under subclause 70.5(a) for which the Employee will not take unpaid parental leave in relation to the Child.

(f) The Employee must, if required by the Employer, give the Employer evidence (including without limitation, a medical certificate) that would satisfy a reasonable person of either or both of the following:

(i) that subclause 70.5(a)(i) applies in relation to the child;

(ii) that the Employee is fit for work.

70.6 Flexible Parental Leave - Unpaid

(a) An Eligible Employee may take up to 30 days of their Parental Leave entitlement (Flexible Parental Leave) during the 24-month period starting on the date of birth (including a Stillbirth) or day of placement of the Child if the requirements of this subclause 70.6 are satisfied in relation to the leave.

(b) The number of days of Flexible Parental Leave that the Eligible Employee takes must not be more than the number of flexible days notified to the Employer under subclause 70.8(f)(iii) (subject to any agreement under subclause 70.8(f)(iv)).

(c) An Eligible Employee must take the Flexible Parental Leave as:

(i) a single continuous period of one (1) or more days; or

(ii) separate periods of one (1) or more days each.

(d) An Eligible Employee may take the Flexible Parental Leave whether or not they have taken unpaid Parental Leave under this clause 70.

(e) An Eligible Employee may take Flexible Parental Leave after taking one (1) or more periods of unpaid Parental Leave under this clause 70 only if the total of those periods (disregarding any extension under subclause 70.13 or 70.14) is no longer than 12 months, less the employee's Notional Flexible Period, provided that the calculation for the Employee’s Notional Flexible Period is based on the assumption that:

(i) the Eligible Employee ordinarily works each day that is not a Saturday or Sunday; and

(ii) there are no public holidays during the period.

(f) A member of an Employee Couple (the first employee) may take Flexible Parental Leave on the same day as the other member of the Employee Couple (the other employee) is taking unpaid Parental Leave only if the total of all periods of unpaid parental leave the first employee takes at the same time as the other employee is no longer than eight (8) weeks.

70.7 Paid Parental Leave

See also subclause 30.6 (Superannuation during parental leave – from 1 July 2022).
(a) An Eligible Employee commencing parental leave is entitled to paid parental leave on the following basis from 7 July 2022 onwards:

(i) a Primary Carer taking Long Parental Leave will be entitled to fourteen (14) weeks’ paid parental leave or twenty-eight (28) week’s paid parental leave on half pay, provided that the Long Parental Leave is taken contemporaneously with the birth or placement of the Child; and

(ii) a non-Primary Carer taking Short Parental Leave will be entitled to two (2) weeks’ paid parental leave;

save that an Eligible Employee is not entitled to both paid Long Parental Leave and paid Short Parental Leave in respect of the same birth or adoption. Primary Carer in this subclause 70.7(a) means the person who has responsibility for the care of the Child. Only one (1) person can be the Child’s Primary Carer on a particular day.

(b) Subclause 70.7(a) is subject to subclause 70.5, in which case the Employee taking Long or Short Parental Leave may agree with the Employer that the Employee will not take Long or Short Parental Leave during the permitted work period while the Child remains hospitalised.

(c) Payment

Payment for paid parental leave will be based on the Employee’s ordinary time rate of pay provided in Appendix 2 and the higher qualifications allowance (if applicable) and will be based on the following:

(i) Full-time Employee – 38 ordinary hours;

(ii) Part-time Employee – the Employee’s contracted hours, save that where the part-time Employee’s ordinary hours fluctuate because the Employee works additional ordinary shifts (but excluding a permanent variation) an average of the Employee’s ordinary hours over:

A. the preceding 12 months; or

B. the Employee’s period of service where the Employee has less than 12 months service;

will apply where this is more favourable to the Employee; or

(iii) Casual Employee – average of the Employee’s ordinary hours of work over the preceding 12 months;

save that, if an Eligible Employee has changed their position or reduced their ordinary hours as a result of the pregnancy or adoption prior to taking the paid parental leave, the above will be calculated using the Employee’s ordinary hours or position prior to the changed arrangement.

(d) Paid parental leave is in addition to any relevant Commonwealth Government paid parental leave scheme (subject to the requirements of any applicable legislation).

(e) The Employer and Eligible Employee may reach agreement on alternative arrangements as to how the paid parental leave under this Agreement is paid.
For example, such leave may be paid in smaller amounts over a longer period, consecutively or concurrently with any relevant Commonwealth Government parental leave scheme (subject to the requirements of any applicable legislation) and may include a voluntary contribution to superannuation.

(f) Such agreement must be in writing and signed by the parties. The Eligible Employee must nominate a preferred payment arrangement at least four (4) weeks prior to the expected date of birth or date of placement of the Child.

(g) In the absence of agreement, such leave will be paid during the ordinary pay periods corresponding with the period of the leave.

(h) The paid parental leave prescribed by this subclause 70.7 will be concurrent with any relevant unpaid entitlement prescribed by the NES/this Agreement.

70.8 Notice and evidence requirements

(a) Subject to subclause 70.8(f) (Notice – Flexible Parental Leave - Unpaid), an Eligible Employee must give to the Employer:

(i) at least 10 weeks written notice, or if that is not practicable as soon as practicable, of the intention to take parental leave, including the proposed start and end dates; or

(ii) if the parental leave is to be taken in separate periods of concurrent leave under subclause 70.4(b) and the leave is not the first of those leave periods of concurrent leave, then only notice of at least four (4) weeks before starting the period of concurrent leave is required, or if that is not practicable give written notice as soon as practicable, save that if the Eligible Employee gave written notice of the separate periods of concurrent leave in the notice provided under subclause 70.8(a)(i), there is no requirement for the Eligible Employee to give notice in accordance with this subclause 70.8(a)(ii).

(b) Subject to clause 70.8(f) (Notice – Flexible Parental Leave - Unpaid), at least four (4) weeks before the intended commencement of parental leave, or if that is not practicable as soon as practicable, the Eligible Employee must confirm in writing the intended start and end dates of the parental leave, or advise the Employer of any changes to the notice provided in subclause 70.8(a), unless it is not practicable to do so. This does not apply to a notice for a period of concurrent leave period referred to in subclause 70.8 that already requires four (4) weeks’ notice.

(c) Where requested by the Employer, the Eligible Employee will also provide particulars of any period of partner (or like authorised) leave sought.

(d) The Employer may require the Eligible Employee to provide evidence which would satisfy a reasonable person of:

(i) in the case of birth-related leave:

   A. the date of birth, or expected date of birth of the Child (including without limitation, a medical certificate or certificate from a registered midwife, stating the date of birth or expected
date of birth); and

B. if relevant, that their Child was stillborn (including without limitation, a certification by a medical practitioner or registered midwife of the child as having been delivered); or

(ii) in the case of adoption-related leave, the commencement of the placement (or expected day of placement) of the Child and that the Child will be under 16 years of age as at the day of placement or expected day of placement.

(e) An Employee will not be in breach of this subclause 70.8 if failure to give the stipulated notice is occasioned by the birth of the Child or placement occurring earlier than the expected date or in other unexpected circumstances. In these circumstances the notice and evidence requirements of this subclause 70.8 should be provided as soon as reasonably practicable.

(f) **Notice requirements - Flexible Parental Leave - Unpaid**

(i) If an Employee wishes to take unpaid Flexible Parental Leave, the Employee must give notice to the Employer as follows:

A. where the Employee also takes unpaid Long Parental Leave or Short Parental Leave under subclauses 70.3 or 70.4 (**the original leave**);

i. at the same time as the Employee gives notice in accordance with subclause 70.8(a) in relation to the original leave, unless subclause 70.8(f)(i)A.ii below applies; or

ii. if the Employee takes more than one period of unpaid Short Parental Leave, at the same time as the Employee gives notice in accordance with subclause 70.8(a) in relation to the first of those periods of leave; or

B. otherwise - at least 10 weeks before starting the Flexible Parental Leave.

(ii) If the Employer agrees, the notice may be given at a later time than that specified in subclause 70.8(f)(i).

(iii) The notice under subclause 70.8(f)(i) must specify the total number of days (**Flexible Days**) of Flexible Parental Leave that the Employee intends to take in relation to the Child.

(iv) If the Employer agrees, the Employee may:

A. reduce the number of flexible days, including by reducing the number of flexible days to zero; or

B. increase the number of flexible days, but not so as to increase the number of flexible days above 30.
The Employee must give the Employer written notice of a flexible day on which the Employee will take Flexible Parental Leave:

A. at least four (4) weeks before that day; or
B. if that is not practicable, as soon as practicable (which may be a time after the leave has started).

If the Employer agrees, the Employee may change a day on which the Employee takes Flexible Parental Leave from a day specified in a notice under subsection 70.8(f)(v).

70.9 Parental leave associated with the birth of a Child – additional provisions

(a) Subject to the limits on duration of parental leave set out in this Agreement and unless agreed otherwise between the Employer and Eligible Employee, an Eligible Employee who is pregnant may commence Long Parental Leave at any time up to six (6) weeks immediately prior to the expected date of birth.

(b) Six weeks before the birth

(i) Where a pregnant Eligible Employee continues to work during the six (6) week period immediately prior to the expected date of birth, the Employer may require the Eligible Employee to provide a medical certificate stating that they are fit for work and, if so, whether it is inadvisable for them to continue in their present position because of illness or risks arising out of the Eligible Employee’s pregnancy or hazards connected with the position.

(ii) Where a request is made under subclause 70.9(b)(i) and an Eligible Employee:

A. does not provide the Employer with the requested certificate within seven (7) days of the request; or
B. within seven (7) days after the request gives the Employer a medical certificate stating that the Eligible Employee is not fit for work;

(iii) the Employer may require the Eligible Employee to commence their parental leave as soon as practicable.

(iv) Where a request is made under subclause 70.9(b)(i) and an Eligible Employee provides a medical certificate that states that the Eligible Employee is fit for work but it is inadvisable for the Eligible Employee to continue in their present position during a stated period, subclause 70.16 (Transfer to a safe job) will apply.

70.10 Pre-adoption leave

Employees’ entitlement to pre-adoption leave is set out at clause 69 (Pre-adoption leave).

70.11 Where placement does not proceed or continue
(a) Where the placement of the Child for adoption with an Eligible Employee does not proceed or continue, the Eligible Employee will notify the Employer immediately.

(b) Where the Eligible Employee had, at the time, started a period of adoption-related leave in relation to the placement, the Eligible Employee’s entitlement to adoption-related leave is not affected, except where the Employer gives written notice under subclause 70.11(c).

(c) The Employer may give the Eligible Employee written notice that, from a stated day no earlier than four (4) weeks after the day the notice is given, any untaken long adoption-related leave is cancelled with effect from that day.

(d) Where the Eligible Employee wishes to return to work due to a placement not proceeding or continuing, the Employer must nominate a time not exceeding four (4) weeks from receipt of notification for the Eligible Employee’s return to work.

70.12 Special maternity leave

(a) Entitlement to unpaid special birth-related leave

(i) An Eligible Employee is entitled to a period of unpaid special leave if they are not fit for work during that period because:

A. they have a pregnancy-related illness affecting them; or

B. all of the following apply:

i. they have been pregnant; and

ii. the pregnancy ends after a period of gestation of at least 12 weeks otherwise than by the birth of a living Child; and

iii. the birth is not a Stillbirth.

(ii) An Eligible Employee who has an entitlement to personal leave may, in part or whole, take personal leave instead of unpaid special leave under this subclause 70.12(a).

(iii) Where the pregnancy ends more than 28 weeks from the expected date of birth of the Child, the Eligible Employee is entitled to access any paid and/or unpaid personal leave entitlements in accordance with the relevant personal leave provisions.

(b) Entitlement to paid special birth-related leave

(i) An Eligible Employee is entitled to a period of paid special leave if their pregnancy terminates at or after the completion of 20 weeks’ gestation or the Eligible Employee gives birth but the baby subsequently dies.

(ii) Paid special leave is paid leave up to the amount of paid leave available under subclause 70.7(a)(i) (plus superannuation) based on the amount of leave taken, in circumstances where the Employee intended to take long parental leave at the time of birth or placement.

Examples:
1. An Employee who takes six (6) weeks paid special leave will be paid six (6) weeks.

2. An Employee who takes 16 weeks will be paid the full amount of paid leave available under subclause 70.7(a)(ii) (14 weeks).

(iii) Paid special leave is in addition to any unpaid special leave taken under subclause 70.12(a)(i).

(iv) Paid leave available under subclause 70.7(a)(ii) will also apply in these circumstances.

(c) Evidence

If an Eligible Employee takes leave under this subclause 70.12 the Employer may require the Eligible Employee to provide evidence that would satisfy a reasonable person of the matters referred to in subclause 70.12(a)(i) or 70.12(b)(i) or to provide a certificate from a registered medical practitioner. The Eligible Employee must give notice to the Employer as soon as practicable, advising the Employer of the period or the expected period of the leave under this provision.

70.13 Variation of period of unpaid parental leave (up to 12 months)

(a) Where an Eligible Employee has:

(i) given notice of the taking of a period of Long Parental Leave under subclause 70.3;

(ii) the length of this period of Long Parental Leave as notified to the Employer is less than the Eligible Employee’s available entitlement to Long Parental Leave;

(iii) commenced the period of Long Parental Leave; and

(iv) not taken a period of Flexible Parental Leave – Unpaid;

the Eligible Employee may change the period of parental leave on one occasion. Any change is to be notified (including the new end date for the leave) as soon as possible but no less than four (4) weeks prior to the commencement of the changed arrangements. Nothing in this subclause 70.13 detracts from the basic entitlement in subclause 70.3 (Long Parental Leave – Unpaid) or subclause 70.14 (Right to request an extension of period of unpaid parental leave beyond 12 months).

(b) If the Employer and Eligible Employee agree, the Eligible Employee may further change the period of parental leave.

70.14 Right to request an extension of period of unpaid parental leave beyond 12 months

(a) An Eligible Employee entitled to Long Parental Leave pursuant to the provisions of subclause 70.3 may request the Employer to allow the Eligible Employee to extend the period of Long Parental Leave by a further continuous period of up to 12 months immediately following the end of the available parental leave.

(b) Request to be in writing
The request must be in writing and must be given to the Employer at least four (4) weeks before the end of the available parental leave period.

(c) **Response to be in writing**

The Employer must give the Eligible Employee a written response to the request stating whether the Employer grants or refuses the request. The response must be given as soon as practicable, and not later than 21 days, after the request is made.

(d) **Refusal only on reasonable business grounds**

The Employer may only refuse the request on reasonable business grounds.

(e) **Reasons for refusal to be specified**

If the Employer refuses the request, the written response must include details of the reasons for the refusal.

(f) **Reasonable opportunity to discuss**

The Employer must not refuse the request unless the Employer has given the Eligible Employee a reasonable opportunity to discuss the request.

(g) **Employee Couples**

Where a member of an Employee Couple is requesting an extension to a period of Long Parental Leave in relation to a Child:

(i) the request must specify:

A. any amount of Long Parental Leave that the other member of the Employee Couple has taken, or will have taken in relation to the Child before the extension starts;

B. if the other member of the Employee Couple has given notice of an intention to take Flexible Parental Leave - Unpaid (in accordance with subclause 70.8(f), the request must specify the number of flexible days that will not have been taken when the period of extended leave commences;

(ii) the period of extension cannot exceed 12 months, less any period:

A. of Long Parental Leave (other than Flexible Parental Leave - Unpaid) that the other member of the Employee Couple has taken, or will have taken, in relation to the Child before the extension starts; and

B. equal to the other member’s Notional Flexible Period (if subclause 70.14(g)(i)B. applies above); and

(iii) the amount of Long Parental Leave to which the other member of the Employee Couple is entitled under subclause 70.3 in relation to the Child is reduced by the period of the extension.

(h) **No extension beyond 24 months**

An Eligible Employee is not entitled to extend the period of Long Parental Leave beyond 24 months after the date of birth or day of placement of the Child.
70.15 Parental leave and other entitlements

An Eligible Employee may use any accrued annual leave or long service leave entitlements concurrently with Parental Leave, save that taking that leave does not have the effect of extending the period of Parental Leave. If the Employee does so, the taking of that other paid leave does not break the continuity of the period of unpaid parental leave.

70.16 Transfer to a safe job and Ionising Radiation

(a) Where an Employee is pregnant and provides evidence that would satisfy a reasonable person that they are fit for work but it is inadvisable for the Employee to continue in their present position for a stated period (the risk period) because of:

(i) illness or risks arising out of the pregnancy; or
(ii) hazards connected with the position;

the Employee must be transferred to an appropriate safe job if one is available for the risk period, with no other change to the Employee’s terms and conditions of employment.

(b) Paid no safe job leave

If:

(i) subclause 70.16(a) applies to a pregnant Eligible Employee but there is no appropriate safe job available;
(ii) the Eligible Employee is entitled to Long Parental Leave; and
(iii) the Eligible Employee has complied with the notice of intended start and end dates of leave and evidence requirements under subclause 70.8 for taking Long Parental Leave;

then the Eligible Employee is entitled to paid no safe job leave for the risk period.

(c) If the Eligible Employee takes paid no safe job leave for the risk period, the Employer must pay the Eligible Employee at the Eligible Employee’s ordinary hours rate of pay for the Eligible Employee’s ordinary hours of work in the risk period.

(d) This entitlement to paid no safe job leave is in addition to any other leave entitlement the Eligible Employee may have.

(e) If an Eligible Employee, during the six (6) week period before the expected date of birth, is on paid no safe job leave, the Employer may request that the Eligible Employee provide a medical certificate within seven (7) days stating whether the Eligible Employee is fit for work.

(f) If the Eligible Employee has either:

(i) not complied with the request from the Employer; or
(ii) provided a medical certificate stating that they are not fit for work;
then the Eligible Employee is not entitled to paid no safe job leave and the Employer may require the Eligible Employee to take parental leave as soon as practicable.

(g) **Unpaid no safe job leave**

If:

(i) subclause 70.16(a) applies to a pregnant Employee but there is no appropriate safe job available;

(ii) the Employee will not be entitled to Long Parental Leave as at the expected date of birth; and

(iii) the Employee has given the Employer evidence that would satisfy a reasonable person of the pregnancy if required by the Employer (which may include a requirement to provide a medical certificate);

then the Employee is entitled to unpaid no safe job leave for the risk period.

(h) **Ionising Radiation**

*This subclause 70.16(h) does not diminish any prescribed safety standard.*

(i) Where an Employee is pregnant and their role includes duties that expose them to ionising radiation, at any time during the pregnancy the Employee may request a temporary modification to those duties or other mitigation (for example, additional protection) to avoid exposure to ionising radiation, including where the level of exposure is within the relevant safe exposure standard.

(ii) The Employer will:

A. consider whether it can accommodate a temporary modification to avoid exposing the Employee to ionising radiation and will accommodate the request where it can reasonably do so; and

B. meet with the Employee to discuss the request and options to accommodate that request or alternative.

(iii) In the event of a dispute, clause 14 of this Agreement applies.

(iv) The Union or other representative may represent the Employee at any time, including the meeting referred to at subclause 70.16(h)(ii)B above.

70.17 **Returning to work after a period of parental leave**

(a) An Eligible Employee will endeavour to notify the Employer of their intention to return to work after a period of Long Parental Leave at least four (4) weeks prior to the end of the leave, or where that is not practicable, as soon as practicable.

(b) An Eligible Employee will be entitled to return:

(i) unless subclause 70.17(b)(ii) or subclause 70.17(b)(iii) applies, to the position which they held immediately before proceeding on parental leave;
(ii) if the Eligible Employee was promoted or voluntarily transferred to a new position (other than to a safe job pursuant to subclause 70.16), to the new position;

(iii) if subclause 70.17(b)(ii) does not apply, and the Eligible Employee began working part-time because of the pregnancy of the Eligible Employee, or their Spouse, to the position held immediately before starting to work part-time.

(c) Subclause 70.17(b) is not to result in the Eligible Employee being returned to the safe job to which the Eligible Employee was transferred under subclause 70.16. In such circumstances, the Eligible Employee will be entitled to return to the position held immediately before the transfer.

(d) Where the relevant former position (per subclauses 70.17(b) and 70.17(c) above) no longer exists, an Eligible Employee is entitled to return to an available position for which the Eligible Employee is qualified and suited nearest in status and pay to that of their pre-parental leave position.

(e) The Employer must not fail to re-engage an Eligible Employee because:

(i) the Eligible Employee or Eligible Employee’s Spouse is pregnant; or

(ii) the Eligible Employee is or has been immediately absent on parental leave.

(f) The rights of the Employer in relation to engagement and re- engagement of casual Employees are not affected, other than in accordance with this clause 70.

(g) **Stillbirth or death of child – cancelling leave or returning to work**

(i) In the event of a Stillbirth, or if a Child dies during the 24-month period starting on the child's date of birth, then an Eligible Employee who is entitled to a period of parental leave in relation to the Child may:

   A. before the period of leave starts, give their Employer written notice cancelling the leave; or

   B. if the period of leave has started, give their Employer written notice that the Employee wishes to return to work on a specified day (which must be at least four (4) weeks after the date on which the Employer receives the notice).

(ii) Where notice under subclause 70.17(g)(i) is given, the Employee’s entitlement to Parental Leave in relation to the Child ends:

   A. if the action is taken under subclause 70.17(g)(i)A, immediately after the cancellation of the leave; or

   B. if the action is taken under subclause 70.17(g)(i)B, immediately before the specified day.

(iii) This subclause 70.17(g) does not limit subclause 70.13(b) (dealing with the Employee varying the period of unpaid parental leave with the agreement of the Employer).

(h) **Employee who ceases to have responsibility for care of Child**
This subclause 70.17(h) applies to an Employee who has taken unpaid Parental Leave in relation to a Child if the Employee ceases to have any responsibility for the care of the Child for a reason other than because:

A. of a Stillbirth; or
B. the Child dies during the 24-month period starting on the child’s date of birth.

The Employer may give the Employee written notice requiring the Employee to return to work on a specified day.

The specified day:

A. must be at least four (4) weeks after the notice is given to the Employee; and
B. if the leave is birth-related leave taken by an Employee who has given birth, must not be earlier than six (6) weeks after the date of birth of the Child.

The Employee’s entitlement to Parental Leave in relation to the Child ends immediately before the specified day.

70.18 Replacement Employees

(a) A replacement Employee is an Employee specifically engaged or temporarily promoted or transferred, as a result of an Eligible Employee proceeding on parental leave.

(b) Before the Employer engages a replacement Employee, the Employer must inform that person of the temporary nature of the employment and of the rights of the Eligible Employee who is being replaced to return to their pre-parental leave position.

70.19 Communication during parental leave – organisational change

(a) Where an Eligible Employee is on parental leave and the Employer proposes a change or makes a decision that will have a significant effect within the meaning of clause 13 (Consultation) of this Agreement on the Eligible Employee’s pre-parental leave position and/or on the status, pay or location of the Eligible Employee’s pre-parental leave position, the Employer will comply with the requirements of clause 13 (Consultation) which include but are not limited to providing:

(i) information in accordance with subclause 13.4; and
(ii) an opportunity for discussions with the Eligible Employee and, where relevant, the Eligible Employee’s representative in accordance with subclause 13.6.

(b) The Eligible Employee will endeavour to take reasonable steps to inform the Employer about any significant matter that arises whilst the Eligible Employee is taking parental leave that will affect the Eligible Employee’s decision regarding the duration of parental leave to be taken, whether the Eligible Employee intends
to return to work and whether the Eligible Employee intends to request to return to work on a part-time basis.

(c) The Eligible Employee will also notify the Employer of changes of address or other contact details which might affect the Employer’s capacity to comply with subclause 70.19.

(d) The Eligible Employee’s pre-parental leave position is:
   (i) unless subclause 70.19(d)(ii) below applies, the position the Eligible Employee held before starting parental leave;
   (ii) if, before starting parental leave, the Eligible Employee:
       A. was transferred to a safe job because of their pregnancy; or
       B. reduced their working hours due to their pregnancy;
       the position the Eligible Employee held immediately before that transfer or reduction.

70.20 Keeping in touch days

(a) This clause 70 does not prevent an Eligible Employee from performing work for the Employer on a keeping in touch day while the Eligible Employee is taking Parental Leave. If the Eligible Employee does so, the performance of that work does not break the continuity of the period of Parental Leave.

(b) Any day or part of a day on which the Eligible Employee performs work for the Employer during the period of leave is a keeping in touch day if:
   (i) the purpose of performing the work is to enable the Eligible Employee to keep in touch with their employment in order to facilitate a return to that employment after the end of the period of leave;
   (ii) both the Eligible Employee and Employer consent to the Eligible Employee performing work for the Employer on that day;
   (iii) the day is not within:
       A. if the Eligible Employee suggested or requested that they perform work for the Employer on that day – 14 days after the date of birth, or day of placement, of the Child to which the period of leave relates; or
       B. otherwise – 42 days after the date of birth, or day of placement, of the Child; and
   (iv) the Eligible Employee has not already performed work for the Employer or another entity on ten days during the period of leave that were keeping in touch days, subject to subclause 70.20(e)(ii).

(c) The duration of the work the Eligible Employee performs on that day is not relevant for the purposes of this subclause 70.20(b).

(d) The Employer must not exert undue influence or undue pressure on an Eligible Employee to consent to a keeping in touch day.
(e) For the purposes of subclause 70.20(b)(iv) the following will be treated as two (2) separate periods of unpaid parental leave (meaning that an Eligible Employee can work up to ten (10) keeping in touch days during each period of leave):

(i) a period of Long Parental Leave taken during the Eligible Employee’s available parental leave period under subclause 70.3 (Long Parental Leave – Unpaid) and 70.13 (Variation of period of unpaid parental leave (up to 12 months)); and

(ii) an extension of the period of Long Parental Leave under subclause 70.14 (Right to request an extension of period of unpaid parental leave beyond 12 months).

(f) Subclause 70.20(a) does not apply in relation to the Eligible Employee on and after the first day on which the Employee takes flexible unpaid parental leave in relation to the Child.

71. Breastfeeding

71.1 Paid break

The Employer will provide reasonable paid break time for an Employee to express breast milk for their nursing child each time such Employee has need to express the milk, or breastfeed the child within the workplace, for one (1) year after the child’s birth.

71.2 Place to express or feed

The Employer will also provide a comfortable place, other than a bathroom, that is shielded from view and free from intrusion from co-workers and the public, which may be used by an Employee to express breast milk or breastfeed a child in privacy.

71.3 Storage

Appropriate refrigeration will be available in proximity to the area referred to in subclause 71.2 for breast milk storage. Responsibility for labelling, storage and use lies with the Employee.

72. Long Service Leave

PART 1 - GENERAL

72.1 Scope

This clause 72 is split into four (4) parts:

(a) Part 1 (subclauses 72.1 - 72.2) explains the scope of this clause 72 and includes defined terms used across each Part.

(b) Part 2 (subclauses 72.3 - 72.10) sets out the long service leave entitlement of non-casual Employees (full-time and part-time, including fixed-term), as well as casual Dental Prosthetists and Dental Technicians, at the time they take a period of long service leave or their employment ceases.
(c) Part 3 (subclauses 72.11 - 72.18) sets out the long service leave entitlement of casual Employees (other than casual Dental Prosthetists or Dental Technicians) at the time they take a period of long service leave or their employment ceases.

(d) Part 4 (subclauses 72.19 - 72.23) contains a series of common provisions that apply in respect of all Employees.

72.2 Definitions

The following meanings shall apply to the terms referred to below for the purposes of this clause 72 unless a contrary intention is apparent:

(a) **Allowable Period of Absence** means five (5) weeks in addition to the total period of paid annual, long service and/or personal leave which the Employee actually receives on termination or for which the Employee is paid in lieu.

(b) **Institution** means any employer, health service, hospital or benevolent home, community health centre, society or association:

(i) named in Appendix 1 of this Agreement;

(ii) that was created or registered under the *Health Services Act 1988* (Vic) or the former *Hospital and Charities Act 1958* (Vic); or

(iii) the Cancer Institute constituted under the *Cancer Act 1958* (Vic);

(iv) and successors thereto.

(c) **LSL Act** means the *Long Service Leave Act 2018* (Vic).

(d) **Month** means a calendar month.

(e) **Pay** means remuneration for an Employee’s normal weekly hours of work calculated at the Employee’s ordinary time rate of pay provided in Appendix 2 at the time the leave is taken or (if the Employee dies before the completion of leave so taken) as at the time of the Employee's death, and will include the amount of any increase to the Employee’s ordinary time rate of pay which occurred during the period of leave as from the date of such increase operates. Where a part-time Employee's hours fluctuate because the Employee works additional ordinary shifts (but excluding a permanent variation), the 'normal weekly hours of work' will be calculated by taking an average over the preceding 12 months where this is more favourable to the Employee.

(f) **Pay** for a casual Employee means the remuneration for the Employee’s normal weekly hours of work at their ordinary pay calculated in accordance with sections 15 and 16 of the LSL Act.

(g) **Service** means employment with an employer, Institution or Statutory Body.

(h) **Statutory Body** means the Hospital and Charities Commission of Victoria, the Health Commission of Victoria, and/or the Victorian Nursing Council and Successors.

(i) **Transfer of business** occurs in the circumstances described at section 311 of the Act.
PART 2 - LONG SERVICE LEAVE FOR NON-CASUAL EMPLOYEES (AND CASUAL DENTAL PROSTHETISTS AND DENTAL TECHNICIANS)

72.3 Application of Part 2

This Part 2 (clauses 72.3 - 72.10) applies to non-casual Employees, casual Dental Prosthetists, and casual Dental Technicians only.

72.4 Entitlement

(a) Subject to subclause 72.6, Employees are entitled to:

(i) six (6) months' long service leave with Pay on completion of fifteen years' Continuous Service; and

(ii) thereafter an additional two (2) months' long service leave with Pay on completion of each additional five (5) years of Continuous Service.

(b) Subject to subclause 72.6(c) and (d), an entitlement under subclause 72.4(a)(i) may be taken in advance on a pro rata basis if the Employee has accrued Continuous Service of at least:

(i) 10 years;

(ii) from 1 July 2021, 9 years;

(iii) from 1 July 2022, 8 years; or

(iv) from 1 July 2023, 7 years.

72.5 Calculating Continuous Service

(a) Definitions:

(i) Continuous Service means continuous Service with the same employer plus any prior Service of six (6) months or more with one (1) or more Institutions or Statutory Bodies.

(ii) Continuous Casual Employment means, for the purpose of subclause 72.5(b), a period or periods of casual Service that are taken to be continuous, because one of the following applies:

A. the period starting at the end of a particular instance of employment and ending at the start of another particular instance of employment did not exceed either the Allowable Period of Absence, or 12 weeks (whichever is greater);

B. the Employee had been employed by an employer on a regular and systematic basis and the Employee had a reasonable expectation of being re-engaged by the same employer;

C. the gap between engagements was due to the terms of engagement of the casual Employee;

D. the gap between engagements was caused by seasonal factors; or

E. the Employee and employer agreed, before the start of an absence, to treat the employment as continuous despite the
(b) **Periods that count towards Continuous Service**

Service or prior Service during the following periods will be deemed to be continuous and will count as Continuous Service for the purpose of subclause 72.5(a):

(i) an absence from work on any form of paid leave (e.g. annual leave, personal leave, long service leave and paid parental leave);

(ii) any interruption or ending of employment by the employer if made with the intention of avoiding obligations in respect of long service leave or annual leave;

(iii) any absence on account of illness or injury arising out of or in the course of the employment for a period during which an Employee is receiving accident pay (see clause 32);

(iv) any absence from employment on defence service in accordance with section 8 of the *Defence Reserve Service (Protection) Act 2001* (Cth);

(v) a period of absence on community service leave under the Act;

(vi) in the case of unpaid absences not otherwise referenced in this subclause 72.5(b), subject to clause 72.10, as follows:

A. any unpaid leave that is authorised in advance in writing by the employer to count as service; or

B. up to (and including) 6 July 2022, any unpaid absence from work of not more than fourteen days in any year on account of illness or injury; or

C. on and from 7 July 2022:

   (1) any period of unpaid leave taken on account of illness or injury;
   
   (2) a period of Parental Leave, including Parental Leave that is extended under subclause 70.14; and
   
   (3) the first 52 weeks of any other type of unpaid leave not specifically referenced in this subclause 72.5(b)(vi); and

(vii) periods of Continuous Casual Employment with an employer, Statutory Body or Institution;

save that if long service leave was already taken or paid in lieu in respect of any such period, no further benefit to take long service leave will arise in respect of that period.

(c) **Periods that do not break Continuous Service, but do not count towards Continuous Service**

Unless otherwise agreed in writing between the employer and Employee, the following periods do not break Continuous Service but do not count towards an
Employee's Continuous Service for the purpose of calculating the Employee's long service leave entitlement:

(i) any authorised period of absence on unpaid leave not referred to in subclause 72.5(b);

(ii) subject to the requirements of the Act, any interruption arising directly or indirectly from an industrial dispute;

(iii) any period between the employment with one Institution or Statutory Body and another provided it is equal to or less than the Allowable Period of Absence from employment;

(iv) the dismissal of an Employee if the Employee is re-employed by the same employer within a period not exceeding two (2) months from the date of such dismissal;

(v) up to (and including) 6 July 2022, any absence on account of injury arising out of or in the course of their employment not covered by a period in which an Employee is receiving accident make up pay or other paid leave;

(vi) any absence from work for a period not exceeding twelve months in respect of any pregnancy or adoption not covered by subclause 72.5(b)(i) or (vi).

(d) Effect of taking or being paid in lieu long service leave on an Employee’s commencement date

For the removal of doubt, where an Employee has received long service leave or payment in lieu of long service leave from an Institution or Statutory Body (including an employer covered by this Agreement), this does not alter the Employee’s commencement date for the purpose of calculating the Employee’s total period of Continuous Service.

Example:
An Employee, upon reaching 15 years’ service with employer A, resigns. The Employee receives payment in lieu of the six (6) months’ Long Service Leave (LSL) that had accrued. Within the Allowable Period of Absence, the Employee commences employment with employer B. The 15 years’ service with employer A counts as service with employer B for the purposes of LSL. The Employee is entitled to two (2) months’ LSL after five (5) years’ service with employer B. The Employee is not entitled to any further benefit for the period of service with employer A.

72.6 Taking of leave

(a) When leave is to be taken

Long service leave will be granted by the employer within six (6) months from the date of the entitlement arising under subclause 72.4(a) save that:

(i) long service leave may be postponed to a mutually agreeable date;

(ii) if agreement cannot be reached:

A. where the Employee is employed in one of the following
professions, they may nominate preferred date(s) for the taking of leave, save that the employer may refuse the date(s) so nominated on reasonable business grounds:

(1) Art Therapist;
(2) Exercise Physiologist;
(3) Play Therapist (Child Life Therapist);
(4) Mechanical Officer; or
(5) Radiation Engineer; or

B. for all other Employees, the date will be determined by a member of the Commission provided that such a determination will not require long service leave to commence before six (6) months from the date of such determination; and

(iii) leave the subject of approval or grant under subclause 72.6(c) shall be taken in accordance with the terms of the application or agreement.

(b) How leave is to be taken

Long service leave may be taken:

(i) in any number of periods, with each period being no less than one (1) week, or where administratively possible one (1) day, as agreed between the Employee and the employer; or

(ii) where it is taken as part of a transition to retirement, in any other way agreed upon by the employer and Employee.

(c) Long service leave in advance

(i) If an Employee has completed ten years' Continuous Service, an employer may, by agreement with the Employee, grant long service leave in advance on a pro rata basis.

(ii) Supplementary to subclause 72.6(c)(i), and subject to subclause 72.6(c)(iii), if an Employee requests to take long service leave on a pro rata basis under clause 72.4(b), the employer must grant the Employee's request to take long service leave as soon as practicable after receiving the request unless the employer has reasonable business grounds for refusing the request.

(iii) In the event of a dispute over when the leave in subclause 72.6(c)(ii) is to be taken, the dispute resolution procedure at clause 14 will apply.

(d) Flexible taking of leave

(i) An Employee may, subject to subclause 72.6(d)(iv), request to take double the period of long service leave at half Pay.

(ii) Employees should seek independent advice regarding the taxation and superannuation implications of seeking payment under this subclause 72.6(d). The employer will not be held responsible in any way for the cost or outcome of any such advice.
(iii) The employer, if requested by the Employee, will provide information as to the amount of tax the employer intends to deduct where payment of long service leave is sought under subclause 72.6(d)(i).

(iv) Wherever it is practical to do so, the employer will grant a request by an Employee under subclause 72.6(d)(i). If granting the request under this subclause 72.6(d)(iv) would result in an additional cost to the employer, then it is not practical to grant an Employee’s request.

(v) Flexible taking of long service leave does not affect an Employee’s continuous service recognised.

Example:
In the case of an Employee taking 12 months' paid long service leave at half pay, six (6) months will count towards the Employee's Continuous Service (and the remaining six (6) months will not break continuity of service).

72.7 Payment on termination of employment

(a) Basic entitlement at termination of employment

Except where an election is made under clause 72.7(b) below, an Employee is entitled to payment in lieu of untaken long service leave upon termination of employment (calculated at one thirtieth of the period of Continuous Service) if, as at the termination date:

(i) the Employee has accrued at least fifteen years' Continuous Service; or

(ii) the Employee has an entitlement to take pro rata long service leave in advance under subclause 72.4(b).

(b) Election for payment of entitlement or transfer of entitlement at termination

(i) This subclause 72.7(b) applies to Employees who intend to be re-employed by another employer, Institution or Statutory Body, and:

A. are entitled to take pro rata long service leave in advance under subclause 72.4(b); or

B. in the case of the following classifications, have otherwise accrued at least seven (7) years’ Continuous Service with their employer:

1. Art Therapist;
2. Exercise Physiologist;
3. Play Therapist (Child Life Therapist);
4. Mechanical Officer; or
5. Radiation Engineer.

(ii) An Employee to whom subclause 72.7(b)(i) applies may:

A. request in writing that payment for accrued long service leave be deferred until after the Employee's Allowable Period of
Absence (as defined above) has expired; and

B. where the Employee notifies the initial employer in writing within the Allowable Period of Absence that the Employee has been employed by such an employer, and the re-employment meets the criteria set out in in subclause 72.7(b)(iv) below, the initial employer is no longer required to make payment to the Employee in respect of such service.

(iii) Where the notice referred to at subclause 72.7(b)(ii)B. is not provided to the initial employer prior to or within the Allowable Period of Absence (including because the re-employment does not meet the criteria set out in in subclause 72.7(b)(iv) below, the initial employer will, upon the expiration of the Allowable Period of Absence, make payment in lieu of long service leave as per subclause 72.7(a).

(iv) For the purposes of this subclause 72.7(b), re-employment by another employer, Institution or Statutory Body means employment other than as a casual Employee (except as a casual Dental Prosthettist or casual Dental Technician).

(c) For the removal of doubt:

(i) where an Employee has accrued at least fifteen years' Continuous Service with an employer, this cannot be transferred and the Employee will receive payment in lieu of untaken long service leave upon termination of employment; and

(ii) an Employee is able to transfer Service where they do not have the amount of Continuous Service required in accordance with subclause 72.7(b)(i).

(d) Payment in lieu of long service leave on the death of an Employee

Where an Employee dies while still in the employ of the employer, payment in lieu of long service leave will be made to the Employee's personal representative in accordance with subclause 72.7(a) above.

(e) No entitlement arising for periods of leave already taken

For the removal of doubt, where an Employee makes an election under subclause 72.7(b) such that their previous Service is recognised by the new employer, the Employee’s previous employer is no longer liable to make any payment in lieu of that Employee’s Service (unless the Employee makes a subsequent election, under subclause 72.7(b) above, to transfer their Service back to their previous employer).

72.8 Public holidays and Accrued Days Off

See also clause 58 (Public Holidays) and 48 (Accrued Days Off).

Long service leave is inclusive of any public holiday or ADO occurring during the period when leave is taken.

72.9 Proof of sufficient aggregate of service
(a) The onus of proving a sufficient aggregate of service to support a claim for any long service leave entitlement will at all times rest upon the Employee concerned. A Certificate of Service in accordance with Appendix 6 or a similar form will constitute acceptable proof.

(b) An employer will provide an Employee whose employment is ending with a Certificate of Service in accordance with Appendix 6 upon request.

(c) Upon request by an Employee who is entitled to Long Service Leave in accordance with this clause 72, an employer must provide to the Employee a Certificate of Service in accordance with Appendix 6 or a similar form if the Employee will continue to be employed as a casual Employee by the employer.

72.10 Transitional Arrangements for Parental Leave taken after 1 November 2018 and before 7 July 2022

Note 1: Unpaid Parental Leave taken prior to 1 November 2018 does not count as Continuous Service unless otherwise agreed, per subclause 72.5(b)(vi)A.

Note 2: Unpaid Parental Leave taken after 6 July 2022 will constitute Continuous Service, per subclause 72.5(b)(vi)C.(2).

(a) As an exception to clause 72.5(b), an Employee who took a period of unpaid Parental Leave that included any part of the period between 1 November 2018 and 6 July 2022 (inclusive) may make an application to the employer to have that service recognised for Long Service Leave purposes. The employer will approve the application and provide to the Employee an updated Certificate of Service reflecting the adjusted service arrangements.

(b) An Employee electing to make an application under subclause 72.10(a) must make the application to the employer no later than six (6) months of the following (whichever occurs last):

(i) the date on which this Agreement commences; or

(ii) the date on which the Employee returns to work after the qualifying period of unpaid Parental Leave.

(c) This subclause 72.10 shall also apply to an Employee in respect of a former employer if the Employee took a qualifying unpaid period of Parental Leave under subclause 72.10(a) while employed by that former employer.

PART 3 - LONG SERVICE LEAVE FOR CASUAL EMPLOYEES (OTHER THAN DENTAL PROSTHETISTS AND DENTAL TECHNICIANS)

72.11 Application of Part 3

Casual Employees (other than casual Dental Prosthetists and Dental Technicians) shall be entitled to long service leave with ordinary pay in accordance with this Part 3 (clauses 72.11 - 72.18).

72.12 Interpretation

For the purposes of this Part 3:

(a) Continuous employment has the meaning given in sections 12-14 and 57 of the LSL Act;
72.13 Entitlement
At any time after completing seven (7) years of continuous employment with one (1) employer, an Employee is entitled to an amount of long service leave on ordinary pay equal to 1/60th of the Employee's total period of continuous employment less any period of long service leave taken during that period.

72.14 Taking of leave
(a) When leave is to be taken
In accordance with s.18(2) of the LSL Act, an employer must grant an Employee's request to take long service leave as soon as practicable after receiving the request unless the employer has reasonable business grounds for refusing the request.

(b) How leave is to be taken
In accordance with s.18(1) of the LSL Act, an Employee may request to take long service leave for a period of not less than one (1) day.

(c) Long service leave in advance
(i) Subject otherwise to this Part 3 and in accordance with s.8(1) of the LSL Act, an employer may agree to an Employee taking long service leave prior to them completing seven (7) years of continuous employment and at any time before they become entitled to long service leave.

(ii) If an Employee takes long service leave in advance and the Employee's employment ends before the entitlement to the leave would otherwise have accrued:

A. the amount paid for the proportion of leave to which the Employee will not become entitled becomes an amount owed by the Employee to the employer;

B. the employer may deduct this amount from any payment owed to the Employee as a result of the ending of employment; and

C. the relevant period of service will not count as a period in respect of which long service leave has already been taken (or paid in lieu) for the purpose of calculating any future entitlement to long service leave.

(d) Flexible taking of leave: double leave at half pay
(i) An Employee may request an employer to take double the period of long service leave at half pay.

(ii) An employer must grant such a request unless:

A. granting the request would result in an additional cost to the
employer; or

B. the employer otherwise has reasonable business grounds for refusing the request.

(iii) Employees should seek independent advice regarding the taxation and superannuation implications of seeking payment under this subclause 72.14(d). The employer will not be held responsible in any way for the cost or outcome of any such advice.

(iv) The employer, if requested by the Employee, will provide information as to the amount of tax the employer intends to deduct where payment of long service leave is sought under this subclause.

72.15 Payment on termination of employment

(a) Basic entitlement at termination of employment

An Employee with at least seven (7) years continuous employment is entitled to payment in lieu of untaken long service leave upon termination of employment, calculated at 1/60th of the period of continuous employment.

(b) Payment in lieu of long service leave on the death of an Employee

Where an Employee has completed at least seven (7) years’ continuous employment and dies while still in the employ of the employer, payment in lieu of long service leave will be made to the Employee’s personal representative equal to that in subclause 72.15(a) above.

72.16 Public holidays & Annual leave

Long service leave does not include any public holiday occurring during the period when the long service leave is taken.

72.17 No entitlement arising for periods of leave already taken or transferred

For the removal of doubt, no entitlement to long service leave (or payment in lieu) arises in respect of:

(a) continuous employment for which long service leave has already been taken or payment in lieu of leave has been received; and/or

(b) prior service as a full-time or part-time Employee that is transferred to a new employer in accordance with subclause 72.7(b) above (see subclause 72.22(c) for how this operates when an Employee remains a casual Employee with their previous employer).

Example:

An Employee resigns after five (5) years’ part-time service with employer A. The Employee remains a casual Employee with employer A. The Employee requests a Certificate of Service in accordance with Appendix 6 or a similar form from employer A, which is provided to the Employee. Within the Allowable Period of Absence (as defined above), the Employee commences full-time employment with employer B and provides the Certificate of Service provided to them by employer A to employer B, indicating they have five (5) years’ service.
After five (5) years’ service with employer B, the Employee wishes to take LSL. As the Employee has 10 years’ service with employer B for the purposes of LSL (five (5) years of which is service that was accrued with employer A), the Employee is entitled to access long service leave in accordance with subclause 72.4(b).

Although the five (5) years of service the Employee had at employer A will still count as service for the Employee’s casual entitlement to long service leave with employer A, no further benefit to long service leave may arise in respect of that 5 year period (unless the Employee subsequently makes a further election to transfer the relevant period of service back to employer A).

72.18 Other terms and conditions necessary for this Part

Any other term or condition necessary for the operation of this Part 3 shall be in accordance with the applicable term or condition in the LSL Act.

PART 4 - COMMON CONDITIONS APPLICABLE TO ALL EMPLOYEES

72.19 Payment for period of leave

(a) Payment will be made in one (1) of the following ways:

(i) in full advance when the Employee commences their leave;

(ii) at the same time as payment would have been made if the Employee had remained on duty; or

(iii) in any other way agreed between the employer and the Employee.

(b) Where an Employee has been paid in advance, and an increase occurs in the ordinary time rate of pay during the period of long service leave taken, the Employee will be entitled to receive payment of the amount of any increase in pay at the completion of such leave.

72.20 Records

The employer will keep a long service leave record for each Employee, containing particulars of service, leave taken and payments made.

72.21 Transfer of business

Where a Transfer of Business occurs, an Employee who worked with the old employer and who continues in the service of the new employer will be entitled to count their service with the old employer as service with the new employer for the purposes of this clause 72.

72.22 Concurrent Service

(a) Subject to subclause 72.22(b), concurrent service with two (2) or more employers remains separate and distinct.

(b) If a non-casual Employee transfers from an employer (the first employer) to another employer (the new employer) into a non-casual role, but retains concurrent employment with the first employer as a casual Employee, then the
Employee's service with the first employer will transfer to the new employer (despite the Employee remaining employed with the first employer), if:

(i) the Employee has less than fifteen years' Continuous Service;

(ii) the Employee has an entitlement to take pro rata long service leave in advance under subclause 72.4(b); and

(iii) either:

A. the Employee notifies the first employer of the transfer in accordance with sub-clause 72.7(b) (Election for payment of entitlement or transfer of entitlement at termination); or

B. the new employer otherwise confirms in writing to the first employer that the period of service has been so recognised (for the removal of doubt, if the new employer determines to recognise the Employee's service with the first employer, it must provide written notification of its determination to the first employer).

(c) If an Employee's long service leave entitlement is transferred in accordance with subclause 72.22(b):

(i) the first employer will no longer be liable for the non-casual service, and the long service leave liability for the non-casual service with the first employer will transfer to the new employer;

(ii) any casual service that occurs with the first employer after the transfer referred to in subclause 72.22(c)(i) above will be considered separate and distinct service on and from the date on which the Employee commenced employment with the new employer, provided that:

A. the qualifying period required to accrue an entitlement to long service leave with the first employer does not reset (that is, the Employee's prior service with the first employer can be counted when calculating any future entitlement to long service leave with the first employer);

B. no benefit to long service leave will arise with the first employer in respect of the prior period of employment with the first employer (unless the Employee subsequently makes a further election to transfer the relevant period of service back to the first employer); and

C. the Employee's prior service with the first employer is disregarded when calculating the Employee's normal weekly hours with the first employer as a casual Employee (e.g. for the purpose of sections 16 and 17 of the LSL Act).

(iii) If the Employee is not entitled to transfer their service from the first employer to the new employer, or does not take the steps required in subclause 72.7(b) within the allowable period of absence, the first employer will make payment in lieu of long service leave for the
Continuous Service with the first employer in accordance with subclause 72.7(a) (Basic entitlement at termination of employment).

(d) For the removal of doubt:

(i) where an Employee has accrued at least fifteen years’ Continuous Service with an employer, this cannot be transferred and the Employee will receive payment in lieu of untaken long service leave upon termination of employment; and

(ii) an Employee is able to transfer Service where they do not have the amount of Continuous Service required in accordance with subclause 72.22(b)(ii).

Example 1:
A Fulltime Employee is employed at the same time by employer 1, and employer 2. The Employee accrues service towards long service leave at each of employer 1 and employer 2.

If the Employee had been employed by employer 1 for 11 years and employer 2 for six (6) years, the Employee can take LSL with employer 1, but in order to take LSL with employer 2, would need to continue working at employer 2 until sufficient Continuous Service with employer 2 had accrued.

If the Employee resigned from both employer 1 and employer 2, and went to work for employer 3, the Employee could:
(a) transfer the six (6) years’ service with employer 2 to employer 3; and
(b) have the accrued LSL from the 11 years’ service with employer 1 paid out in lieu on termination.

Example 2:
A Part-time Employee has worked for employer 1 for six (6) years. The Employee commences employment with employer 2 as a full-time Employee. To take up this opportunity, the Employee ceases permanent employment with employer 1. However, the Employee commences a casual employment relationship with employer 1 within 12 weeks after resigning from their permanent position with employer 1.

The Employee:
(a) could transfer the six (6) years’ service with employer 1 to employer 2, and would be eligible to take LSL with employer 2 once sufficient Continuous Service had accrued (taking into account the transferred service); and
(b) would be entitled to take pro-rata LSL with employer 1 after a further year of Continuous Service (so they have seven (7) years’ Continuous Service), though their six (6) years’ Continuous Service as a part-time Employee will not be counted when calculating the Employee’s long service leave entitlement.
(a) Clauses 72.7(b), 72.7(e), and 72.22(b) shall not apply to the following classifications unless the Industrial Division of the Magistrates Court provides an opinion that determines generally the rights of these Employees under subsection 23(2) of the LSL Act that the long service leave entitlements provided by this Agreement are more favourable than those provided by the LSL Act:

(i) Art Therapists;
(ii) Exercise Physiologists;
(iii) Play Therapist (Child Life Therapists);
(iv) Mechanical Officers; or
(v) Radiation Engineers.

(b) The Unions and VHIA will make an application to the Magistrates Court under section 24 of the LSL Act for an opinion referred to in section 72.23(a) as soon as reasonably practicable after the Agreement has been approved by the Commission.

(c) No Employee shall otherwise suffer any detriment as a result of the operation of this clause 72 to their entitlement to long service leave existing immediately prior to the coming into force of this clause 72.

73. Blood Donors Leave

The Employer will release Employees upon request to donate blood where a collection unit is on site or by arrangement at the local level.

74. Leave to Engage in Voluntary Emergency Management Activities

Note: In this clause 74, ‘up to’ refers to the total amount of paid leave per calendar year an Employee is entitled to access whilst they qualify and does not confer a discretion on the Employer to provide fewer than two (2) weeks leave. That is where the Employee qualifies in accordance with this clause 74 for two (2) weeks paid leave, the Employer must provide them with two (2) weeks paid leave.

74.1 Leave to Engage in Voluntary Emergency Management Activities

(a) An Employee who engages in a voluntary emergency management activity with a recognised emergency management body that requests the attendance of the Employee (or where no such request has been made, but it would be reasonable to expect that if the circumstances had permitted the making of such a request, it is likely such a request would have been made) at a time when the Employee would otherwise be required to be at work is entitled to leave for:

(i) time when the Employee engages in the activity;
(ii) reasonable travelling time associated with the activity; and
(iii) reasonable rest time immediately following the activity.
(b) The Employee must advise the Employer as soon as reasonably practicable, which may be at a time after the absence has started, if the Employee is requested to attend a voluntary emergency management activity and must advise the Employer of the expected or likely duration of the Employee’s attendance. The Employee must provide a certificate of attendance or other evidence that would satisfy a reasonable person of attendance where requested by the Employer.

(c) Recognised emergency management bodies include but are not limited to, the Country Fire Authority, Red Cross, State Emergency Service and St John Ambulance.

(d) An Employee who is required to attain qualifications or to requalify to perform activities in an emergency management body must be granted leave with pay for the period of time required to fulfil the requirements of the training course pertaining to those qualifications, provided that such training can be undertaken without unduly affecting the operations of the Employer.

(e) The leave under this clause 74 will be paid up to two (2) weeks per calendar year, save that approval of paid leave is subject to the operational requirements of the Employer resulting from any emergency.

(f) Nothing in this clause limits the ability of an Employee to be absent from employment for engaging in eligible community service activity in accordance with Division 8 of the Act.

Note: Under the Act, an employee who engages in an eligible community service activity is entitled to be absent from employment without pay (or in some circumstances, with pay). The relevant period consists of time engaged in the community service activity, reasonable travel time and reasonable rest time. Eligible community service activity means jury service, a voluntary emergency service management activity (such as voluntary work relating to an emergency or natural disaster when performed for a recognised emergency management body - as defined), or an activity prescribed from time to time. There are particular notice requirements so that the employer is advised of the forthcoming absence and how long it is expected to last. For jury service payments refer to clause 76 Jury Service.
75. **Ceremonial Leave**

An Employee who is legitimately required by Aboriginal or Torres Strait Islander tradition to be absent from work for Aboriginal or Torres Strait Islander ceremonial purposes will be entitled to up to 10 working days unpaid leave in any one year, with the approval of the Employer. Such approval will not be unreasonably withheld by the Employer.

76. **Jury Service**

NOTE: this clause 76 applies to all Employees

76.1 An Employee required to attend for jury service will be reimbursed by the Employer an amount equal to the difference between:

(a) the amount paid by the state of Victoria in respect of attendance for jury service; and

(b) the amount the Employee could reasonably expect to have received from the Employer as earnings for that period had the Employee not been performing jury service.

76.2 An Employee will notify the Employer as soon as possible of the date they are required to attend jury service. The Employee will give the Employer proof of attendance at the court, the duration of such attendance and the amount received for jury service.
76A. Absences on Defence Leave

76A.1 A Full-Time or Part-Time Employee absent on defence service will be reimbursed by the Employer an amount equal to the difference between:

(a) the amount paid by the Defence Service (not including reimbursements) in respect of a period during which the Employee was absent on defence service; and

(b) the amount the Employee could reasonably expect to have received from the Employer as earnings for that period had the Employee not been absent on defence service.

76A.2 An Employee will notify the Employer as soon as possible of the date they require absence on defence service. The Employee will give the Employer proof that the absence relates to defence service, the duration of such absence and the amount received for the relevant defence service period.

76A.3 In this clause ‘absence on defence service’ has the meaning contained in section 24A of the Defence Reserve Service (Protection) Act 2001 (Cth).

Example
The Employee is on Defence Service leave for the duration of a particular pay period. Were the employee not on Defence Service leave in that pay period they would have worked on the Sunday and Monday evening shift of each week of the pay period. The Employee is entitled to payment as though at work for each of the Sunday and Monday evening shifts, less the amount of payment (not including reimbursements) from the Defence Service for the equivalent time of the Sunday and Monday evening shifts.

77. Special Disaster Leave

Note: In this clause 77, ‘up to’ refers to the total amount of paid special disaster leave per calendar year an Employee is entitled to access whilst they qualify and does not confer a discretion on the Employer to provide fewer than three (3) days leave. That is where the Employee qualifies in accordance with this clause 77 for three (3) days paid special disaster leave, the Employer must provide them with three (3) days paid special disaster leave.

77.1 An Employee is entitled to paid special disaster leave of up to three (3) days per calendar year. An Employee may take special disaster leave where:

(a) the Employee is a full time or part time Employee;

(b) Personal Leave is not available either because the Employee has exhausted the accrual or the circumstance does not qualify for Personal Leave; and

(c) the Employee is unable to attend work due to a disaster (such as fire or flood) where:

(i) the Employee’s residence is damaged or under imminent threat of major damage;
(ii) the lives or safety of their immediate family or household members are threatened; or

(iii) there is a formal closure, flooding or other unusual danger on the road(s) which is the Employee's normal travel route to work and no alternative practicable travel route is available.

77.2 Special disaster leave is non-cumulative.

78. **Gender Transition Leave**

*Note: In this clause 78, ‘up to’ refers to the total amount of Gender Transition Leave an Employee is entitled to access whilst they qualify and does not confer a discretion on the Employer to provide fewer than four (4) weeks paid leave and 48 weeks unpaid leave. That is where the Employee qualifies in accordance with this clause 78 for four (4) weeks paid and 48 weeks unpaid Gender Transition Leave, the Employer must provide them with four (4) weeks paid and 48 weeks unpaid Gender Transition Leave.*

78.1 The Employer encourages a culture that is supportive of transgender and gender diverse Employees and recognises the importance of providing a safe environment for Employees undertaking gender transition.

78.2 Gender Transition refers to the process where a transgender Employee commences living as a member of another gender. This is sometimes referred to ‘affirming’ their gender. This may occur through medical, social or legal changes.

78.3 Employees may give effect to their transition in a number of ways and are not required to be undergoing specific types of changes, such as surgery, to access leave under this clause 78.

78.4 **Amount of gender transition leave**

An Employee (other than a Casual Employee) who commences living as a member of another gender is entitled to Gender Transition Leave for the purpose of supporting the Employee’s transition as follows:

(a) up to four (4) weeks (20 days) paid leave for essential and necessary gender affirmation procedures; and

(b) up to 48 weeks of unpaid leave.

78.5 The Gender Transition Leave entitlements outlined in subclause 78.4(a) are available to be taken by the Employee within the first 52 weeks after they commence living as a member of another gender.

78.6 Essential gender affirmation procedures may include:

(a) medical and/or psychological appointments;

(b) hormonal appointments;

(c) surgery and associated appointments;

(d) appointments to alter the Employee’s legal status or amend the Employee’s gender on legal documentation; and/or
(e) any other similar necessary appointment or procedure to give effect to the Employee’s transition as agreed with the Employer.

78.7 An Employee who is entitled to unpaid Gender Transition Leave may, in conjunction with all or part of that leave, utilise accrued Annual or Long Service Leave, provided that the combined total of all paid and unpaid leave taken does not exceed 52 continuous weeks.

78.8 Gender Transition Leave may be taken as consecutive, single or part days as agreed with the Employer.

78.9 Leave under this clause 78 will not accrue from year to year and cannot be cashed out on termination of employment.

This may be in the form of a document issued by a Registered Health Practitioner, a lawyer, or a State, Territory or Federal government organisation, a State, Territory or Commonwealth statutory declaration or other suitable supporting documentation.

Example:

An Employee may use their professional development leave to attend 14 half-day professional development activities in a year of service provided that the total period will not exceed seven (7) days.

(b) The Employer must notify the Employee in writing if the leave is approved or not within seven (7) days of the request being made.

(c) If leave is not approved the reasons will be included in the written notification to the Employee.

(d) Once professional development leave has been granted by the Employer it will only be revoked by mutual agreement which may be at the request of the Employee, save that the Employer will not unreasonably refuse a request by an Employee to revoke the granting of leave.

79.8 Professional development activities occurring on a day the Employee would not otherwise work

(a) Where a request for professional development leave which is approved by the Employer covers a period where the Employee is not rostered to work (e.g. on
weekends, ADOs or after hours) then the Employer will provide time off in lieu for the period of the course.

(b) Time in lieu in this subclause 79.8 is on the basis of time for time at ordinary rates and does not include any benefit or payment for any overtime, penalties or allowances under this Agreement which would normally be paid for such periods of duty.

(c) Instead of time in lieu in accordance with this subclause 79.8, the Employer and Employee may mutually agree to the Employee being paid for the period at the Employee’s ordinary time rate of pay.

85.2 The weekly full-time wage rates applicable to each classification during the period that this Agreement operates are set out in Appendix 2 (Wage Rates).

85.3 Appointment to a wage point will be based on the Employee’s Experience as defined at subclause 85.12(a) below.

Example 1:

They terminate their employment and commence with a new Employer as a Physiotherapist Grade 2. 85.4 Progression through all classifications for which there is more than one wage point will be by annual increments, having regard to the acquisition and utilisation of skills and knowledge through experience in the Employee’s practice setting(s) over such period.

85.5 Advancement by an Employee through the Experience increments within AHP1 grades in the classification structure will occur upon the completion by the Employee of each 12 month period calculated from the Employee’s commencement in a grade within the AHP1 classifications, irrespective of whether a 12 month period (or any part) was served as a full-time or part-time Employee, provided that:
(a) an Employee who holds or is qualified to hold a relevant Masters Degree will commence at the AHP1, Grade 1, Year 2 rate; and

There is no obligation to apply any other provisions of this clause 91 for an Unplanned Absence of less than two (2) calendar weeks under this subclause 91.4(b).

91.5 **Backfill with existing staff where reasonable**

The Employer will Backfill by offering existing part-time and, where necessary, casual Employees (which may include bank staff) additional shifts in the first instance.

91.6 **Non-backfilled absences – Work prioritisation**

(d) If overtime is worked, the provisions of clause 52 – Overtime will apply.

(e) Where possible Employers will employ adequate relief Employees, or obtain an appropriate replacement from the Public Health Sector Relief Bank or equivalent (see subclause 91.8 below).

Information that could be relevant includes workload reviews undertaken in accordance with subclause 90.6

(c) On the request of the Union, the Employer will provide in writing details of their attempts to Backfill in accordance with this clause 91.

91.8 Staffing and Banks

(a) Employers recognise adequate relief staff may be needed, or appropriate staff from public health sector relief bank/s utilised in the event they are established, to Backfill in accordance with this clause 91, other than in circumstances where existing Employees (part-time and casual) are offered and accept additional hours/shifts for this purpose.

(b) Where an Employer is unable to Backfill Absences in accordance with this clause 91 on a regular basis, the Employer will:

(i) consult with affected Employee/s and the Union on this; and

(ii) where appropriate, take steps to address the issue.
Employers (including through the VHIA) and the Union will discuss in the WIC and BPECC arrangements for building increased relief staff size, which could include sector-wide or internal relief bank/s.

91.9 **Dispute Settlement**

In the event of a dispute arising over the provisions of this clause 91, either party may choose to have the dispute resolved under the:

(ii) Independent Dispute Resolution Panel (clause 14A).

92. **Advertising Vacancies**

92.1 Where a vacancy arises within the Employer, the Employer will advertise the vacant position or available hours, internally in the first instance and then externally if necessary:

(b) where a vacancy will not arise immediately after the end of the notice, such as where the Employee’s role has been backfilled, as soon as practicable.

92.2 The Employer will advertise all vacancies that arise where the vacancy relates to a position that, but for the vacancy occurring, would have been ongoing.

94. **Contractors and Labour Hire**

94.1 The Employer acknowledges the positive impact that secure employment has on employees and the provision of quality services to the Victorian community and will give preference to engaging people to perform work covered by this Agreement as Employees, rather than engaging:

(a) contractors (including contractors that are employees of the Employer);
(b) employees of contractors (including employees of contractors that are employees of the Employer); and
(c) employees of labour hire businesses;

to perform such work.

(b) the professions they perform work at the Employer;
(c) the sites such people perform work at the Employer;

94.3 The Employer recognises that engaging the people referred to at 94.1(a) to (c) above to perform work covered by this Agreement, other than on a short-term basis, will generally be a Major Change as defined at clause 13 and therefore may require consultation.
95. Working from Home

95.1 The Employer recognises there may be mutual benefits for both Employees and the Employer to access home based work. The Employer will maintain a working from home policy that provides Employees with a genuine opportunity to work from home where it is reasonable having regard for the circumstances, including:

(a) OHS considerations;
(b) any current Government directives or recommendations;
(c) service delivery requirements.

95.2 An Employee is entitled to make a request to work from home in accordance with the Employer’s policy.

95.3 Where an application is made in accordance with the Employer’s policy such a request will not be unreasonably refused by the Employer.

95.4 Nothing in this clause 95 limits the right of an Employee to request a flexible working arrangement under clause 96 of this Agreement.

96. Flexible Working Arrangements

96.1 The Act entitles a specified Employee to request flexible working arrangements in specified circumstances.

96.2 A specified Employee is a:

(a) full-time or part-time Employee with at least 12 months continuous service; and
(b) long term casual Employee with a reasonable expectation of continuing employment by the Employer on a regular and systematic basis.

96.3 The specified circumstances are the Employee:

(a) is the parent, or has responsibility for the care, of a child who is of school age or younger;

96.5 A request for a flexible work arrangement includes (but is not limited to) a request to work part-time upon return to work after taking leave for the birth or adoption of a child to assist the Employee to care for the child.

96.6 Changes in working arrangements may include but are not limited to hours of work, patterns of work and location of work.

96.7 The request by the Employee must be in writing, set out the change sought and reasons for the change.

96.8 The Employer must give the Employee a written response to the request within 21 days, stating whether the Employer grants or refuses the request. A request may only be refused on reasonable business grounds as described in the NES.

96.9 Where the Employer refuses the request, the written response must include details of the reasons for the refusal.

96.10 Where a request for flexible work arrangements is made, an Employee or Employer is entitled to meet with the other party to discuss:

(a) the request;
(b) an alternative to the request; or
(c) reasons for a refusal on reasonable business grounds.

96.11 An Employee or Employer may choose to be represented at a meeting under subclause 96.10 by a representative including a Union or VHIA.

96.13 Other entitlements relevant to family violence can be found at clause 66 (Family Violence Leave).

96.14 Where an Employee wishes to end a flexible work arrangement in a manner other than as provided in the flexible work arrangements itself, this can occur by agreement between the Employee and the Employer, save that the Employer will not unreasonably withhold agreement.

(b) a risk assessment is undertaken in consultation with the Employee/s, the Employee’s HSR (where applicable) and where requested by the Employee/s, the Union and/or any other relevant employee/s;

(c) subject to subclauses 105.4. and 105.5, an appropriate hazard / risk control is implemented; and

(d) the control measures are evaluated and reviewed.
105.4 The objective of the process described at subclause 105.3 is to identify a hazard / risk control measure the Employee agrees addresses their safety concern. An Employee is entitled to dispute whether the hazard / risk control measure in subclause 105.3(c) addresses their safety concerns and is appropriate in accordance with the OHS Act.

105.5 At any time, if a safety issue involves an immediate threat to the Employee’s health or safety an Employer or Employee may, after consultation, direct that work cease in accordance with the OHS Act, save that, consistent with an Employee’s common law right, an Employee has the right to:

(a) cease seeing an individual client / customer / patient or leave a location/environment at any time where they feel unsafe; and/ or
(b) not perform work where they believe is a threat to their safety, including when they do not feel safe visiting an individual client/customer/patient or attending a location/environment.

105.6 Where a direction under subclause 105.5 occurs, the cease work would apply to visiting that individual client / customer / patient or location/environment where performing this work gives rise to an immediate threat to the Employee’s safety until resolved in accordance with the OHS Act, which includes having the matter determined by Worksafe and the right to appeal.

105.7 During any period for which work has ceased in accordance with a direction under subclause 105.5, the Employer may assign any Employees whose work is affected to suitable alternative work.

105.8 Nothing in this clause 105 limits the ability of any party to exercise any right under the OHS Act including to request an inspector attend the workplace to assist in the resolution of the health and safety issue, having the matter determined by Worksafe, any escalation process or right to appeal.

105.9 The requirements of this clause 105 applies to all situations where an Employee is away from the Employer’s premises with a client/s / customer/s / patient/s, family or carer/s.

106. Facilities

106.1 The Employer acknowledges that:

(a) the OHS Act requires Employers to provide a work environment that is safe and without risk to Employees’ health, so far as reasonably practicable, and
(b) they are required by the OHS Act law to consult with affected Employees and HSRs, so far as reasonably practicable, when making decisions about the adequacy of facilities for the welfare of employees.

106.2 The Employer must provide and continue to provide adequate facilities for the welfare of Employees at any workplace under the Employer’s management and control, subject to subclause 106.4 below. Such facilities include a room for the taking of meal breaks and rest breaks, staff only toilets, change rooms / shower, and secure personal storage.
106.3 *The WorkSafe Compliance Code – Workplace Amenities and Work Environment (Compliance Code)* is an appropriate guide on how to fulfil these duties to the extent that they relate to providing appropriate facilities for the work environment and appropriate workplace amenities for Employees.

106.4 Where the Employer cannot:

(a) provide the facilities referred to at subclause 106.2 because it is not reasonably practicable to do so; or

(b) where the Employer cannot continue to provide the facilities due to refurbishment or other unforeseeable disruption;

subclause 106.5 applies.

106.5 In the circumstances in subclause 106.4, the Employer will:

(a) in consultation with Employees and their HSRs, conduct an assessment of workplace facilities to identify any risks to the health, safety and wellbeing of staff. The assessment will consider the requirements outlined in the Compliance Code;

(b) develop and implement an action plan to improve staff health, safety and wellbeing. The action plan will require them to take all reasonable steps to mitigate not providing the facilities required by subclause 106.2 and to identify timeframes, including any timeframes to provide the facilities at subclause 106.2. This information will be provided to the affected Employees and the Union in writing; and

(c) as soon as is reasonably practicable provide and continue to provide the facilities referred to at subclause 106.2 and prioritise providing these facilities, save that secure personal storage suitable to the circumstances must be available within two (2) years of the Agreement commencing operation or earlier if practicable.

106.6 A member/s of the WIC and / or the Union may request and the Employer will provide in writing information regarding the facilities required to meet the requirements of the OHS Act and/or this clause 106, including:

(a) why it is not reasonably practicable for the Employer to provide the facilities referred to at subclause 106.2;

(b) the steps to mitigate any hazard / risk where such facilities cannot be provided; and

(c) details of any new sites the Employer is building or any existing sites they are refurbishing, and steps they are taking to provide the facilities referred to at subclause 106.2 as part of this construction.

106.7 Where refurbishment or construction is proposed, Employers will, where reasonably practicable, provide the facilities for the welfare of Employees as described at subclause 106.2 as part of this refurbishment or construction.
